Freshman Orientation Closing

From Counselor Jalissa Harris

Welcome, Class of 2030! On behalf of our principal, Ms. Line and our administrative team, I'd like to thank you all for being here.

Today marks the beginning of a brand-new chapter. You may be excited, nervous, or somewhere in between—and that's completely normal. Every senior who walked these halls once stood exactly where you are today.

High school is about so much more than grades. It's about discovering who you are, building friendships, overcoming challenges, and finding your voice. There will be days that test you, but those moments will also help you grow into someone stronger, wiser, and more confident.

Don't be afraid to ask questions, try something new, or step outside your comfort zone. Join a club, attend a game, cheer on your classmates, and make memories you'll carry with you for years to come.

Remember, success isn't about being perfect—it's about showing up, working hard, learning from your mistakes, and never giving up on yourself. The choices you make each day will shape the person you become.

Class of 2030, you belong here. You have unique talents, incredible potential, and a future filled with possibilities. We can't wait to see the impact you'll make over the next four years.

Welcome to high school. Welcome to your future. Let's make it an amazing journey!
