

Cave Creek Unified School District #93 TECHNOLOGY DEVICE USER ACKNOWLEDGMENT

By receiving a technology device provided by the Cave Creek Unified School District, you acknowledge that the technology device is to be used and maintained in its original condition, with reasonable wear and tear excepted, by the designated borrower. All specified equipment is and shall at all times remain the property of the District and must be returned prior to the student's last day of enrollment in the school. Please note that all CCUSD technology devices will only function by logging in with a CCUSD student login.

By accepting a district Technology Device, both the Student and Parent/Guardian understand:

- Users must abide by the Cave Creek Unified School District COPPA, Electronic Devices, and Internet sections of the Student Rights and Responsibilities Handbook ([Handbook](#)).
- Users must use the technology device primarily for educational use in order to access curriculum, resources, and assessments.
- All internet activity on district technology devices is filtered and logged.
- Any web content filtering beyond the District network will be the responsibility of the user and parent.
- Users must not install or remove any software without prior authorization from the District.
- Users must not install virtual private networks (VPN) or other software that circumvents district filters on district-provided technology devices.
- Users must report any problems, damages, misuse, or misconduct immediately to the school administration.
- All repairs must be coordinated by CCUSD and completed by the CCUSD Technology department or district-approved vendors.
- The equipment is the property of the District and must be returned on or before the student's last day of enrollment in the school.
- If the equipment is not returned to the District in its original condition or if the equipment is damaged, lost, or stolen, due to negligence or not utilizing reasonable care in the use of the equipment, reasonable wear and tear excepted as determined exclusively by the District, the parent/guardian will be financially responsible for the replacement value of the equipment as determined by the District.
- All information stored on the District technology device carries no expectation of privacy and is the property of the District. The District reserves the right, at all times and without prior notice, to inspect and search any and all its property for the purpose of determining whether any policy has been violated, or when an inspection and investigation is necessary for purposes of promoting safety or compliance with state and federal laws.
