

Dear Hannah Marie Brown Elementary School Students and Families,

It is with mixed emotions that I share I have accepted the position of principal at Liberty High School. While I am excited for this new opportunity, saying goodbye to the Hannah Marie Brown Elementary School community is incredibly difficult.

Serving as your principal has been one of the greatest honors of my career. I never imagined how deeply connected I would become to this school. Over the past several years, I have had the privilege of celebrating our students' successes, supporting our dedicated staff, and partnering with our amazing families. Every milestone, every achievement, and every smile has reminded me why this work is so meaningful.

Together, we have built a strong foundation for success. The accomplishments of the past five years are a direct reflection of what can happen when a school community works together with a shared commitment to children. I could not be prouder of all that we have achieved, and I know the best is still to come.

I am pleased to share that Ms. Sumsion will serve as the interim principal. She is a dedicated leader who knows and loves this school, and I have every confidence that, alongside the outstanding leadership team and staff, Hannah Marie Brown Elementary School will continue to grow and achieve great things.

Although my role is changing, my pride in this school will never change. I will always be cheering on our Brown Bears and celebrating your accomplishments from afar.

Thank you for allowing me the privilege of serving as your principal. The memories, relationships, and experiences I have shared with this community will stay with me forever. Thank you for your trust, your partnership, and your unwavering support.

Our paths will surely cross again, and I look forward to that day. Until then, I wish each of you continued success, happiness, and many wonderful memories at Hannah Marie Brown Elementary School.

With sincere gratitude,

*Megan Sensibaugh*
