

SALINAS CITY ELEMENTARY SCHOOL DISTRICT

RESOLUTION APPROVING THE RESULTS OF RFQP NO. 2025-26/002 AND ESTABLISHING A PRE-QUALIFIED POOL OF GEOTECHNICAL CONSULTING FIRMS FOR THE MEASURE G AND H BOND PROGRAM

RESOLUTION NO. 2025-26/11

WHEREAS, the Salinas City Elementary School District Board of Education ("Board") is committed to ensuring that District facilities are safe, modern, and compliant with all applicable state and local codes and regulations to support high-quality educational programs for students; and

WHEREAS, the District is undertaking new construction, modernization, and facility improvement projects funded in whole or in part through the Measure G and Measure H Bond Programs; and

WHEREAS, such projects require specialized geotechnical, geological, and soils engineering services to ensure compliance with the California Building Code, the Division of the State Architect (DSA), the California Geological Survey (CGS), the California Department of Education (CDE), and other applicable regulatory agencies; and

WHEREAS, on December 4, 2025, the District issued Request for Statements of Qualifications and Proposals ("RFQP") No. 2025-26/002 for Geotechnical Services for the Measure G and H Bond Program, with all solicitation documents made available exclusively through the BidNet platform; and

WHEREAS, the RFQP was advertised and administered in accordance with District requirements, with a submission deadline of December 18, 2025, at 3:00 p.m.; and

WHEREAS, by the established deadline, the District received six (6) Statements of Qualifications and Proposals in response to RFQP No. 2025-26/002; and

WHEREAS, the District's selection panel reviewed and evaluated all submissions in accordance with the criteria outlined in the RFQP; and

WHEREAS, the selection panel determined that Geo-Engineering Solutions, Inc. and C2Earth, Inc. were non-responsive to the requirements of the RFQP; and

WHEREAS, the selection panel further determined that the following firms were responsive, responsible, and qualified to provide geotechnical services for District projects:

- Certerra RMA Group
- Cornerstone Earth Group, Inc.

- Earth Systems Pacific
- Ninyo & Moore Geotechnical & Environmental Sciences Consultants; and

WHEREAS, the RFQP provides for the establishment of a pool of pre-qualified firms from which the District may solicit project-specific proposals and negotiate agreements on an as-needed basis, without guaranteeing any minimum amount of work; and

WHEREAS, establishing a pool of qualified geotechnical consulting firms is in the best interest of the District to support the timely and cost-effective delivery of Measure G and Measure H Bond Program projects;

NOW, THEREFORE, BE IT RESOLVED, that the Salinas City Elementary School District Board of Education hereby approves the results of RFQP No. 2025-26/002 for Geotechnical Services for the Measure G and H Bond Program;

BE IT FURTHER RESOLVED, that the Board hereby establishes a pre-qualified pool of geotechnical consulting firms consisting of:

- Certerra RMA Group
- Cornerstone Earth Group, Inc.
- Earth Systems Pacific
- Ninyo & Moore Geotechnical & Environmental Sciences Consultants;

BE IT FURTHER RESOLVED, that District staff is authorized to solicit project-specific requests for proposals from the qualified firm pool and to negotiate agreements for geotechnical services on an as-needed basis, subject to applicable laws, regulations, and Governing Board approval requirements;

BE IT FURTHER RESOLVED, that inclusion in the pre-qualified firm pool does not guarantee the award of any contract or a minimum amount of work, and the District retains sole discretion in selecting firms for individual projects.
