EMERGENCY PROCEDURES & COMMUNICATION

In the case of an emergency at our schools, we ask that you please remember to look for official information from the school or district. We may deliver messages via school and district websites, [ParentSquare](#) (in-app notifications), email, phone, text and district social media accounts - [Facebook](#), [X](#), and [Instagram](#).

The District utilizes a layered safety approach that includes controlled campus access, visitor screening, security window film, security cameras, comprehensive school safety plans including emergency procedures, emergency alerting through Centegix CrisisAlert, and strong partnerships with local law enforcement agencies. Students and staff are trained in emergency procedures, and parents play a critical role by following District communication and reunification procedures during emergencies.

Parent Emergency Contact Information

Please ensure that we have your most accurate contact information on file in order to be able to effectively communicate with you during an emergency.

In the event that you move, you must verify your new address with your school's front office. Student and parent contact information can be updated throughout the year via the [Aeries Parent Portal](#). The school office cannot be responsible for making those changes.

Please contact your school to receive your student's confidential account information so that you may sign up for a portal account. If you are unable to create a portal account, please visit your child's school to update contact information.

Emergency Procedures

Our school has emergency procedures in our comprehensive school safety plan and conducts training with staff on a regular basis.

We have implemented the "I Love U Guys" Standard Response Protocol (SRP) and Standard Reunification Method (SRM). SRP provides five actions: Hold, Shelter, Secure, Lockdown, and Evacuate. SRM provides a structured process for safe student release following an emergency. Staff utilize the Centegix CrisisAlert system to immediately notify administration, site response team, students, and emergency responders, when appropriate, of emergencies.

In the event of an emergency requiring reunification, parents/guardians must report to the designated reunification location, present valid identification, and follow all staff instructions. Parents should not come to campus during a lockdown or active emergency unless directed by the District.

Safe and Secure Campus

We have a locked campus to ensure the safety and security of students and staff. If school is in session, your child must check in through the office and receive a tardy slip. Do not instruct your child to go directly to class. All parents and other visitors must enter through the front office.

The campus is open to parent volunteers and visitors. In accordance with state law, all visitors, volunteers, and contractors must check in through the District's visitor management system, present a valid government-issued ID, and wear a visible badge at all times.

This procedure gives us a chance to say "hello" to those we know, to meet those we do not know, and to make sure unauthorized access to the school does not compromise the safety of our students or teachers.

ACADEMICS

Academic Honesty

Students are expected to do their own work in an honest and forthright manner. Looking at another student's test paper, using cheat sheets, obtaining test answers, copying homework, and plagiarizing (copying from a book, magazine, a peer, or the internet) to complete an assignment or project are dishonest acts. Students who compromise their integrity in these ways will be subject to disciplinary action.

Additionally, using AI-powered digital tools to generate content that is presented as original work is a form of plagiarism. This includes having AI write essays, answer test questions, or paraphrase existing content without proper citation. Remember, schoolwork is about developing your own knowledge and critical thinking skills. If you're unsure whether a particular use of AI is acceptable, consult your teacher before proceeding. More information regarding citation and appropriate use of AI can be found [here](#).

Academic Intervention

School sites employ support teachers who work with students who need academic intervention. We use assessment to monitor student progress toward standards. We use a Student Study Team model to meet and plan interventions for students at the school site level.

Gifted and Talented Education

GATE (Gifted and Talented Education) is an educational program that offers learning opportunities aligned with students' identified needs and abilities. All Newport Mesa students are screened mid-year in grade 3 for qualification into the district's GATE program. Newport Mesa Unified School District offers a Gifted and Talented Education Program for eligible students beginning in grade 4. Classroom instruction begins with the grade level core curriculum and is differentiated based upon student need and ability. The development of critical thinking is emphasized.

Homework

Homework serves as an essential component of the learning process, designed to reinforce classroom instruction, promote independent learning and enhance academic skills. NMUSD believes that homework plays a valuable role in academic development and NMUSD policies reflect this belief. Please check with your student's teacher to learn more about their homework policy.

Homework Requests for Absent Students

NMUSD recognizes the importance of maintaining the continuity of learning, even when students are absent from class. Independent study options are available to support students in keeping up with missed coursework. Short-term independent study is offered to students who are going to be out for 1-15 days. Long term independent study is for students who plan to be out longer than 15 days. Please contact your student's school for more information.

When Students Are Absent for a Day:

1. Notification: Parents/guardians are encouraged to notify the school office as soon as possible if their child will be absent for the day.
2. Requesting Homework: Parents/guardians may request homework for their child by contacting the child's teacher via ParentSquare, email or through the school office before 10:00 AM on the day of the absence.
3. Homework Availability: Teachers will prepare homework and it will be available for pick-up in the school office by 3:00 PM. If the request is made after 10:00 AM, homework may be available the following school day.
4. Submission: Completed homework should be submitted to the teacher upon the student's return to school.

When Students Are Absent for Extended Periods of Time:

1. Notification: Parents/guardians should notify the school office and the child's teacher at least one week in advance if their child will be absent for an extended period (three days or more).
2. Independent Study Contract:
 - a. Eligibility: An Independent Study Contract is available for students who will be absent for one or more consecutive school days in many cases.

3. Request Process: Parents/guardians must request an Independent Study Contract from the school office and at least one week before the absence.
4. Approval: The contract must be approved by the principal and the teacher. Once approved, the teacher will prepare assignments that cover the duration of the absence.
5. Pick-Up: The Independent Study Contract and assignments will be available for pick-up in the school office prior to the start of the absence.
6. Completion and Submission: Students are required to complete all assignments outlined in the Independent Study Contract. All completed work must be submitted to the teacher on the first day the student returns to school for full credit.

General Guidelines:

- Responsibility: It is the responsibility of the parents/guardians to ensure that homework is requested and picked up as outlined above.
- Communication: Clear communication between parents/guardians, teachers, and the school office is essential for the successful completion of homework during absences.
- Support: Teachers will provide reasonable support to assist students in understanding and completing their assignments during absences.

Please note that late requests for Independent Study Contracts cannot be honored, as the preparation and approval process requires adequate time. Additionally, once Independent Study materials and assignments have been prepared, changes to travel plans, extensions, or requests for a second Independent Study Contract connected to the same trip or absence period will generally not be accommodated. We appreciate families planning carefully in advance and honoring the agreed upon dates outlined in the contract to support continuity of instruction and staff preparation time.

Report Cards

Three times per year, report cards are issued for all students in grades TK-6. Students and Parents can access their report card online by logging into the NMUSD Illuminate Home Connect Portal via their ClassLink account.

ARRIVAL/DISMISSAL

Parking Lot Rules

As you know, the arrival and dismissal times are very busy in front of our school and our highest priority is ensuring that children remain safe.

Parking Lot Rules

We need all families to follow these procedures consistently. As a school community, we depend on one another to help ensure that every child arrives at and leaves school safely and securely each day. We understand that mornings and afternoons can feel rushed, and while we want to be respectful of family schedules and time constraints, student safety must remain our highest priority.

- Cars are not permitted to enter the parking lot while buses are present. (Vehicles displaying a visible handicap placard may enter during this time.) Buses are typically present from approximately 8:00-8:30 a.m. during arrival and 2:50-3:10 p.m. during dismissal. Please plan accordingly and respect the directions of staff members who are in place to support safe arrival and dismissal procedures.
- Families are welcome to use our back gate drop off and pick up area on College Avenue from 8:00-8:25 a.m. and 3:00-3:10 p.m. This is often a helpful option for families seeking a less congested experience.
- Children and adults walking through the parking lot must use designated crosswalks and sidewalk areas. Please do not walk through the middle of the parking lot.
- Vehicles entering the parking lot at any other time must adhere to the posted speed limit of 5 mph or less. Please remain alert and watch carefully for children at all times.
- There is a designated curbside drop off area in front of the school near the crosswalk for students exiting onto the sidewalk safely. Arriving early enough to park on the street and walk your child to campus is also a safe and encouraged option.

If you have additional ideas, concerns, or feedback regarding parking lot safety, please contact Laura Taylor. Student safety is always a priority, and we will continue refining procedures as needed throughout the school year to best support our school community.

Bus Transportation

NMUSD offers fee-based bus transportation on a first-come, first-served basis for eligible students. All students are required to have a bus pass to ride the bus. Students are eligible if they attend their school of residence and meet mileage criteria. (Elementary students must live more than .75 miles from their home school.) For more information, contact the Transportation Department at (714) 424-5065 or visit the [NMUSD Transportation Department website](#).

Students are expected to observe the following guidelines:

- Always have your bus pass attached to your backpack and in your possession. If you lose your bus pass, your parent must go to Transportation to purchase a new one
- Always obey the driver's instructions
- Remain quiet and seated at all times
- Be polite to others
- Get on and off at your stop only
- Keep aisles and exits clear
- Food and drink are not permitted on the bus

Students in 3rd grade and below have "Must Be Met" on their bus pass and will be released ONLY to the adults listed in the Aeries database as emergency contacts. Parents are required to keep this information up-to-date by entering any changes in the Parent Portal.

Crossing Guards

At Killybrooke Elementary School, the safety of our students, staff, and families is a top priority. We are fortunate to have a dedicated crossing guard employed by the City of Costa Mesa stationed in front of our campus. Her primary role is to ensure the safe crossing of everyone in our school community.

It is expected that all members of the Killybrooke community treat our crossing guard with kindness and respect. She plays a crucial role in supporting student safety, and for that, we are truly grateful. Let's work together to maintain a safe and positive environment for everyone.

Morning Arrival

To ensure the safety and well-being of our students, staff, and community please follow these morning arrival procedures:

- **Supervision Times:** There is no supervision available prior to 8:00 AM. Please do not drop off your children before this time.
- **Arrival for Grades 1-6:** Students in grades 1 through 6 may enter the school grounds at 8:00 AM. Upon arrival, they may play on the playground or eat breakfast.
- **Arrival for TK and Kindergarten:** TK and Kindergarten students may enter the campus for breakfast through the main gate at 8:00 AM. Supervision for these students begins at 8:05 AM, at which time they can enter through their designated gate.
- **Parking Lot Restrictions:** To ensure the safety of all students, cars are not allowed in the parking lot during arrival and dismissal times, except for those with a handicap placard. We encourage you to walk from home or park along the street.
- **Alternate Entrance:** In addition to our front entrances, there is a convenient walk-up/drive-up gate located at the back side of the campus along College Ave. This gate is supervised by a staff member from 8:00 to 8:25 AM each morning and from 3:00 to 3:10 PM each afternoon. Please arrive on time to take advantage of this arrival and dismissal location.

Afternoon Dismissal

To ensure a smooth and safe dismissal process, please adhere to the following procedures:

- **Walking Pickup:** Parents may walk up to the designated grass areas in front of campus to retrieve their students. 1st - 3rd grade students are on the grass to the left of the main entrance and students in grades 4th-6th will be on the grass to the right side of the main entrance.
- **Bus Riders:** Students who take the bus will head directly to their bus upon dismissal.
- **After-School Programs:** Students enrolled in after-school programs will go to their designated program locations immediately after school.
- **College Ave Gate:** Students using the College Ave. gate will walk to the back gate for dismissal. This gate is supervised by a staff member from 3:00 to 3:10 PM each afternoon.
- **Kindergarten and TK Dismissal:** Kindergarten and TK families will line up at the designated gate for swift dismissal. We will verify the individuals picking up our students to ensure they leave with the designated persons.

Thank you for your cooperation in following these procedures to help ensure a safe and orderly arrival and dismissal for all students.

Early Departure

For the safety and protection of all students, students are not permitted to leave campus during the school day unless they are participating in a school sanctioned activity or are being signed out by a parent, guardian, or authorized delegate. Students will only be released to adults listed in Aeries as authorized emergency contacts. Please ensure your contact information and emergency contacts remain current at all times.

All students leaving during the school day must be signed out through the front office. To help us maintain a safe and secure campus, please be prepared to present valid identification when picking up a student. We also ask families to allow adequate time for students to gather their belongings, pack their backpacks, and collect any necessary classwork or homework prior to leaving campus.

ATTENDANCE

Absence(s) - How to Report

If a student is absent, parents must notify the school by telephone using the 24-hour Attendance Hotline (714) 424-7945 and dial 2. Please leave the following information when calling the hotline:

- Your name and relationship to the student
- Your student's name (first and last)
- Student's grade
- Date of absence(s)
- Reason for absence(s)

Whenever a student is absent from school or class, the actual reason for the absence shall be confirmed by a qualified school employee. **All absences must be verified to the office no later than three (3) school days after the absence.** If the absence is not verified, it will automatically be converted to a truancy ("cut").

A medical release for school re-entry may be required following an illness, chronic medical condition, surgery, possible contagious infection, or referral by the health office. Please also inform the classroom teacher and health office of any limitations or restrictions following an illness, surgery, broken bone, or other medical condition.

Additionally, it is requested that any planned absences be communicated to the office and teacher in advance, when possible. We also offer Short Term Independent Study for planned absences of 1 or more days. Please contact the school office for more information.

Tardiness

Arriving on time ensures that students fully participate in morning classroom routines and instruction that set the tone for a successful day of learning. To avoid being marked tardy, students must be safely in their designated morning line-up area when the bell rings to indicate the beginning of the instructional day. Tardy students must be signed in by their parent or guardian and must not enter school alone.

Daily attendance and punctuality are essential to student success. Students should arrive at school before the 8:25 a.m. bell, as gates are locked at that time and students are considered tardy after 8:25 a.m. Students arriving late must check in through the office before being admitted to class. Any student arriving after 8:25 a.m. must be signed in by a parent or guardian.

Every minute of instructional time matters and plays an important role in helping students meet grade level standards and learning goals. Arriving on time allows students to begin the day successfully, participate in morning instruction and routines, and avoid missing valuable learning opportunities. As a school community, we ask families to partner with us in ensuring students arrive at school on time each day so they can fully benefit from the instructional program.

To support a smooth start to the school day and minimize classroom disruptions, students should arrive with any breakfast or beverages already consumed. Specialty beverages, coffee drinks, sodas, energy drinks, and similar items may not be brought into classrooms or delivered to students during the school day. Students are encouraged to bring a refillable water bottle for use throughout the day.

Chronic Absence and Truancy

We believe that regular attendance is vital for your child's academic success. We are committed to fostering open communication with parents to address any attendance issues that may arise. Our attendance notification system is designed to keep you informed and to work together in supporting your child's attendance.

If a student shows a pattern of chronic absenteeism due to illness, district staff may require physician verification of any further student absences.

FIRST NOTIFICATION OF TRUANCY

If your child has missed school without a valid excuse on three full days in one school year or has been tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, you will receive a "FIRST NOTIFICATION OF TRUANCY."

SECOND NOTIFICATION OF TRUANCY

If attendance has not improved since the issuance of the "FIRST NOTIFICATION OF TRUANCY", you will receive a "SECOND NOTIFICATION OF TRUANCY." A conference may be scheduled to discuss attendance concerns and develop strategies for improvement.

SCHEDULED CONFERENCE

After the issuance of the "SECOND NOTIFICATION OF TRUANCY," a conference may be scheduled with you and your child to address attendance concerns and collaborate on improvement strategies.

THIRD NOTIFICATION OF TRUANCY

If attendance has not improved since the "SECOND NOTIFICATION OF TRUANCY," and your child continues to miss school without a valid excuse, you will receive a "THIRD NOTIFICATION OF TRUANCY."

CHRONIC ABSENCE NOTIFICATION

Students who are chronically absent, missing 10% of their instructional days, will receive a "CHRONIC ABSENCE NOTIFICATION."

FIRST EXCESSIVE EXCUSED ABSENCE NOTIFICATION:

When your child has accumulated 5 excused absences, they will receive a "First Excessive Excused Absence Notification."

SECOND EXCESSIVE EXCUSED ABSENCE NOTIFICATION:

When your child has accumulated 10 excused absences, they will receive a “Second Excessive Excused Absence Notification.”

We understand that there are unavoidable circumstances that may lead to absences. However, consistent attendance is essential for your child’s academic progress. If you have any questions or concerns regarding attendance notifications, please don’t hesitate to contact us.

Doctor Appointments or Dental Appointments

Appointments should be scheduled after school whenever possible. If you need to pick-up your child during the school day for a scheduled medical or dental appointment, please send a note to your child’s teacher on the date of the appointment including the pick-up time. When you arrive, please use the sign-out sheet in the office to indicate your child’s departure time. Students arriving at school late due to medical or dental appointments should provide a doctor’s note to excuse the tardy.

BEFORE AND AFTER SCHOOL PROGRAMS

It is the responsibility of the parent to arrange pick-up, bus transportation, and/or care for your child after the instructional day ends. We have no after-school supervision available in the school office.

After school programs can benefit a child by providing additional enriched learning opportunities, social experiences, and extra learning support.

We have two after school programs that operate each day that school is in session.

Expanded Learning (CARE Club, formerly Project Kids Connect)

CARE Club is a free, district-run after school program for TK-6th grade students that operates until 6:00 p.m. on all days that school is in session. Enrollment is based on need and space availability. The program provides homework support, structured physical education to promote fitness and teamwork, and a variety of enrichment activities such as art, STEM, and other hands-on learning experiences.

Regular attendance is expected for all enrolled students in order to maintain program consistency and staffing ratios. Students may only be signed out during designated dismissal windows from 4:20-4:30 p.m. and 5:30-6:00 p.m. by an authorized adult listed in Aeries.

City of Costa Mesa R.O.C.K.S. Program

The City of Costa Mesa provides the R.O.C.K.S. program on our campus. This is an after school program until 6:00 p.m. for TK - 6th grade students. There is a weekly fee payable to the City of Costa Mesa. Students may be picked up any time before 6:00 p.m.

After School Enrichment Activities

We have numerous after school activities scheduled on particular days (e.g., Theater, Fall and Spring Enrichment Classes, and other after school activities). It is the parent’s responsibility to enroll your child in these special programs and pick up your child promptly.

Academic Enrichment for All Students

- Science Lab: Students in grades TK-6 participate in hands-on science instruction with a Science Specialist in our fully equipped Science Lab. Lessons promote inquiry, exploration, and problem solving through engaging learning experiences aligned to NGSS standards.
- Physical Education: Students in grades TK-6 participate in physical education activities and games that promote fitness, teamwork, sportsmanship, coordination, and healthy lifestyle habits.
- Theater: Students in grades TK-6 participate in theater instruction that introduces the fundamentals of acting, storytelling, collaboration, and creative expression through engaging and age appropriate activities.

E-bikes or E-scooters that are brought onto campus will be confiscated and parent pick-up will be required.

Students are encouraged to ride bicycles and will participate in annual bike safety training during the school day. Students may use a bicycle to come to or leave school, under the following conditions:

- The school is not responsible for the property damage resulting from needing to move items that are posing a safety concern and/or not parked in the designated area.

Reckless riding, failure to follow the direction of school personnel, or other serious riding violations will be decided by the school's administrator and may result in consequences or loss of parking privileges.

Skateboards and Non-motorized Scooters

Skateboarding is not allowed on the school campus at any time. Furthermore, skateboarding on campus represents a dangerous risk of injury and damage to property. Motorized skateboards or E-scooters are not allowed on campus at any time.

COMMUNICATION

Contacting the Classroom Teacher

Please make every effort to contact your student's teacher through [ParentSquare](#). As a reminder, teachers may not be able to respond during the instructional day. There is an expectation that teachers will respond in a timely manner. In case of emergencies, please contact the school office at 714-424-7945.

Contacting Your Student

Should you need to reach your student, please contact the school office and a message will be given to your child. Phone calls and messages cause an interruption to student learning. We make every effort to not interrupt the classrooms during the instructional day; however, emergency messages will be delivered as soon as possible.

Conferences

Conferences with your student's teacher are an important part of his or her education. There is nothing that can substitute for a face-to-face conference with the teacher to hear and share about the progress of your student. Fall

and Spring conferences are scheduled, but additional conferences may be arranged. Please make every effort to attend both Parent/Teacher Conferences. Please communicate to your teacher should you need a translator.

Campus Visits/Forgotten Items

For the safety of our students and staff, all visitors are required to check in at the office with a current driver's license to be cleared through the Raptor Visitor Management System. All classroom visits must be scheduled with the classroom teacher. Formal classroom observations/student monitoring must be scheduled with the principal.

Should a parent/guardian need to drop off forgotten materials, snack/lunch, assignments, etc. during the school day, please visit the school office to drop off the item(s). It is not our practice to call and disrupt learning in the classroom for receipt of forgotten items; our school office staff will do their very best to ensure that students receive their items in a timely manner.

Please label all lunches and snacks clearly with the student's name and teacher's name and leave them in the office for students to pick up during recess or lunchtime. Parents may not interrupt classes to deliver lunches or snacks, nor may they deliver items directly to students at the lunch tables.

For the safety of our students, we maintain a closed campus and parents may not join students at the lunch tables during the school day. Please note that soda, coffee, and other specialty beverages may not be delivered to students.

School/Home Communication

Our school district utilizes a variety of tools to ensure effective communication between students, parents, and teachers. The following platforms are used for TK-6 students:

- **Aeries Parent Portal:** For test scores, attendance, emergency contacts, and other information
- **ParentSquare:** Official communication system for teachers, school, and district to communicate with parents
- **Illuminate Home Connect:** For report cards and test scores
- **Schoology:** For course management, assignments, and classroom resources (see [Schoology Message to Parents](#))
- **Seesaw:** For TK-3 student portfolios and interactive family engagement

DISCIPLINE

In the Newport-Mesa USD, we closely follow the California Education Code for discipline. We believe in progressive discipline, with high levels of accountability and support, when appropriate. This can include a variety of interventions, including other means of correction and alternatives to suspension. When necessary and at the discretion of the site administrator, suspensions will also be used when a student's behavior and choices result in the need for such action. In the most significant and serious of incidences, a student may also be recommended for expulsion to the Office of Student Services.

To learn more about the specific disciplinary practices at your school, please contact your principal.

DRESS CODE

NMUSD Student Dress Guidelines

Appropriate dress contributes to a productive learning environment. Please reference Board Policy [5132.16](#) and Administrative Regulation [5132](#) for guidelines.

Killybrooke Dress Code

Students who violate the dress code may be asked to modify their appearance and, in some cases, may be sent home to change. We ask families to support the following expectations to help maintain a safe, respectful, and learning focused

school environment.

- Shoes must be worn at all times. The following footwear is not permitted: slippers or flip-flop type sandals, Crocs, heelys skate shoes, elevated heels, shoes that easily fall off or open-toed shoes.
- Clothing, logos, or accessories may not display images, words, or slogans that feature: hate speech, bigotry, profanity, or discrimination/derogatory connotations against any group; violence, gangs, tagging, weapons, or illegal activity; promotion of alcohol, tobacco, vaping, drugs, or adult content; or messaging that is explicitly negative about the learning process or others.
- Undergarments must be covered by outer clothing (ensuring full coverage of the midriff and back during normal school activities like sitting, raising hands, or playing).
- No spaghetti strap tops.
- Short shorts and short skirts are not allowed. The exact length will be the discretion of the teachers and administration.
- No wallet chains or chains hanging from clothing.
- Hats are allowed for protection from the sun. They must be worn forward and are not permitted indoors. Hoods or beanies are not to be worn indoors.

In summary, student clothing and appearance must not create a health or safety concern or cause a disruption to the educational process.

It is also strongly recommended that students in TK, kindergarten, and first grade keep a simple change of clothes in their cubby or backpack in the event of bathroom accidents, spills, or other unexpected situations.

FIELD TRIPS

Field trips/overnight trips provide valuable opportunities for students to enhance their learning experiences beyond the classroom. To ensure the success and safety of all participants, it is essential that students understand and agree to the behavior expectations before, during, and after field trips. Students who fail to adhere to the expectations may lose their privilege to participate in field trips. For more information, please contact the school.

All participating students must have parent permission completed in [ParentSquare](#) to attend the field trip. Your child's teacher will provide additional instructions about how to complete the parent permission form prior to the scheduled field trip.

All field trip volunteers must be approved as NMUSD volunteers. Any parent/guardian who is participating is considered a volunteer. Volunteers and chaperones will be coordinated in advance with names submitted to the site administrator.

Overnight Field Trip Chaperones Require Level 1 Clearance.

- Non-classroom volunteers with more than limited contact with students, who are not always directly supervised by a certificated employee
- Examples: volunteer coaches, mentors, paraprofessional counselors, overnight field trip chaperones
- Requirements:
 - 1. Provide a Tuberculosis (TB) assessment/test***
 - 2. Submit Fingerprints for a criminal background/records clearance prior to working with students

***Tuberculosis (TB) assessment/test: TB clearance must be obtained within the last 60 days

- Keep hands, feet, and objects to yourself.

Reference: Board Policy [6163.2](#) and Administrative Regulation [6163.2](#)

HEALTH OFFICE

The school nurse is the health expert at school and uses professional skills to promote the well-being and success of students. The health assistant also provides support to students under the direction of the school nurse. Please contact the school for more information or if your student has a health concern and you would like to consult with the school nurse. Check the [Health Services website](#) for more information.

Immunizations

The district follows State immunization laws which indicate specific immunizations that are required prior to school entry and for school participation through verification of a valid vaccine record. Personal or religious beliefs exemptions are no longer accepted in place of required vaccines.

Parents can upload immunization records through the Aeries parent portal for review. Please let your school nurse know when your student's immunizations are updated and if you have questions.

Medical Exemptions for Immunization Requirements

Under current California law, a doctor may issue a medical exemption for students whose medical circumstances are such that immunization is not considered safe under the standard of medical care. Medical exemptions can only be issued through the California Immunization Registry - Medical Exemption (CAIR-ME) website <https://cair.cdph.ca.gov/exemptions> by physicians licensed in California. An existing medical exemption on file at school will remain valid until the earliest of:

- When the student enrolls in the next grade span (Pre-K, TK/K-6th grade, 7th-12th grade)
- Revocation of the exemption by the appropriate authority

Oral Health Assessment

Oral health assessments are required during a student's first year of school (TK, Kindergarten, or 1st grade if no prior school attendance). This exam is to be conducted by a licensed dentist or other licensed dental professional and must be completed and submitted to school by May 31 of a student's first year. Schools can provide an Oral Health Assessment Form to be completed by student's dental care provider. Parents can opt out with a written request.

Independent Toileting

The district recognizes that some students may need occasional assistance with toileting and seeks to provide a supportive, hygienic, and inclusive environment for all students. Parents are encouraged to notify and collaborate with the school of attendance if their student does not use the toilet independently.

Medication and Medical Procedures

Medication and medical procedures at school require written authorization from the parent and the prescribing physician. Forms are available from the school or the [Health Services website](#). Medication must be in a pharmacy labeled container for the medication to be given at school. Over-the-counter medication and products also require written physician orders and must be provided in the original container. Please provide the school with extra medication for disaster preparation.

Illness Prevention and Health Checks Prior to School

School nurses work collaboratively with the Orange County Health Care Agency regarding communicable disease concerns at school. For the health and safety of students, and to minimize the potential spread of illness to students and staff, parents are asked to use the guidelines below to determine school attendance.

When should my child stay home and when can they return?

- Overall, not feeling well
 - Stay home if any new illness or symptom prevents a child from participating meaningfully in routine activities.
- Fever
 - Stay home if fever is of 100.4°F or higher
 - Return when fever went away overnight and is gone in the morning without the use of medications such as Tylenol, Advil, or Motrin (acetaminophen or ibuprofen).
- Vomiting
 - Stay home if vomiting has occurred 2 or more times in 24 hours. Recommend frequent handwashing.
 - Return when vomiting has ended overnight, and your child is able to hold down liquids and food.
- Diarrhea
 - Stay home if your child is unlikely to make it to the toilet in time (if potty trained), or any leaking could occur through clothing. Recommend frequent handwashing.
 - Return when improving.
- Sore throat
 - Stay home and seek medical attention for any difficulty breathing or swallowing, or continuous drooling. OK to attend with mild symptoms.
 - Return when improving. If an antibiotic is prescribed, take the first dose at least 12 hours before returning.
- Cold symptoms, such as cough, stuffy/runny nose, sneezing
 - Stay home and seek medical attention for severe symptoms, including a bad cough, difficulty breathing or trouble catching their breath, or wheezing when not controlled by medication. OK to attend with mild symptoms.
 - Return when improving. If your child will need medication after returning, contact the school site to let them know.
- Ear or eye irritation, including pink eye
 - Stay home and seek medical attention for difficulty seeing or hearing, an eye injury, or pain they cannot tolerate. OK to attend with mild symptoms. Recommend frequent hand washing.

- Return when improving.
- Rash
 - Stay home and seek medical attention if rash is worsening, causing pain, has blisters, or is not healing. OK to attend with mild symptoms.
 - Return when improving or as guided by health care provider. In general, for conditions such as lice, impetigo, ringworms, your child may return as soon as they start appropriate treatment.

This list is based on information provided from the California Department of Public Health. This should not be considered a comprehensive list of symptoms. Always consult your healthcare provider for health concerns.

Current Health and Contact Information

Up-to-date health information, phone and cell numbers are essential in case your student becomes ill or injured at school or if there is a disaster. We strive to maintain confidentiality of all health records. Health information may be shared with appropriate staff as necessary.

911 Calls

In emergency situations, school staff may contact emergency medical services (911) based on professional judgment. A school emergency 911 call may incur paramedic or ambulance fees to the family. Accident or health insurance may mitigate these costs.

Health Screenings

Health screenings are provided according to State requirements and when students are referred to the nurse. Vision and hearing screening are done at State required grade levels and when concerns are noted. Vision and hearing screenings can be waived by parents with a written request. The parent/guardian will be notified if areas of concern are found. Parents/guardians are invited to notify the nurse if they have concerns.

Medi-Cal Program for Local Education Agencies

The school district participates in the California Medi-Cal Program for Local Education Agencies. This allows reimbursement to the district with federal Medi-Caid funds for select medically necessary services provided to eligible students at school. These services may include speech and language therapy, occupational/physical therapy, transportation, mental health, and specialized physical health care services. In accordance with the local educational agency rules and guidelines, eligible student health data may be forwarded to the school district's billing agency, in accordance with confidentiality laws and Health Insurance Portability and Accountability Act (HIPAA) compliance. Services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents will not be billed for services by the school district.

LIBRARY

Welcome to NMUSD's school libraries, where every book is a gateway to adventure! We invite you to join us in nurturing a love for reading. Please encourage your child to be responsible when borrowing books by doing two things: handling all books with care and returning books on time.

- We expect students to keep books free from drawing, coloring, or snacks.
- Please use bookmarks for saving spots and preserving pages.
- Keep track of all library books (at your house or in your backpack) so they don't get lost.
- Return books on time. Depending on grade level, students can borrow one to three books at a time. When students return books on time (typically within a week) everyone has a chance to enjoy great books.
- Should a book go missing or get damaged, talk to your school librarian. Your librarian will be there with a friendly smile and a solution.

NUTRITION

Newport-Mesa Unified School District takes part in the National School Lunch and Breakfast Programs. All students may receive a breakfast and/or lunch from the cafeteria at no cost. Visit the Nutrition Services website to view menus and nutrition information: <https://web.nmusd.us/departments/nutrition-services>.

For questions or concerns, please contact Nutrition Services at 714-424-5090.

Reference: Administrative Regulations [3550](#) and [5141.27](#)

Breakfast is served from 8:00 AM - 8:22 AM in the cafeteria.

Student Birthday Policy

We love celebrating our students and making them feel special on their big day! To honor birthdays, we celebrate at Flag Deck. For health reasons, food allergies, and to maintain a focus on academics in the classroom, no food items or gift bags are to be brought into school to celebrate birthdays. In addition, birthday invitations are not permitted to be handed out by students during the school day.

If you wish to send something to celebrate your child's birthday, you may send a non-food item or recognize your child's birthday in one of the other ways listed below. Please remember that you must coordinate the time with the teacher in advance to ensure that drop off does not impact instruction for students.

Ideas for Birthday Recognitions that do not include food:

1. If your child wants to bring an item for each student, consider fun pencils, erasers, stickers, or other small tools they could use in class without causing a disruption to learning.
2. Donate a book to the school library through the PTA Birthday Book program. The book is presented to your child at flag deck and then donated to the school library after your child reads it.
3. Donate a book to your class library. Consider bringing it wrapped and unwrap it in front of the class. The student may personalize the gift by writing a message, dating it, and adding a photo to the inside cover.
4. If you don't want to donate a book, simply bring in one of your favorite books and ask to read it to the class. This is a wonderful way to celebrate something special about the child, but to also emphasize the importance of reading.

PARENT AND FAMILY ENGAGEMENT

Parent Teacher Association (PTA)

PTA (Parent Teacher Association) is an active group of caring parents who volunteer to support our through a variety of arts and academic enrichment programs, school events, supplemental materials for classrooms, and much more. Killybrooke Elementary Parent and Family Engagement Policy

Killybrooke Elementary School has developed a written Title I parent and family engagement policy with input from Title I parents and family members. The policy describes the means for carrying out the following Title I parent and family engagement requirements (20 USC 6318 Section 1118(c), (g) inclusive).

The school followed this process to develop the policy:

Current policy was developed by staff and School Site Council and has been in place for numerous years. The 2023-2024 School Site Council reviewed draft policy language.

The school distributes the policy to parents and family members of Title 1 students by doing the following:

The current policy is provided to parents through the parent handbook. The updated policy will be posted on the school website and in the parent handbook.

Involvement of Parents in the Title I Program To involve and engage parents and family members in the Title I program at Killybrooke Elementary, the following practices have been established:

1. Annual Meeting: The school convenes an annual meeting, at a convenient time, to which all parents of participating children shall be invited to attend and encouraged to attend, to inform parents and family members of their school's participation in the Title I program and to explain the requirements, and the right of the parents to be involved. (20 USC 6318 (c)(1))

PBIS (POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORTS)

Positive Behavioral Interventions and Supports is an evidence-based, three-tiered system to improve and integrate data, systems, and practices affecting daily student outcomes. Tier 1 practices and systems establish a foundation of regular, proactive support while preventing contextually inappropriate behaviors. These universal supports are provided to all students, school-wide. The foundation of PBIS is based on students' understanding of expected behaviors in all areas of the school.

Killybrooke Elementary uses the Positive Behavior Interventions and Supports (PBIS) approach. This is a research-based approach to teach and reinforce positive behavior and improve school climate for students. We have a matrix of

specific school wide behavioral expectations and a school wide system for recognizing and reinforcing positive behavior that was created collaboratively (staff, parents, students). The matrix is posted in all classrooms and parents will receive a copy at the beginning of the school year.

Killybrooke Students follow positive behavioral expectations. The School-Wide and Classroom Behavioral Expectations are displayed throughout the campus as a reminder to students.

At Killybrooke Elementary, students know to demonstrate the following behaviors at school:

Core Beliefs of PBIS:

1. Teach Expectations: Clearly teach expected behaviors.
2. Acknowledge Positive Behavior: Regularly recognize and reward positive behavior.
3. Correct Negative Behavior: Correct rather than punish misbehavior.
4. Use Data: Make decisions based on data.
5. Evidence-Based Practices: Implement strategies proven by research.

EDUCATIONAL RIGHTS & REQUIRED NOTICES

Dangerous Objects/Weapons

The Newport-Mesa Unified School District is committed to providing a safe school and working environment. Both California State Education Code and Newport Mesa Unified School District Board policy state that possession of a firearm, knife, explosive or other dangerous object of no reasonable use to students is grounds for expulsion.

Please be aware that all District schools will vigorously prosecute any student found to have a dangerous weapon or object in his/her possession while on school grounds or while attending an authorized school activity. Such prosecution will normally involve the applicable law enforcement agency and end with the student facing expulsion from the District.

Weapons and dangerous objects include, but are not limited to any firearm, stun gun, air gun, spring activated gun, toy guns (imitation firearms), slingshots, bludgeons, brass knuckles, any knife (including pocket knives and cutting blades), chains, clubs, stars, explosives, fireworks, etc. Also included are articles designed for other purposes but which could easily be used to inflict bodily harm and/or intimidate (examples are belts, files, compasses, Scissors, bats, etc.). The Federal Gun Free Schools Act requires that any student bringing a firearm to school is subject to one calendar year of expulsion and referral of the student to law enforcement.

Administrators or other delegated school officials will confiscate any article, when in their professional judgment such article may, in a given circumstance, be utilized as weapon or dangerous object.

When reasonable suspicion arises that use or possession of a pupil's property is illegal, illicit, disruptive, or a danger to the general welfare of pupils and staff, a search may be conducted of the pupil's person or personal property. Student lockers and desks are the property of the school and are subject to search.

Anyone who knows of a weapon on school grounds or at a school-sponsored or school-related activity is encouraged to immediately contact his/her teacher, the principal or any other available school employee.

For more information, please contact any assistant principal or principal of any school.

English Learner Supports/Reclassification

Language Acquisition Programs

NMUSD is required to provide a Structured English Immersion (SEI) program option for our English learner students. This is a language acquisition program for English learners in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. At minimum, students are offered English Language Development (ELD) and access to grade level academic subject matter content.

Newport-Mesa also offers two Dual Language Immersion (DLI) Programs: Mandarin Dual Immersion and Spanish Dual Immersion. For 2026-27, these programs begin in Kindergarten and continue to eleventh grade. To learn more about NMUSD dual immersion programs, please visit the [NMUSD Dual Immersion webpage](#).

Requesting a Language Acquisition Program

Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible and provide instruction to English learners based on the state-adopted academic content standards, including ELD standards.

Parents/Guardians may choose a language acquisition program that best suits their student. Schools in which the parents or legal guardians of 30 pupils or more per school or the parents or legal guardians of 20 pupils or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible.

Parents may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. If interested in a different program from those listed above, please contact the Director of Multilingual Programs at 949-515-6701 to ask about the process.

Parents of English learners have a right to decline or opt their children out of the school district's language acquisition program or opt out of particular English learner service(s) within a language acquisition program. However, districts remain obligated to provide the student meaningful instruction until the student is reclassified, inform the parent when progress is not made, and offer the parent programs and services to consider at that time.

Language Assessment

Every spring (February - May), English learner students take a test called the Summative English Language Proficiency Assessments for California (ELPAC). This test is part of the California assessment system and is aligned with California's English Language Development Standards. These standards make sure English learners have a high-quality program that will enable them to attain proficiency in English—developing the necessary skills and confidence in listening, speaking, reading, and writing— so they can be successful in the classroom.

The ELPAC measures the English language proficiency skills that students need to succeed in school. Your student's score report shows an overall score/performance level, consisting of oral language skills (speaking, listening) and written language skills (reading, writing).

The [NMUSD ELPAC webpage](#) has the following materials to help parents understand the ELPAC. These materials include:

- Sample Summative ELPAC Student Score Report
- ELPAC Parent Guide
- ELPAC Starting Smarter Resources

Reclassification (Exit) Criteria

How can my student qualify to reclassify as Fluent English Proficient (FEP)? The goal of language acquisition programs is for students to become proficient in English as rapidly and effectively as possible and to meet state academic achievement measures. The district's reclassification criteria are listed below:

	District Reclassification Criteria
English Language Proficiency Assessment	ELPAC: Overall Performance Level 4
Comparison of Performance in Basic Skills	SBAC Achievement Level of 4 (Standard Exceeded) or 3 (Standard Met) or mid-2 (Standard Nearly Met) <u>or</u> SBAC Lexile Level <u>or</u> STAR Lexile Level <u>or</u> DIBELS Composite Score
Teacher Evaluation	Teacher recommendation, based on report card grades
Parent Consultation	Parents/guardians have the opportunity to be involved in the reclassification process and provide an opinion through consultation with school staff

Homeless Liaison/McKinney Vento

Homeless Liaison

Homeless pupils have certain rights under California and United States law. For information concerning these rights, please contact the District's liaison for homeless children and youths, Christy Flores, who may be contacted at 714-424-7553 or cflores@nmusd.us.

McKinney-Vento Homeless Education Assistance Act

The McKinney-Vento Homeless Assistance Act is a federal legislation that ensures the educational rights and protections of children and youth experiencing homelessness. It requires all local educational agencies (LEAs) to ensure that homeless students have access to the same free, appropriate public education, including public preschools, as provided to other children and youth.

Does your living situation meet the definition of homelessness?

The McKinney-Vento Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. You may be considered homeless if you are:

Temporarily staying with other people, often called "doubled up", because you cannot afford to live alone. This can include sharing another person's house, such as a friend or relative, because you lost your housing or don't have another safe place to go.

- Staying in emergency housing, like emergency or transitional shelters. This can include domestic violence shelters, trailers provided by FEMA (Federal Emergency Management Agency), housing paid for by programs such as Rapid Re-Housing, transitional living facilities, etc.
- Staying in a hotel/motel, cars, parks or any public or private places not designed for humans to live in. This can include camping grounds, cars, or any place outside/not meant for human habitation (abandoned buildings, bus or train station).
- Staying in substandard housing or housing with inadequate space for the number of occupants.

Additional Definition:

If you are not living with your parent or guardian, you may be considered an Unaccompanied Youth.

Unsure if you are eligible? Contact the district McKinney-Vento liaison to see what services and supports may be available.

For more information, including rights and services, visit the McKinney-Vento Homeless Education Program website at www.nmusd.us/homeless or contact the district's McKinney-Vento liaison Christy Flores at cflores@nmusd.us or 714-424-7553.

Immigration Status of Pupils

Your Child has the Right to a Free Public Education

All children have a right to equal access to free public education, regardless of their or their parents' / guardians' immigration status.

All children in California:

- Have the right to a free public education.
- Must be enrolled in school if they are between 6 and 18 years old, unless otherwise exempt.
- Have the right to attend safe, secure, and peaceful schools.
- Have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
- Have equal opportunity to participate in any program or activity offered by the school without discrimination.

Information Required for School Enrollment

Schools must accept a variety of documents from the student's parent or guardian to demonstrate proof of child's age or residency and schools are not required to keep a copy of the document used as proof of a child's age.

Information about citizenship/immigration status is never needed for school enrollment. A Social Security number is never needed for school enrollment.

Confidentiality of Personal Information

Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.

Some schools collect and provide publicly basic student “directory information.” If so, the school district must provide parents/guardians with written notice of the directory information policy, and provide the option to refuse release of your child’s information.

Family Safety Plans if You Are Detained or Deported

You can update your child’s emergency contact information, including secondary contacts, to identify a trusted adult guardian who can care for your child if you are detained or deported.

You can complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person to give a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

Your child has the right to report a hate crime or file a complaint to the school district if he or she is discriminated against, harassed, intimidated or bullied because of their actual or perceived nationality, ethnicity, or immigration status.

For more information on resources for responding to immigration enforcement activities at California schools, or to file a complaint, please contact:

NMUSD Parent and Family Engagement Policy

The Board of Education recognizes that parents/guardians are their children’s first and most influential teachers and that sustained parent/guardian and family engagement in the education of their children contributes greatly to student achievement and a positive school environment. The Superintendent or designee shall consult with parents/guardians to develop meaningful opportunities for parents/guardians and to be involved in district and school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home.

Parents/guardians shall be notified of their rights to be informed about and to participate in their children’s education and of the opportunities available to them to do so.

The district’s Local Control and Accountability Plan (LCAP) shall include goals for parent/guardian involvement, as well as the actions, and services that support those goals. This includes district efforts to seek parent/guardian input in district and school site decision making and to promote parent/guardian participation in programs for English learners, foster youth, students eligible for free and reduced-price meals, and students with disabilities. (Education Code 42238.02, 52060)

The Superintendent or designee shall regularly evaluate and report to the Board on the effectiveness of the district’s parent/guardian and family engagement efforts, including, but not limited to, input from parents/guardians, and school staff on the adequacy of parent involvement opportunities and barriers that may inhibit parent/guardian participation.

The Superintendent or designee shall involve parents/guardians and family members of participating students in decisions regarding how the district's Title I funds will be allotted for parent/guardian and family engagement activities and shall ensure that priority is given to schools in high poverty areas in accordance with law. (20 USC 6318, 6631)

Expenditures of such funds shall be consistent with the activities specified in this policy and shall include at least one of the following: (20 USC 6318)

Civility Policy

It is the intent of the Board of Education to provide an orderly and safe learning environment in which students and adults feel comfortable, share the responsibility for maintaining a positive school climate, and take pride in their school, its achievements, and its environment.

This policy promotes mutual respect, civility, and orderly conduct among members of the school community including all employees, parents/guardians, students, and the public at all schools, district facilities, and at athletic and extracurricular events. This policy is not intended to deprive any person of his/her right to freedom of expression that is protected from governmental restriction on school grounds and district facilities/activities. Uncivil conduct does not include the expression of controversial or differing viewpoints.

The basic purpose of this policy is three-fold:

1. To promote a work and learning environment that is safe, productive, and nurturing for all staff and students, and to encourage the free flow of ideas without fear or intimidation
2. To provide our students with appropriate models for respectful problem-solving and conflict resolution

For purposes of this policy, uncivil conduct includes the following:

1. Directing vulgar, obscene, threatening, or profane gestures or verbal and/or written communications at another person.
2. Taunting, jeering, inciting others to taunt or jeer at a person.
3. Yelling at another person during a meeting or conference.

7. Gesturing in a manner that would put a reasonable person in fear for his/her personal safety.
8. Invading the personal space of a person after being directed to move away.
9. Physically blocking a person's entrance to or exit from a room or location.
10. Remaining in a classroom or school area after a teacher or administrator in authority has directed one to leave.
11. Conduct which is likely to interfere with the peaceful conduct of the activities of the campus or facility.

Persons who perceive they have been subjected to uncivil conduct will be urged to resolve their concerns through simple, direct, or assisted communication with the person(s) at the source of the concern. When this is not possible or appropriate, any person who needs help identifying and/or using appropriate problem-solving procedures may seek assistance from the school administrator. Persons are encouraged to work out issues of concern promptly, and preferably, no later than two days after an incident has occurred. No retaliation will be permitted against persons for working in good faith under this policy and its related administrative regulation to resolve concerns.

This policy seeks to promote a school and workplace culture of respect and civility. Severe or persistent acts of uncivil conduct may, however, violate other school rules, such as the district's policies against harassment and sexual harassment or specific conduct codes. Violation of such policies may result in discipline, removal from district facilities and events, adverse employment action, or criminal charges as applicable. State Testing/Level of Achievement

During the spring, students in grades 3-8 and 11 will take the annual state exams. Parents may annually submit to the school a written request to excuse their child from any or all parts of the CAASPP (California Assessment of Student Performance and Progress).

Parent resources for CAASPP are available at <https://ca.startingsmarter.org/>.

The District will provide timely information on the level of achievement of your student in each of the state academic assessments. More information regarding state testing results is available at <https://web.nmusd.us/departments/education-services/assessment/state-testing-results>.

STUDENT COMMITMENTS - The student will take responsibility for my learning, behavior, and choices by:

Being Ready for School

- I will come to school every day on time unless I am sick or have an important family reason (such as an emergency, appointment, or family event).
- I will do my best to get enough sleep so I can learn and participate.

Being Safe, Kind, and Respectful

- I will follow school rules by keeping hands, feet, and objects to myself, using kind and appropriate words, and solving problems without fighting.
- I will clean up after myself and take care of school spaces and materials.
- I will listen to adults on campus and follow directions—especially during recess, lunch, and emergencies.
- I will do my part to help our school feel welcoming and positive for everyone.

Being Responsible with Learning

- I will complete classwork and homework and turn it in on time.
- If something serious prevents me from finishing (such as illness, injury, emergencies, or important family reasons), I will communicate with my teacher so we can make a plan.
- I will use technology responsibly, safely, and only for school-appropriate activities.

Being a Growing Learner

- I will try my best each day, even when I am tired or having a hard day.
- I will ask for help when I need it and talk to my teacher if something is getting in the way of my learning.
- I will work to grow toward my own goals—academically, socially, and emotionally.
- I will return important messages, materials, and information to my family.
