

Resolution No. 2025/26-09

RESOLUTION OF THE GOVERNING BOARD OF THE SALINAS CITY ELEMENTARY SCHOOL DISTRICT REGARDING ANNUAL ACCOUNTING OF DEVELOPMENT FEES FOR 2023-2024 FISCAL YEAR IN THE FOLLOWING FUND OR ACCOUNT:

{Government Code sections 66001 (d) & 66006 (b)}

AUTHORITY AND REASONS FOR ADOPTING THIS RESOLUTION:

(A.) This District has levied school facilities fees pursuant to various resolutions, the most recent of this is dated September 22, 2006, and is referred to herein as the "Proposed Adoption of School Facilities Fees," Resolution 2006/07-04 and is hereby incorporated by reference into this Resolution. These resolutions were adopted under the **authority of Education Code Section 17620 (formerly Government Code section 53080)**. These fees have been deposited in the following fund account:

CAPITAL FACILITIES FUND

(B.) Government code sections 66001 (d) and 66006 (b) require this District to make an annual accounting of the Fund and to make additional findings every five years if there are any funds remaining in the Fund at the end of the prior fiscal year.

(C.) Government Code sections 66011 (d) and 66006 (b) further require that the annual accounting of the Fund and those findings be made available to the public no later than 180 days after the close of the prior fiscal year, that this information be reviewed by this Board at its next regularly scheduled board meeting held no earlier than 15 days after they become available to the public, and that notice of the time and place of this meeting (as well as the address at which the information may be reviewed) be mailed at least 15 days prior to this meeting to anyone who has requested it.

(D.) Based on the fees permitted by the Government Code section 65995, the District has collected the following fees:

1. \$1.42 per square foot for Residential Development
2. \$0.23 per square foot for Commercial or Industrial Development

(E.) In reference to Government Code section 66006 (b) (2), this Board has reviewed the annual accounting for the Fund as contained in Exhibit A and determined that it meets the requirements set forth in Government Code section 66006 (b) (1);

(F.) In reference to Government Code section 66001 (d) (1), the purpose of the fees is to finance the construction or reconstruction of school facilities necessary to reduce overcrowding caused by the development on which the fees were levied, which facilities are more specifically identified in Exhibit B.

(G.) In reference to Government Code section 66001 (d) (2), and with respect only to that portion of the Fund remaining unexpended at the end of the 2024-25 fiscal year, the findings and evidence referenced above demonstrate that there is a reasonable relationship between the fees and the purpose for which it is charged.
