EMERGENCY PROCEDURES & COMMUNICATION

In the case of an emergency at our schools, we ask that you please remember to look for official information from the school or district. We may deliver messages via school and district websites, [ParentSquare](#) (in-app notifications), email, phone, text and district social media accounts - [Facebook](#), [X](#), and [Instagram](#).

The District utilizes a layered safety approach that includes controlled campus access, visitor screening, security window film, security cameras, comprehensive school safety plans including emergency procedures, emergency alerting through Centegix CrisisAlert, and strong partnerships with local law enforcement agencies. Students and staff are trained in emergency procedures, and parents play a critical role by following District communication and reunification procedures during emergencies.

Parent Emergency Contact Information

Please ensure that we have your most accurate contact information on file in order to be able to effectively communicate with you during an emergency.

In the event that you move, you must verify your new address with your school's front office. Student and parent contact information can be updated throughout the year via the [Aeries Parent Portal](#). The school office cannot be responsible for making those changes.

Please contact your school to receive your student's confidential account information so that you may sign up for a portal account. If you are unable to create a portal account, please visit your child's school to update contact information.

Emergency Procedures

Our school has emergency procedures in our comprehensive school safety plan and conducts training with staff on a regular basis.

We have implemented the "I Love U Guys" Standard Response Protocol (SRP) and Standard Reunification Method (SRM). SRP provides five actions: Hold, Shelter, Secure, Lockdown, and Evacuate. SRM provides a structured process for safe student release following an emergency. Staff utilize the Centegix CrisisAlert system to immediately notify administration, site response team, students, and emergency responders, when appropriate, of emergencies.

In the event of an emergency requiring reunification, parents/guardians must report to the designated reunification location, present valid identification, and follow all staff instructions. Parents should not come to campus during a lockdown or active emergency unless directed by the District.

Safe and Secure Campus

We have a locked campus to ensure the safety and security of students and staff. If school is in session, your child must check in through the office and receive a tardy slip. Do not instruct your child to go directly to class. All parents and other visitors must enter through the front office.

The campus is open to parent volunteers and visitors. In accordance with state law, all visitors, volunteers, and contractors must check in through the District's visitor management system, present a valid government-issued ID, and wear a visible badge at all times.

This procedure gives us a chance to say "hello" to those we know, to meet those we do not know, and to make sure unauthorized access to the school does not compromise the safety of our students or teachers.

ACADEMICS

Academic Honesty

Students are expected to do their own work in an honest and forthright manner. Looking at another student's test paper, using cheat sheets, obtaining test answers, copying homework, and plagiarizing (copying from a book, magazine, a peer, or the internet) to complete an assignment or project are dishonest acts. Students who compromise their integrity in these ways will be subject to disciplinary action.

Additionally, using AI-powered digital tools to generate content that is presented as original work is a form of plagiarism. This includes having AI write essays, answer test questions, or paraphrase existing content without proper citation. Remember, schoolwork is about developing your own knowledge and critical thinking skills. If you're unsure whether a particular use of AI is acceptable, consult your teacher before proceeding. More information regarding citation and appropriate use of AI can be found [here](#).

Academic Intervention

School sites employ support teachers who work with students who need academic intervention. We use assessment to monitor student progress toward standards. We use a Student Study Team model to meet and plan interventions for students at the school site level.

Gifted and Talented Education

GATE (Gifted and Talented Education) is an educational program that offers learning opportunities aligned with students' identified needs and abilities. All Newport Mesa students are screened mid-year in grade 3 for qualification into the district's GATE program. Newport Mesa Unified School District offers a Gifted and Talented Education Program for eligible students beginning in grade 4. Classroom instruction begins with the grade level core curriculum and is differentiated based upon student need and ability. The development of critical thinking is emphasized.

Homework

Homework serves as an essential component of the learning process, designed to reinforce classroom instruction, promote independent learning and enhance academic skills. NMUSD believes that homework plays a valuable role in academic development and NMUSD policies reflect this belief. Please check with your student's teacher to learn more about their homework policy.

Homework Requests for Absent Students

NMUSD recognizes the importance of maintaining the continuity of learning, even when students are absent from class. Independent study options are available to support students in keeping up with missed coursework. Short-term independent study is offered to students who are going to be out for 1-15 days. Long term independent study is for students who plan to be out longer than 15 days. Please contact your student's school for more information.

Please make every effort to schedule vacations when school is not in session. If absences are unavoidable and you wish for your student to participate in short-term independent study, please email the teacher and office staff at least 3 school days in advance.

Following an illness, teachers will give reasonable time and help to the student in making up missed work. Parents may request assignments during an absence. Requests should be directed to the classroom teacher. Teachers will make every effort to get assignments to you as soon as possible. Requested homework will be left in the office for pickup.

Report Cards

Three times per year, report cards are issued for all students in grades TK-6. Students and Parents can access their report card online by logging into the NMUSD Illuminate Home Connect Portal via their ClassLink account.

ARRIVAL/DISMISSAL

Parking Lot Rules

Please remember to follow our traffic flow guidelines for the parking lot:

We ask that you do not double park or park in the red zones, in the parking lot, and in neighborhood streets. This is for the safety of our students and staff and we must keep these areas clear for emergency personnel, district buses, and delivery services.

Visitors/Families are asked to park off-site adjacent to the school. Parking on-site is reserved for staff. Please respect the neighbors and do not block their driveway access. Obey all parking and traffic signs.

Traffic Flow

Suggested Routes during Drop-Off and Pick-Up Times

Please note that the below are suggestions to mitigate vehicular congestion during these two traffic heavy times. They are compliant with traffic laws. We understand they may at times not be convenient for our families, but encourage them whenever possible.

- During drop-off and pick-up times, we encourage families to use Dover to Mariners to the parking lot as their route to school. Please see the illustration below. This will reduce the amount of traffic congestion at the Irvine and Mariners intersection during these two heavy traffic times.

- We also *encourage* families to turn right onto Irvine when driving from Mariners. Please see the illustration below. This, too, will reduce the amount of traffic congestion.

Bus Transportation

NMUSD offers fee-based bus transportation on a first-come, first-served basis for eligible students. All students are required to have a bus pass to ride the bus. Students are eligible if they attend their school of residence and meet mileage criteria. (Elementary students must live more than .75 miles from their home school.) For more information, contact the Transportation Department at (714) 424-5065 or visit the [NMUSD Transportation Department website](#).

Students are expected to observe the following guidelines:

- Always have your bus pass attached to your backpack and in your possession. If you lose your bus pass, your parent must go to Transportation to purchase a new one
- Always obey the driver's instructions
- Remain quiet and seated at all times

- Be polite to others
- Get on and off at your stop only
- Keep aisles and exits clear
- Food and drink are not permitted on the bus

Students in 3rd grade and below have “Must Be Met” on their bus pass and will be released ONLY to the adults listed in the Aeries database as emergency contacts. Parents are required to keep this information up-to-date by entering any changes in the Parent Portal.

Buses pick up and drop off at the Mariners Drive (Pembroke Gate).

Riding the bus is a privilege and students who do not follow the bus rules or the direction of the driver may lose their bus-riding privilege. The bus driver is the authority figure at all times when children are on the bus.

If a child demonstrates inappropriate behavior, a misconduct report will be sent home for parent signature.

1st Offense: Student will be counseled at the school and parent contacted.

2nd Offense: Student will be suspended from the bus for 1-5 days.

3rd Offense: Student will be suspended from the bus for the remainder of the trimester.

Please note that the bus departs school promptly after the 3:10 p.m. dismissal bell rings.

Crossing Guards

The City of Newport Beach provides a crossing guard before and immediately after school each day to assist our students. Please encourage your child to follow all safety laws. Crossing guards are at three different locations: Irvine Avenue (front of school), Mariners Drive(Pembroke gate), and Dover/Mariners Drive (by the park).

Morning Arrival

Gates open for students with staff supervision at 8:10 AM. Students may not be dropped off at school prior to staff supervision. Breakfast is available to all students at 8:10 in the cafeteria. If a student is not having breakfast they must report to their assigned area.

TK-K students should be dropped off by a guardian at the gate on Mariners Drive

1st grade students should line up on the playground in their assigned area.

2nd-6th grade students should report to the classroom.

8:25 School begins for TK/K; 8:30 am School Begins for grades 1-6-Students who are tardy must check in at the front office & receive a tardy slip.

Parents/guardians drop-off at the gates. Visitors and volunteers who wish to enter campus, must enter through the front door and use the Raptor Kiosk to sign in.

Afternoon Dismissal

After school students should either be picked-up by a parent/guardian/authorized delegate or proceed to after-school care. Students may be picked up at the main gate by the front office or at the Pembroke gates. There is no school-sponsored supervision available on the playground or in the office. If you would like information about after school care, please visit our website.

Early Departure

For the safety and protection of the students, no students are permitted to leave the school grounds at any time during the day unless they are on a school-sanctioned field trip or accompanied by a parent, guardian, or their delegate. Students will only be released to adults listed in Aeries as authorized Emergency Contacts. Please keep this information up to date. Students need to be signed out in the office on the sign-out sheet. To protect our students, please be prepared to show your identification. Please allow enough time for your child to pack their backpack and gather any homework.

ATTENDANCE

Students must arrive at school each day on time in order to maximize learning. Regular, punctual, and full day attendance is crucial and an important prerequisite for a student to make reasonable educational progress. This District recognizes the importance of regular attendance and requires the reason for each student's absence to be verified by the school.

California State Law requires that students attend school regularly and punctually. Academic success and a positive attitude towards school can usually be linked with good attendance. We recognize that there may be situations that result in a student's absence.

Absence(s) - How to Report

If a student is absent, parents must notify the school by telephone using the 24-hour Attendance Hotline (949) 515-6842. Please leave the following information when calling the hotline:

- Your name and relationship to the student
- Your student's name (first and last)
- Student's grade
- Date of absence(s)
- Reason for absence(s)

Whenever a student is absent from school or class, the actual reason for the absence shall be confirmed by a qualified school employee. **All absences must be verified to the office no later than three (3) school days after the absence.** If the absence is not verified, it will automatically be converted to a truancy ("cut").

A medical release for school re-entry may be required following an illness, chronic medical condition, surgery, possible contagious infection, or referral by the health office. Please also inform the classroom teacher and health office of any limitations or restrictions following an illness, surgery, broken bone, or other medical condition.

Additionally, it is requested that any planned absences be communicated to the office and teacher in advance, when possible. We also offer Short Term Independent Study for planned absences of 1 or more days. Please contact the school office for more information.

Tardiness

Arriving on time ensures that students fully participate in morning classroom routines and instruction that set the tone for a successful day of learning. To avoid being marked tardy, students must be safely in their designated morning line-up area when the bell rings to indicate the beginning of the instructional day. Tardy students must be signed in by their parent or guardian and must not enter school alone.

When students are rushed, late, and having a chaotic start to their day, they may not recover until after recess when they get the reset that allows them to start again, in a predictable manner. Please support a morning routine that allows students to start school on time and ready to learn.

Students should arrive at school before 8:25 a.m. for Transitional Kindergarten (TK) and Kindergarten, and before 8:30 a.m. for grades 1-6. Students are considered tardy if they are not in their classroom by the designated start time for their grade level. Any student who arrives late must check in at the front office to ensure they are not marked absent.

Habitual tardiness will result in a conference to develop an arrival plan.

Chronic Absence and Truancy

We believe that regular attendance is vital for your child's academic success. We are committed to fostering open communication with parents to address any attendance issues that may arise. Our attendance notification system is

designed to keep you informed and to work together in supporting your child's attendance.

If a student shows a pattern of chronic absenteeism due to illness, district staff may require physician verification of any further student absences.

FIRST NOTIFICATION OF TRUANCY

If your child has missed school without a valid excuse on three full days in one school year or has been tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, you will receive a "FIRST NOTIFICATION OF TRUANCY."

SECOND NOTIFICATION OF TRUANCY

If attendance has not improved since the issuance of the "FIRST NOTIFICATION OF TRUANCY", you will receive a "SECOND NOTIFICATION OF TRUANCY." A conference may be scheduled to discuss attendance concerns and develop strategies for improvement.

SCHEDULED CONFERENCE

After the issuance of the "SECOND NOTIFICATION OF TRUANCY," a conference may be scheduled with you and your child to address attendance concerns and collaborate on improvement strategies.

THIRD NOTIFICATION OF TRUANCY

If attendance has not improved since the "SECOND NOTIFICATION OF TRUANCY," and your child continues to miss school without a valid excuse, you will receive a "THIRD NOTIFICATION OF TRUANCY."

CHRONIC ABSENCE NOTIFICATION

Students who are chronically absent, missing 10% of their instructional days, will receive a "CHRONIC ABSENCE NOTIFICATION."

FIRST EXCESSIVE EXCUSED ABSENCE NOTIFICATION:

When your child has accumulated 5 excused absences, they will receive a "First Excessive Excused Absence Notification."

SECOND EXCESSIVE EXCUSED ABSENCE NOTIFICATION:

When your child has accumulated 10 excused absences, they will receive a "Second Excessive Excused Absence Notification."

We understand that there are unavoidable circumstances that may lead to absences. However, consistent attendance is essential for your child's academic progress. If you have any questions or concerns regarding attendance notifications, please don't hesitate to contact us.

Doctor Appointments or Dental Appointments

Appointments should be scheduled after school whenever possible. If you need to pick-up your child during the school day for a scheduled medical or dental appointment, please send a note to your child's teacher on the date of the appointment including the pick-up time. When you arrive, please use the sign-out sheet in the office to indicate your child's departure time. Students arriving at school late due to medical or dental appointments should provide a doctor's note to excuse the tardy.

Unexcused Absences / Vacations

The Newport-Mesa Unified School District is committed to providing each student a world-class education. This commitment can only be realized if all stakeholders, parents, students, and the school participate fully in the educational process. The academic school year consists of 180 days of instruction for students. In addition there are 30 student holidays during the 2026-27 school year. They are listed below for your reference.

[California Education Code Section 48205](#), states students may be excused from school for several reasons, including illness, medical or dental appointments, or attendance at a funeral. Additionally, absences are allowed for justifiable personal reasons, such as court appearances or religious observances, with the principal's approval. Students can also be excused for participation in certain civic or cultural events, as long as these absences meet specific criteria outlined by the school.

Absences for religious retreats (not exceeding four hours per semester) or other approved religious activities. Furthermore, students can be excused for serving on a jury or participating in an election as a precinct worker.

Absences For Religious Purposes (EC §§46014, 48980)

With your written consent, your child may be excused from school in order to participate in religious exercises or to receive moral and religious instruction at your child's place of worship or at other suitable place or places away from school property designated by the religious group. Your child may not be excused from school for this purpose on more than four days per school month.

COMMUNICATION

Our school administrator sends a monthly newsletter and other emails as needed to students' guardians via ParentSquare. Please ensure your email contact information is current in AERIES Parent Portal. Occasionally printed fliers and information may be sent home with students, please make sure to check their folders, binders, and/or backpacks for school communication.

Please sign up for the Sunday Reminder email from the PTA and Foundation to stay up-to-date on what is happening at Mariners. You can also visit us at our school website at <https://mariners.nmusd.us> and on Instagram @marinerselementaryschool. Also, don't forget to follow our PTA @marinerselementarypta and Mariners Foundation @marinerselementaryfoundation.

Addressing Concerns

Effective education is built upon open communication and trust between families and educators. Guardians are encouraged to communicate their concerns about their student by contacting their child's teacher. The teacher should be the first point of contact. If the concern is not resolved at this level, please contact the school principal.

Contacting the Classroom Teacher

Please make every effort to contact your student's teacher through [ParentSquare](#). As a reminder, teachers may not be able to respond during the instructional day. There is an expectation that teachers will respond in a timely manner. For more immediate assistance, please contact the school office at (949) 515-6960.

Contacting Your Student

Should you need to reach your student, please contact the school office and a message will be given to your child. Phone calls and messages cause an interruption to student learning. We make every effort to not interrupt the classrooms during the instructional day; however, emergency messages will be delivered as soon as possible.

Conferences

Conferences with your student's teacher are an important part of his or her education. There is nothing that can substitute for a face-to-face conference with the teacher to hear and share about the progress of your student. Fall and Spring conferences are scheduled, but additional conferences may be arranged. Please make every effort to attend both Parent/Teacher Conferences. Please communicate to your teacher should you need a translator.

Campus Visits/Forgotten Items

For the safety of our students and staff, all visitors are required to check in at the office with a current driver's license to be cleared through the Raptor Visitor Management System. All classroom visits must be scheduled with the classroom teacher. Formal classroom observations/student monitoring must be scheduled with the principal.

Should a parent/guardian need to drop off forgotten materials, snack/lunch, assignments, etc. during the school day, please visit the school office to drop off the item(s). It is not our practice to call and disrupt learning in the classroom for receipt of forgotten items; our school office staff will do their very best to ensure that students receive their items in a timely manner.

Lunches

Students may bring lunch from home or enjoy the free school lunch provided in the cafeteria each day. Families are encouraged to make lunch plans with their child before the start of the school day.

To minimize disruptions to learning and maintain campus security, food deliveries from services such as DoorDash, Uber Eats, Grubhub, or similar vendors are not permitted. The office is not able to accept or facilitate deliveries from food delivery services for students.

In addition, students may not bring or receive meals intended for groups of friends. Food brought to school by a guardian should be intended only for the individual student.

If a student forgets their lunch, they will always have access to a school meal. We will ensure that no child goes hungry.

Parents who need to drop off a forgotten lunch for their child should do so through the front office. Please note that office staff cannot interrupt instructional time to call classrooms or deliver messages regarding lunch drop-offs. Students may pick up their lunch during their scheduled lunch time.

- **Illuminate Home Connect:** For report cards and test scores
- **Schoology:** For course management, assignments, and classroom resources (see [Schoology Message to Parents](#))

DISCIPLINE

In the Newport-Mesa USD, we closely follow the California Education Code for discipline. We believe in progressive discipline, with high levels of accountability and support, when appropriate. This can include a variety of interventions, including other means of correction and alternatives to suspension. When necessary and at the discretion of the site administrator, suspensions will also be used when a student's behavior and choices result in the need for such action. In the most significant and serious of incidences, a student may also be recommended for expulsion to the Office of Student Services.

To learn more about the specific disciplinary practices at your school, please contact your principal.

FIELD TRIPS

Field trips/overnight trips provide valuable opportunities for students to enhance their learning experiences beyond the classroom. To ensure the success and safety of all participants, it is essential that students understand and agree to the behavior expectations before, during, and after field trips. Students who fail to adhere to the expectations may lose their privilege to participate in field trips. For more information, please contact the school.

All participating students must have parent permission completed in ParentSquare to attend the field trip. Your child's teacher will provide additional instructions about how to complete the parent permission form prior to the scheduled field trip.

All field trip volunteers must be approved as NMUSD volunteers. Any parent/guardian who is participating is considered a volunteer. Volunteers and chaperones will be coordinated in advance with names submitted to the site administrator.

Overnight Field Trip Chaperones Require Level 1 Clearance.

HEALTH OFFICE

The school nurse is the health expert at school and uses professional skills to promote the well-being and success of students. The health assistant also provides support to students under the direction of the school nurse. Please contact the school for more information or if your student has a health concern and you would like to consult with the school nurse. Check the [Health Services website](#) for more information.

Immunizations

The district follows State immunization laws which indicate specific immunizations that are required prior to school entry and for school participation through verification of a valid vaccine record. Personal or religious beliefs exemptions are no longer accepted in place of required vaccines.

Parents can upload immunization records through the Aeries parent portal for review. Please let your school nurse know when your student's immunizations are updated and if you have questions.

Medical Exemptions for Immunization Requirements

Under current California law, a doctor may issue a medical exemption for students whose medical circumstances are such that immunization is not considered safe under the standard of medical care. Medical exemptions can only be issued through the California Immunization Registry - Medical Exemption (CAIR-ME) website <https://cair.cdph.ca.gov/exemptions> by physicians licensed in California. An existing medical exemption on file at school will remain valid until the earliest of:

- When the student enrolls in the next grade span (Pre-K, TK/K-6th grade, 7th-12th grade)
- Revocation of the exemption by the appropriate authority

Oral Health Assessment

Oral health assessments are required during a student's first year of school (TK, Kindergarten, or 1st grade if no prior school attendance). This exam is to be conducted by a licensed dentist or other licensed dental professional and must be completed and submitted to school by May 31 of a student's first year. Schools can provide an Oral Health Assessment Form to be completed by student's dental care provider. Parents can opt out with a written request.

Independent Toileting

The district recognizes that some students may need occasional assistance with toileting and seeks to provide a supportive, hygienic, and inclusive environment for all students. Parents are encouraged to notify and collaborate with the school of attendance if their student does not use the toilet independently.

Medication and Medical Procedures

Medication and medical procedures at school require written authorization from the parent and the prescribing physician. Forms are available from the school or the [Health Services website](#). Medication must be in a pharmacy labeled container for the medication to be given at school. Over-the-counter medication and products also require written physician orders and must be provided in the original container. Please provide the school with extra medication for disaster preparation.

Illness Prevention and Health Checks Prior to School

School nurses work collaboratively with the Orange County Health Care Agency regarding communicable disease concerns at school. For the health and safety of students, and to minimize the potential spread of illness to students and staff, parents are asked to use the guidelines below to determine school attendance.

When should my child stay home and when can they return?

- Overall, not feeling well
 - Stay home if any new illness or symptom prevents a child from participating meaningfully in routine activities.
- Fever
 - Stay home if fever is of 100.4°F or higher
 - Return when fever went away overnight and is gone in the morning without the use of medications such as Tylenol, Advil, or Motrin (acetaminophen or ibuprofen).
- Vomiting
 - Stay home if vomiting has occurred 2 or more times in 24 hours. Recommend frequent handwashing.
 - Return when vomiting has ended overnight, and your child is able to hold down liquids and food.
- Diarrhea
 - Stay home if your child is unlikely to make it to the toilet in time (if potty trained), or any leaking could occur through clothing. Recommend frequent handwashing.
 - Return when improving.
- Sore throat
 - Stay home and seek medical attention for any difficulty breathing or swallowing, or continuous drooling. OK to attend with mild symptoms.
 - Return when improving. If an antibiotic is prescribed, take the first dose at least 12 hours before returning.
- Cold symptoms, such as cough, stuffy/runny nose, sneezing
 - Stay home and seek medical attention for severe symptoms, including a bad cough, difficulty breathing or trouble catching their breath, or wheezing when not controlled by medication. OK to attend with mild symptoms.
 - Return when improving. If your child will need medication after returning, contact the school site to let them know.
- Ear or eye irritation, including pink eye
 - Stay home and seek medical attention for difficulty seeing or hearing, an eye injury, or pain they cannot tolerate. OK to attend with mild symptoms. Recommend frequent hand washing.
 - Return when improving.
- Rash
 - Stay home and seek medical attention if rash is worsening, causing pain, has blisters, or is not healing. OK to attend with mild symptoms.
 - Return when improving or as guided by health care provider. In general, for conditions such as lice, impetigo, ringworms, your child may return as soon as they start appropriate treatment.

This list is based on information provided from the California Department of Public Health. This should not be considered a comprehensive list of symptoms. Always consult your healthcare provider for health concerns.

Current Health and Contact Information

Up-to-date health information, phone and cell numbers are essential in case your student becomes ill or injured at school or if there is a disaster. We strive to maintain confidentiality of all health records. Health information may be shared with appropriate staff as necessary.

911 Calls

In emergency situations, school staff may contact emergency medical services (911) based on professional judgment. A school emergency 911 call may incur paramedic or ambulance fees to the family. Accident or health insurance may mitigate these costs.

Health Screenings

Health screenings are provided according to State requirements and when students are referred to the nurse. Vision and hearing screening are done at State required grade levels and when concerns are noted. Vision and hearing screenings can be waived by parents with a written request. The parent/guardian will be notified if areas of concern are found. Parents/guardians are invited to notify the nurse if they have concerns.

Medi-Cal Program for Local Education Agencies

The school district participates in the California Medi-Cal Program for Local Education Agencies. This allows reimbursement to the district with federal Medi-Caid funds for select medically necessary services provided to eligible students at school. These services may include speech and language therapy, occupational/physical therapy, transportation, mental health, and specialized physical health care services. In accordance with the local educational agency rules and guidelines, eligible student health data may be forwarded to the school district's billing agency, in accordance with confidentiality laws and Health Insurance Portability and Accountability Act (HIPAA) compliance. Services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents will not be billed for services by the school district.

LIBRARY

Welcome to NMUSD's school libraries, where every book is a gateway to adventure! We invite you to join us in nurturing a love for reading. Please encourage your child to be responsible when borrowing books by doing two things: handling all books with care and returning books on time.

- We expect students to keep books free from drawing, coloring, or snacks.
- Please use bookmarks for saving spots and preserving pages.
- Keep track of all library books (at your house or in your backpack) so they don't get lost.
- Return books on time. Depending on grade level, students can borrow one to three books at a time. When students return books on time (typically within a week) everyone has a chance to enjoy great books.
- Should a book go missing or get damaged, talk to your school librarian. Your librarian will be there with a friendly smile and a solution.

Mariners Elementary School Parent and Family Engagement Policy

At Mariners Elementary School, we believe that meaningful parent and family engagement is essential to student achievement, well-being, and the success of our school community. This policy outlines how our school supports families as valued partners in the educational process. It reflects both our existing practices and recent feedback from our School Site Council to improve clarity, accessibility, and equity.

I. Communication Between School and Home

Mariners Elementary is committed to ensuring families are informed and connected. We share information in multiple ways, for example:

- Monthly school newsletters and broadcast messages (via phone, email, or text)
- Flyers, signage posted at school, and updates on our school website (as needed)
- School-wide platforms such as Aeries and Parent Squared (explained to families at the start of each year)

Key informational meetings and events include:

- Back-to-School Night and Open House
- Parent-Teacher Conferences twice a year
- PTA (Parent Teacher Association), SSC (School Site Council), ELAC (English Language Advisory Council, and Mariners Foundation meetings
- Coffee with the Administrators bi-annually

To support accessibility, we provide translation for written and spoken communication when possible and ensure that acronyms and school programs are clearly explained.

II. Encouraging Meaningful Participation

Mariners actively promotes inclusive opportunities for families to engage in their child's education:

- Volunteering in classrooms, supporting school events, or leading enrichment activities
- Participating in leadership groups such as PTA, SSC, Foundation, and ELAC
- Attending family engagement events including PTA events (BooFest, Movie Night, STEAM Night), Parent Education opportunities, and student performances.

We recognize that participation may be limited by work schedules, language barriers, or comfort navigating school systems. Therefore, we work to provide flexible scheduling, offer virtual options when feasible, and strive to include all voices in school activities and decisions.

III. Parent Rights and Shared Responsibility

Parents are informed of their rights and responsibilities at the beginning of each school year through our handbook and site and/or district correspondence. These include:

- Expectations outlined in the Mariners Code of Conduct and Discipline Procedures (beginning of the year or upon entry into Mariners)
- Guidance on school policies such as attendance, homework, and behavior (Back to School Night and the Fall Coffee with the Administrators)
- Contact information and how to access academic or social-emotional support services (Back to School Night and the Fall Coffee with the Administrators)

Mariners is committed to a shared responsibility for student success. We ask families to partner with us by monitoring attendance, encouraging homework completion, supporting positive behavior, and fostering a growth mindset at home.

IV. Supporting Student Learning at Home

We help families extend student learning beyond the classroom by providing:

- Grade-level academic overviews (Back to School Night and Conferences) and learning goals throughout the year
- Information about major projects and key instructional units
- Strategies and resources for home support, including access to parent/guardian curriculum resources, library books, and online tools

Teachers communicate regularly with families and are available for individual support. Homework is posted on digital platforms, and extra help is offered for students who need additional time or reinforcement.

V. Inclusion and Equity in Family Engagement

We are committed to inclusive practices that reduce barriers for all individuals, ensuring equitable access and support for those who may face challenges in engaging with our systems. Actions include:

- Translating essential communication and offering interpreter support at meetings
- Hosting events at varied times and in various formats
- Providing annual guides to school tools and resources (BTSN, Conferences, and Coffee with the Administrators)
- Distributing a list of support services early in the year—before challenges arise (Coffee with the Administrators and BTSN)

VI. Evaluation and Continuous Improvement

Each year, Mariners collects input from parents through surveys and school meetings to assess the quality of communication, engagement efforts, and academic support. The School Site Council reviews this feedback and updates the policy accordingly. We value the insights and perspectives of our families and remain committed to continuing our partnership with school-home connections.

At Mariners Elementary, we believe that strong family engagement builds a foundation for student success. By fostering open communication, inclusive practices, and meaningful collaboration, we aim to create a school community where every family feels informed, empowered, and connected to their child's learning journey.

PBIS (POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORTS)

Positive Behavioral Interventions and Supports is an evidence-based, three-tiered system to improve and integrate data, systems, and practices affecting daily student outcomes. Tier 1 practices and systems establish a foundation of regular, proactive support while preventing contextually inappropriate behaviors. These universal supports are provided to all students, school-wide. The foundation of PBIS is based on students' understanding of expected behaviors in all areas of the school.

Mariners Elementary uses the Positive Behavior Interventions and Supports (PBIS) approach. This is a research-based approach to teach and reinforce positive behavior and improve school climate for students. We have a matrix of specific school wide behavioral expectations and a school wide system for recognizing and reinforcing positive behavior that was created collaboratively (staff, parents, students). The matrix is posted in all classrooms and parents will receive a copy at the beginning of the school year.

Mariners Students follow positive behavioral expectations. The School-Wide and Classroom Behavioral Expectations are displayed throughout the campus as a reminder to students.

At Mariners Elementary, students know to demonstrate the following behaviors in order to show PRIDE at school:

Additional Behavior Supports:

In addition to these Tier 1 practices for all students, Tier 2 practices and systems are in place to support students who are at risk for developing more serious contextually inappropriate behaviors before those behaviors start. These supports help students develop the skills they need to be successful at school. Tier 3 supports are available for students requiring more intensive, individualized support to improve their behavioral and academic outcomes.

EDUCATIONAL RIGHTS & REQUIRED NOTICES

Dangerous Objects/Weapons

The Newport-Mesa Unified School District is committed to providing a safe school and working environment. Both California State Education Code and Newport Mesa Unified School District Board policy state that possession of a firearm, knife, explosive or other dangerous object of no reasonable use to students is grounds for expulsion.

Please be aware that all District schools will vigorously prosecute any student found to have a dangerous weapon or object in his/her possession while on school grounds or while attending an authorized school activity. Such prosecution will normally involve the applicable law enforcement agency and end with the student facing expulsion from the District.

Weapons and dangerous objects include, but are not limited to any firearm, stun gun, air gun, spring activated gun, toy guns (imitation firearms), slingshots, bludgeons, brass knuckles, any knife (including pocket knives and cutting blades), chains, clubs, stars, explosives, fireworks, etc. Also included are articles designed for other purposes but which could easily be used to inflict bodily harm and/or intimidate (examples are belts, files, compasses, Scissors, bats, etc.). The Federal Gun Free Schools Act requires that any student bringing a firearm to school is subject to one calendar year of expulsion and referral of the student to law enforcement.

Administrators or other delegated school officials will confiscate any article, when in their professional judgment such article may, in a given circumstance, be utilized as weapon or dangerous object.

When reasonable suspicion arises that use or possession of a pupil's property is illegal, illicit, disruptive, or a danger to the general welfare of pupils and staff, a search may be conducted of the pupil's person or personal property. Student lockers and desks are the property of the school and are subject to search.

Anyone who knows of a weapon on school grounds or at a school-sponsored or school-related activity is encouraged to immediately contact his/her teacher, the principal or any other available school employee.

For more information, please contact any assistant principal or principal of any school.

English Learner Supports/Reclassification

Language Acquisition Programs

NMUSD is required to provide a Structured English Immersion (SEI) program option for our English learner students. This is a language acquisition program for English learners in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. At minimum, students are offered English Language Development (ELD) and access to grade level academic subject matter content.

Newport-Mesa also offers two Dual Language Immersion (DLI) Programs: Mandarin Dual Immersion and Spanish Dual Immersion. For 2026-27, these programs begin in Kindergarten and continue to eleventh grade. To learn more about NMUSD dual immersion programs, please visit the [NMUSD Dual Immersion webpage](#).

Requesting a Language Acquisition Program

Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible and provide instruction to English learners based on the state-adopted academic content standards, including ELD standards.

Parents/Guardians may choose a language acquisition program that best suits their student. Schools in which the parents or legal guardians of 30 pupils or more per school or the parents or legal guardians of 20 pupils or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible.

Parents may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. If interested in a different program from those listed above, please contact the Director of Multilingual Programs at 949-515-6701 to ask about the process.

Parents of English learners have a right to decline or opt their children out of the school district's language acquisition program or opt out of particular English learner service(s) within a language acquisition program. However, districts remain obligated to provide the student meaningful instruction until the student is reclassified, inform the parent when progress is not made, and offer the parent programs and services to consider at that time.

Language Assessment

Every spring (February - May), English learner students take a test called the Summative English Language Proficiency Assessments for California (ELPAC). This test is part of the California assessment system and is aligned with California's English Language Development Standards. These standards make sure English learners have a high-quality program that will enable them to attain proficiency in English—developing the necessary skills and confidence in listening, speaking, reading, and writing— so they can be successful in the classroom.

The ELPAC measures the English language proficiency skills that students need to succeed in school. Your student's score report shows an overall score/performance level, consisting of oral language skills (speaking, listening) and written language skills (reading, writing).

The [NMUSD ELPAC webpage](#) has the following materials to help parents understand the ELPAC. These materials include:

- Sample Summative ELPAC Student Score Report
- ELPAC Parent Guide
- ELPAC Starting Smarter Resources

Reclassification (Exit) Criteria

How can my student qualify to reclassify as Fluent English Proficient (FEP)? The goal of language acquisition programs is for students to become proficient in English as rapidly and effectively as possible and to meet state academic achievement measures. The district's reclassification criteria are listed below:

	District Reclassification Criteria
English Language Proficiency Assessment	ELPAC: Overall Performance Level 4
Comparison of Performance in Basic Skills	SBAC Achievement Level of 4 (Standard Exceeded) or 3 (Standard Met) or mid-2 (Standard Nearly Met) <u>or</u> SBAC Lexile Level <u>or</u> STAR Lexile Level <u>or</u> DIBELS Composite Score
Teacher Evaluation	Teacher recommendation, based on report card grades
Parent Consultation	Parents/guardians have the opportunity to be involved in the reclassification process and provide an opinion through consultation with school staff

Homeless Liaison/McKinney Vento

Homeless Liaison

Homeless pupils have certain rights under California and United States law. For information concerning these rights, please contact the District's liaison for homeless children and youths, Christy Flores, who may be contacted at 714-424-7553 or cflores@nmusd.us.

McKinney-Vento Homeless Education Assistance Act

The McKinney-Vento Homeless Assistance Act is a federal legislation that ensures the educational rights and protections of children and youth experiencing homelessness. It requires all local educational agencies (LEAs) to ensure that homeless students have access to the same free, appropriate public education, including public preschools, as provided to other children and youth.

Does your living situation meet the definition of homelessness?

The McKinney-Vento Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. You may be considered homeless if you are:

Temporarily staying with other people, often called "doubled up", because you cannot afford to live alone. This can include sharing another person's house, such as a friend or relative, because you lost your housing or don't have another safe place to go.

- Staying in emergency housing, like emergency or transitional shelters. This can include domestic violence shelters, trailers provided by FEMA (Federal Emergency Management Agency), housing paid for by programs such as Rapid Re-Housing, transitional living facilities, etc.
- Staying in a hotel/motel, cars, parks or any public or private places not designed for humans to live in. This can include camping grounds, cars, or any place outside/not meant for human habitation (abandoned buildings, bus or train station).
- Staying in substandard housing or housing with inadequate space for the number of occupants.

Additional Definition:

If you are not living with your parent or guardian, you may be considered an Unaccompanied Youth.

Unsure if you are eligible? Contact the district McKinney-Vento liaison to see what services and supports may be available.

For more information, including rights and services, visit the McKinney-Vento Homeless Education Program website at www.nmusd.us/homeless or contact the district's McKinney-Vento liaison Christy Flores at cflores@nmusd.us or 714-424-7553.

Immigration Status of Pupils

Your Child has the Right to a Free Public Education

All children have a right to equal access to free public education, regardless of their or their parents'/ guardians' immigration status.

All children in California:

- Have the right to a free public education.
- Must be enrolled in school if they are between 6 and 18 years old, unless otherwise exempt.
- Have the right to attend safe, secure, and peaceful schools.
- Have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
- Have equal opportunity to participate in any program or activity offered by the school without discrimination.

Information Required for School Enrollment

Schools must accept a variety of documents from the student's parent or guardian to demonstrate proof of child's age or residency and schools are not required to keep a copy of the document used as proof of a child's age.

Information about citizenship/immigration status is never needed for school enrollment. A Social Security number is never needed for school enrollment.

Confidentiality of Personal Information

Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.

Some schools collect and provide publicly basic student “directory information.” If so, the school district must provide parents/guardians with written notice of the directory information policy, and provide the option to refuse release of your child’s information.

Family Safety Plans if You Are Detained or Deported

You can update your child’s emergency contact information, including secondary contacts, to identify a trusted adult guardian who can care for your child if you are detained or deported.

You can complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person to give a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

Your child has the right to report a hate crime or file a complaint to the school district if he or she is discriminated against, harassed, intimidated or bullied because of their actual or perceived nationality, ethnicity, or immigration status.

For more information on resources for responding to immigration enforcement activities at California schools, or to file a complaint, please contact:

- The Superintendent or designee shall:
- a. Ensure that the evaluation include the identification of barriers to greater participation in parent involvement activities, with particular attention to parents/guardians who are economically disadvantaged, are disabled, have limited English proficiency, have limited literacy, or are of any racial or ethnic minority background (20 USC 6318)

Civility Policy

It is the intent of the Board of Education to provide an orderly and safe learning environment in which students and adults feel comfortable, share the responsibility for maintaining a positive school climate, and take pride in their school, its achievements, and its environment.

This policy promotes mutual respect, civility, and orderly conduct among members of the school community including all employees, parents/guardians, students, and the public at all schools, district facilities, and at athletic and extracurricular events. This policy is not intended to deprive any person of his/her right to freedom of expression that is protected from governmental restriction on school grounds and district facilities/activities. Uncivil conduct does not include the expression of controversial or differing viewpoints.

The basic purpose of this policy is three-fold:

1. To promote a work and learning environment that is safe, productive, and nurturing for all staff and students, and to encourage the free flow of ideas without fear or intimidation
2. To provide our students with appropriate models for respectful problem-solving and conflict resolution
3. To reduce the potential triggers for violent conduct, such as fear, anger, frustration, and alienation, especially by making problem-solving procedures and alternatives to violence readily accessible to both students and adults

For purposes of this policy, uncivil conduct includes the following:

1. Directing vulgar, obscene, threatening, or profane gestures or verbal and/or written communications at another person.
2. Taunting, jeering, inciting others to taunt or jeer at a person.
3. Yelling at another person during a meeting or conference.
4. Repeatedly interrupting another person who is speaking at an appropriate time and place.
5. Imposing personal demands at times or in settings where they conflict with another's assigned duties, supervision responsibilities, and established practices.
6. Using racial/ethnic, religious, religion, gender, color, sexual, sexuality, or disability epithets.
7. Gesturing in a manner that would put a reasonable person in fear for his/her personal safety.
8. Invading the personal space of a person after being directed to move away.
9. Physically blocking a person's entrance to or exit from a room or location.
10. Remaining in a classroom or school area after a teacher or administrator in authority has directed one to leave.
11. Conduct which is likely to interfere with the peaceful conduct of the activities of the campus or facility.

Persons who perceive they have been subjected to uncivil conduct will be urged to resolve their concerns through simple, direct, or assisted communication with the person(s) at the source of the concern. When this is not possible or appropriate, any person who needs help identifying and/or using appropriate problem-solving procedures may seek assistance from the school administrator. Persons are encouraged to work out issues of concern promptly, and preferably, no later than two days after an incident has occurred. No retaliation will be permitted against persons for working in good faith under this policy and its related administrative regulation to resolve concerns.

This policy seeks to promote a school and workplace culture of respect and civility. Severe or persistent acts of uncivil conduct may, however, violate other school rules, such as the district's policies against harassment and sexual harassment or specific conduct codes. Violation of such policies may result in discipline, removal from district facilities and events, adverse employment action, or criminal charges as applicable. Nothing in this policy is intended to interfere with the ability of school officials to maintain order and discipline in the schools or to enforce school rules and applicable laws.
