WHEREAS, Education Code Section 17406 authorizes the governing board of a school district to let to any person, firm or corporation any real property belonging to the District if the instrument by which the property is let requires the lessee therein to construct on the demised premises, or provide for the construction thereon of, a building or buildings for the use of the school district during the term of the lease, and provides that title to that building shall vest in the school district at the expiration of that term;

WHEREAS, any lease-leaseback contract pursuant to Education Code section 17406 shall be based on a competitive solicitation process and awarded to the proposer providing the “best value” (as defined in Education Code section 17400), taking into consideration the proposer’s demonstrated competence and professional qualifications necessary for the satisfactory performance of the services required;

WHEREAS, the District desires by a majority of the vote of the Board and pursuant to Education Code section 17604 and similar statutes, to delegate authority to the District’s Superintendent, or his or her designee, to evaluate the qualifications of the proposers based solely upon the criteria and evaluation methodology set forth in the attached Request for Proposals, to assign a best value score to each proposal, and once the evaluation process is complete, to rank all responsive proposals from the highest best value to the lowest best value to the District, and to otherwise carry out the intent of this Resolution.
