EMERGENCY PROCEDURES & COMMUNICATION

In the case of an emergency at our schools, we ask that you please remember to look for official information from the school or district. We may deliver messages via school and district websites, [ParentSquare](#) (in-app notifications), email, phone, text and district social media accounts - [Facebook](#), [X](#), and [Instagram](#).

The District utilizes a layered safety approach that includes controlled campus access, visitor screening, security window film, security cameras, comprehensive school safety plans including emergency procedures, emergency alerting through Centegix CrisisAlert, and strong partnerships with local law enforcement agencies. Students and staff are trained in emergency procedures, and parents play a critical role by following District communication and reunification procedures during emergencies.

Parent Emergency Contact Information

Please ensure that we have your most accurate contact information on file in order to be able to effectively communicate with you during an emergency.

In the event that you move, you must verify your new address with your school's front office. Student and parent contact information can be updated throughout the year via the [Aeries Parent Portal](#). The school office cannot be responsible for making those changes.

Please contact your school to receive your student's confidential account information so that you may sign up for a portal account. If you are unable to create a portal account, please visit your child's school to update contact information.

Emergency Procedures

Our school has emergency procedures in our comprehensive school safety plan and conducts training with staff on a regular basis.

We have implemented the "I Love U Guys" Standard Response Protocol (SRP) and Standard Reunification Method (SRM). SRP provides five actions: Hold, Shelter, Secure, Lockdown, and Evacuate. SRM provides a structured process for safe student release following an emergency. Staff utilize the Centegix CrisisAlert system to immediately notify administration, site response team, students, and emergency responders, when appropriate, of emergencies.

In the event of an emergency requiring reunification, parents/guardians must report to the designated reunification location, present valid identification, and follow all staff instructions. Parents should not come to campus during a lockdown or active emergency unless directed by the District.

Safe and Secure Campus

We have a locked campus to ensure the safety and security of students and staff. If school is in session, your child must check in through the office and receive a tardy slip. Do not instruct your child to go directly to class. All parents and other visitors must enter through the front office.

The campus is open to parent volunteers and visitors. In accordance with state law, all visitors, volunteers, and contractors must check in through the District's visitor management system, present a valid government-issued ID, and wear a visible badge at all times.

This procedure gives us a chance to say "hello" to those we know, to meet those we do not know, and to make sure unauthorized access to the school does not compromise the safety of our students or teachers.

ACADEMICS

Academic Honesty

Students are expected to do their own work in an honest and forthright manner. Looking at another student's test paper, using cheat sheets, obtaining test answers, copying homework, and plagiarizing (copying from a book, magazine, a peer, or the internet) to complete an assignment or project are dishonest acts. Students who compromise their integrity in these ways will be subject to disciplinary action.

Additionally, using AI-powered digital tools to generate content that is presented as original work is a form of plagiarism. This includes having AI write essays, answer test questions, or paraphrase existing content without proper citation. Remember, schoolwork is about developing your own knowledge and critical thinking skills. If you're unsure whether a particular use of AI is acceptable, consult your teacher before proceeding. More information regarding citation and appropriate use of AI can be found [here](#).

Academic Intervention

School sites employ support teachers who work with students who need academic intervention. We use assessment to monitor student progress toward standards. We use a Student Study Team model to meet and plan interventions for students at the school site level.

AVID - Advancement Via Individual Determination

Rea School is a certified AVID School. AVID stands for Advancement Via Individual Determination. AVID Elementary is a systematic approach to building college readiness in the elementary grades. Students may choose to join AVID classes in the middle and high school level to continue their college readiness experiences. Students at an AVID elementary school develop the academic habits they will need to be successful in middle school, high school, and college, in an age-appropriate and challenging way. Through AVID strategies, students learn about organization, study skills, and communication. AVID Elementary students take structured notes and answer and ask high-level questions that go beyond routine answers. Our strong college-going culture on the Rea Elementary campus encourages students to think about their college and career plans. Parents are encouraged to participate in the AVID Family Nights offered throughout the school year.

Gifted and Talented Education

GATE (Gifted and Talented Education) is an educational program that offers learning opportunities aligned with students' identified needs and abilities. All Newport Mesa students are screened mid-year in grade 3 for qualification into the district's GATE program. Newport Mesa Unified School District offers a Gifted and Talented Education Program for eligible students beginning in grade 4. Classroom instruction begins with the grade level core curriculum and is differentiated based upon student need and ability. The development of critical thinking is emphasized.

Homework

Homework serves as an essential component of the learning process, designed to reinforce classroom instruction, promote independent learning and enhance academic skills. NMUSD believes that homework plays a valuable role in academic development and NMUSD policies reflect this belief. Please check with your student's teacher to learn more about their homework policy.

Homework Requests for Absent Students

NMUSD recognizes the importance of maintaining the continuity of learning, even when students are absent from class. Independent study options are available to support students in keeping up with missed coursework. Short-term independent study is offered to students who are going to be out for 1-15 days. Long term independent study is for students who plan to be out longer than 15 days. Please contact your student's school for more information.

Report Cards

Three times per year, report cards are issued for all students in grades TK-6. Students and Parents can access their report card online by logging into the NMUSD Illuminate Home Connect Portal via their ClassLink account.

ARRIVAL/DISMISSAL

Parking Lot Rules

The arrival and dismissal times are very busy in front of our school and our highest priority is ensuring safety for all. Safety is our highest priority. Please follow the parking lot procedures to help keep all of our students, families, and staff safe.

We need all parents to follow these procedures. As a school community, we depend on one another to follow these procedures so that every child can arrive and leave school each day being safe and secure. We realize that many feel a sense of urgency to drop off or pick up their children as quickly as possible, and while we want to be sensitive to adult needs, our first priority is the safety of every child and adult on our campus.

There is a **Car Drop Off Lane** that begins near the side gate (enter off of Hamilton). If you are using the **Car Drop Off Lane**, drivers may not exit the car. Drivers need to stop the car in the lane when they reach the end of the sidewalk or behind the car in front of you. Do not stop before you get to the sidewalk. Pull all the way down to allow other cars in behind you. **Students need to exit the car on the same side as the sidewalk and walk on the sidewalk to the entrance gate.**

Drivers may not leave their car in the **Car Drop Off Lane** at any time.

If you wish to walk your child to the gate, you need to park your car in a designated parking spot and then use the crosswalk to reach the sidewalk to the entrance gate.

At pick up time, the Car Drop Off Lane becomes the Car Pick Up Lane. Parents picking up by car must follow the same procedures. Drive all the way up into the lane to stop and wait. Parents may not get out of the car if in the Car Pick Up Lane. Parents may park in a designated parking space and use the sidewalk to walk to the gate to pick up their student.

The curb along Hamilton Street is red. This means that cars should not park nor stop to let students off at any time.

It is important that we all work together to maintain a safe parking lot and drop off/pick up areas. Thank you for your cooperation.

Traffic Flow

Bus Transportation

NMUSD offers fee-based bus transportation on a first-come, first-served basis for eligible students. All students are required to have a bus pass to ride the bus. Students are eligible if they attend their school of residence and meet mileage criteria. (Elementary students must live more than .75 miles from their home school.) For more information, contact the Transportation Department at (714) 424-5065 or visit the [NMUSD Transportation Department website](#).

Students are expected to observe the following guidelines:

- Always have your bus pass attached to your backpack and in your possession. If you lose your bus pass, your parent must go to Transportation to purchase a new one
- Always obey the driver's instructions
- Remain quiet and seated at all times
- Be polite to others
- Get on and off at your stop only
- Keep aisles and exits clear
- Food and drink are not permitted on the bus

Students in 3rd grade and below have "Must Be Met" on their bus pass and will be released ONLY to the adults listed in the Aeries database as emergency contacts. Parents are required to keep this information up-to-date by entering any changes in the Parent Portal.

The bus stop location for Rea Elementary is at the BESST Center on Meyer Place, outside of the gate to the Rea Soccer Field. Rea Staff is on duty to supervise the bus arrival and departure each day.

Crossing Guards

There are crossing guards at the intersections of Hamilton Street and Meyer Place and the corner of Pomona Avenue and Hamilton Street to assist students and families with crossing the street safely when walking to and from school.

Morning Arrival

Students may arrive at school starting at 7:30am, when student supervision begins. Students enter through the side gate and enter the MPR for breakfast and indoor quiet time (they can bring a book or homework). Students are dismissed from the MPR to play on the playground after 8am depending on weather.

Please do not drop off your child(ren) before supervision begins. There is no adult supervision before 7:30am. Parents will be called to come to school to pick up their students who are waiting in front of the school without adult supervision.

For student safety, students arriving late to school must be signed in by an adult in the school office.

Afternoon Dismissal

2nd-3rd Grade

School is dismissed at 2:42pm Monday, Tuesday, Thursday and Friday for 2nd-3rd grade students. School is dismissed at 1:20pm on Wednesdays and minimum days. Students in 2nd-3rd grade are dismissed at the front gates (the gates between the office front door and the MPR). 2nd-3rd grade students must be picked up no later than 2:50pm (1:30pm on Wednesdays). Parents will be called to come to school to pick up their students who are waiting in front of the school without adult supervision.

4th-6th Grade

School is dismissed at 2:47pm for 4th-6th grade students. Students in 4th-6th grades are dismissed at the side gate. 4th-6th grade students must be picked up no later than 2:55pm (1:35pm on Wednesdays). Parents will be called to come to school to pick up their students who are waiting in front of the school without adult supervision.

2nd-6th Grade

Students who are enrolled in the after school program will transition directly to the after school program at dismissal. Students who ride the bus home walk to the campus bus pick up/drop off location outside the gate on the soccer field.

Early Departure

For the safety and protection of the students, no students are permitted to leave the school grounds at any time during the day unless they are on a school-sanctioned field trip or accompanied by a parent, guardian, or their delegate. Students will only be released to adults listed in Aeries as authorized Emergency Contacts. Please keep this information up to date. Students need to be signed out in the office on the sign-out sheet. To protect our students, please be prepared to show your identification. Please allow enough time for your child to pack their backpack and gather any homework.

ATTENDANCE

Absence(s) - How to Report

If a student is absent, parents must notify the school by telephone using the 24-hour Attendance Hotline (949) 515-6905 option 2. Please leave the following information when calling the hotline:

- Your name and relationship to the student
- Your student's name (first and last)
- Student's grade
- Date of absence(s)
- Reason for absence(s)

Whenever a student is absent from school or class, the actual reason for the absence shall be confirmed by a qualified school employee. **All absences must be verified to the office no later than three (3) school days after the absence.** If the absence is not verified, it will automatically be converted to a truancy ("cut").

A medical release for school re-entry may be required following an illness, chronic medical condition, surgery, possible contagious infection, or referral by the health office. Please also inform the classroom teacher and health office of any limitations or restrictions following an illness, surgery, broken bone, or other medical condition.

Additionally, it is requested that any planned absences be communicated to the office and teacher in advance, when possible. We also offer Short Term Independent Study for planned absences of 1 or more days. Please contact the school office for more information.

Tardiness

It is important to be at school on time, every day.

Arriving on time ensures that students fully participate in morning classroom routines and instruction that set the tone for a successful day of learning. To avoid being marked tardy, students must be safely in their designated morning line-up area when the bell rings to indicate the beginning of the instructional day. Tardy students must be signed in by their parent or guardian and must not enter school alone.

Students should arrive at school before 8:10am when instruction begins. Students may arrive starting at 7:30am for breakfast and activities/play before the school day begins. When the 8:10am bell rings, the arrival gate is closed and students must be signed in by a parent or guardian through the office.

Every minute of instructional time counts to help your child meet grade level standards. As a school, we need you to ensure that your child arrives at school on time each day so that your child receives the full instructional program. If there are circumstances that make it difficult for your child to attend school every day and arrive on time, please contact our School Community Facilitator to set up a time for us to meet with you to discuss possible solutions.

Chronic Absence and Truancy

We believe that regular attendance is vital for your child's academic success. We are committed to fostering open communication with parents to address any attendance issues that may arise. Our attendance notification system is designed to keep you informed and to work together in supporting your child's attendance.

If a student shows a pattern of chronic absenteeism due to illness, district staff may require physician verification of any further student absences.

FIRST NOTIFICATION OF TRUANCY

If your child has missed school without a valid excuse on three full days in one school year or has been tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof, you will receive a "FIRST NOTIFICATION OF TRUANCY."

SECOND NOTIFICATION OF TRUANCY

If attendance has not improved since the issuance of the "FIRST NOTIFICATION OF TRUANCY," you will receive a "SECOND NOTIFICATION OF TRUANCY." A conference may be scheduled to discuss attendance concerns and develop strategies for improvement.

SCHEDULED CONFERENCE

After the issuance of the "SECOND NOTIFICATION OF TRUANCY," a conference may be scheduled with you and your child to address attendance concerns and collaborate on improvement strategies.

THIRD NOTIFICATION OF TRUANCY

If attendance has not improved since the "SECOND NOTIFICATION OF TRUANCY," and your child continues to miss school without a valid excuse, you will receive a "THIRD NOTIFICATION OF TRUANCY."

CHRONIC ABSENCE NOTIFICATION

Students who are chronically absent, missing 10% of their instructional days, will receive a "CHRONIC ABSENCE NOTIFICATION."

FIRST EXCESSIVE EXCUSED ABSENCE NOTIFICATION:

When your child has accumulated 5 excused absences, they will receive a “First Excessive Excused Absence Notification.”

SECOND EXCESSIVE EXCUSED ABSENCE NOTIFICATION:

When your child has accumulated 10 excused absences, they will receive a “Second Excessive Excused Absence Notification.”

We understand that there are unavoidable circumstances that may lead to absences. However, consistent attendance is essential for your child’s academic progress. If you have any questions or concerns regarding attendance notifications, please don’t hesitate to contact us.

Doctor Appointments or Dental Appointments

Appointments should be scheduled after school whenever possible. If you need to pick-up your child during the school day for a scheduled medical or dental appointment, please send a note to your child’s teacher on the date of the appointment including the pick-up time. When you arrive, please use the sign-out sheet in the office to indicate your child’s departure time. Students arriving at school late due to medical or dental appointments should provide a doctor’s note to excuse the tardy.

Unexcused Absences / Vacations

The Newport-Mesa Unified School District is committed to providing each student a world-class education. This commitment can only be realized if all stakeholders, parents, students, and the school participate fully in the educational process. The academic school year consists of 180 days of instruction for students. In addition there are 30 student holidays during the 2026-27 school year. They are listed below for your reference.

September 7, 2026	Labor Day

Excused Absences (EC §§48205, 48980)

[California Education Code Section 48205](#), states students may be excused from school for several reasons, including illness, medical or dental appointments, or attendance at a funeral. Additionally, absences are allowed for justifiable personal reasons, such as court appearances or religious observances, with the principal’s approval. Students can also be excused for participation in certain civic or cultural events, as long as these absences meet specific criteria outlined by the school.

The law also provides for absences due to a student’s role as a parent for their own child’s medical appointment. Absences for religious retreats (not exceeding four hours per semester) or other approved religious activities. Furthermore, students can be excused for serving on a jury or participating in an election as a precinct worker.

Students excused under these provisions are allowed to make up missed work, and excused absences will not affect their enrollment status.

Absences For Religious Purposes (EC §§46014, 48980)

With your written consent, your child may be excused from school in order to participate in religious exercises or to receive moral and religious instruction at your child's place of worship or at other suitable place or places away from school property designated by the religious group. Your child may not be excused from school for this purpose on more than four days per school month.

Education Code §48205

(a) Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:

- (1) Due to the pupil's illness, including an absence for the benefit of the pupil's mental or behavioral health.
 - (2) Due to quarantine under the direction of a county or city health officer.
 - (3) For purposes of having medical, dental, optometrical, or chiropractic services rendered.
 - (4) For purposes of attending the funeral services or grieving the death of either a member of the pupil's immediate family, or of a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, so long as the absence is not more than five days per incident.
 - (5) For purposes of jury duty in the manner provided for by law.

COMMUNICATION

Contacting the Classroom Teacher

Please make every effort to contact your student's teacher through [ParentSquare](#). As a reminder, teachers may not be able to respond during the instructional day. There is an expectation that teachers will respond in a timely manner. In case of emergencies, please contact the school office at (949) 515-6905.

Contacting Your Student

Should you need to reach your student, please contact the school office and a message will be given to your child. Phone calls and messages cause an interruption to student learning. We make every effort to not interrupt the classrooms during the instructional day; however, emergency messages will be delivered as soon as possible.

* See also cellphone policy

Conferences

Conferences with your student's teacher are an important part of his or her education. There is nothing that can substitute for a face-to-face conference with the teacher to hear and share about the progress of your student. Fall

and Spring conferences are scheduled, but additional conferences may be arranged. Please make every effort to attend both Parent/Teacher Conferences. Please communicate to your teacher should you need a translator.

Campus Visits/Forgotten Items

For the safety of our students and staff, all visitors are required to check in at the office with a current driver's license to be cleared through the Raptor Visitor Management System. All classroom visits must be scheduled with the classroom teacher. Formal classroom observations/student monitoring must be scheduled with the principal.

Should a parent/guardian need to drop off forgotten materials, snack/lunch, assignments, etc. during the school day, please visit the school office to drop off the item(s). It is not our practice to call and disrupt learning in the classroom for receipt of forgotten items; our school office staff will do their very best to ensure that students receive their items in a timely manner.

Please label lunches and snacks very clearly with the student's name and the teacher's and leave it in the office for students to pick-up during recess or lunch time. Parents may not interrupt classes to drop off lunches nor deliver to students at the lunch tables. For the safety of our students, we have a closed campus and parents cannot join their student at the school lunch tables, but you are always welcome to check your student out to enjoy lunch off campus.

School/Home Communication

Our school district utilizes a variety of tools to ensure effective communication between students, parents, and teachers. The following platforms are used for TK-6 students:

- **Aeries Parent Portal:** For test scores, attendance, emergency contacts, and other information
- **ParentSquare:** Official communication system for teachers, school, and district to communicate with parents
- **Illuminate Home Connect:** For report cards and test scores
- **Schoology:** For course management, assignments, and classroom resources (see [Schoology Message to Parents](#))
- **Seesaw:** For TK-3 student portfolios and interactive family engagement

DISCIPLINE

In the Newport-Mesa USD, we closely follow the California Education Code for discipline. We believe in progressive discipline, with high levels of accountability and support, when appropriate. This can include a variety of interventions, including other means of correction and alternatives to suspension. When necessary and at the discretion of the site administrator, suspensions will also be used when a student's behavior and choices result in the need for such action. In the most significant and serious of incidences, a student may also be recommended for expulsion to the Office of Student Services.

To learn more about the specific disciplinary practices at your school, please contact your principal.

HEALTH OFFICE

The school nurse is the health expert at school and uses professional skills to promote the well-being and success of students. The health assistant also provides support to students under the direction of the school nurse. Please contact the school for more information or if your student has a health concern and you would like to consult with the school nurse. Check the [Health Services website](#) for more information.

Immunizations

The district follows State immunization laws which indicate specific immunizations that are required prior to school entry and for school participation through verification of a valid vaccine record. Personal or religious beliefs exemptions are no longer accepted in place of required vaccines.

Parents can upload immunization records through the Aeries parent portal for review. Please let your school nurse know when your student's immunizations are updated and if you have questions.

Medical Exemptions for Immunization Requirements

Under current California law, a doctor may issue a medical exemption for students whose medical circumstances are such that immunization is not considered safe under the standard of medical care. Medical exemptions can only be issued through the California Immunization Registry - Medical Exemption (CAIR-ME) website <https://cair.cdph.ca.gov/exemptions> by physicians licensed in California. An existing medical exemption on file at school will remain valid until the earliest of:

- When the student enrolls in the next grade span (Pre-K, TK/K-6th grade, 7th-12th grade)
- Revocation of the exemption by the appropriate authority

Oral Health Assessment

Oral health assessments are required during a student's first year of school (TK, Kindergarten, or 1st grade if no prior school attendance). This exam is to be conducted by a licensed dentist or other licensed dental professional and must be completed and submitted to school by May 31 of a student's first year. Schools can provide an Oral Health Assessment Form to be completed by student's dental care provider. Parents can opt out with a written request.

Independent Toileting

The district recognizes that some students may need occasional assistance with toileting and seeks to provide a supportive, hygienic, and inclusive environment for all students. Parents are encouraged to notify and collaborate with the school of attendance if their student does not use the toilet independently.

Medication and Medical Procedures

Medication and medical procedures at school require written authorization from the parent and the prescribing physician. Forms are available from the school or the [Health Services website](#). Medication must be in a pharmacy labeled container for the medication to be given at school. Over-the-counter medication and products also require written physician orders and must be provided in the original container. Please provide the school with extra medication for disaster preparation.

Illness Prevention and Health Checks Prior to School

School nurses work collaboratively with the Orange County Health Care Agency regarding communicable disease concerns at school. For the health and safety of students, and to minimize the potential spread of illness to students and staff, parents are asked to use the guidelines below to determine school attendance.

When should my child stay home and when can they return?

- Overall, not feeling well
 - Stay home if any new illness or symptom prevents a child from participating meaningfully in routine activities.
- Fever
 - Stay home if fever is of 100.4°F or higher
 - Return when fever went away overnight and is gone in the morning without the use of medications such as Tylenol, Advil, or Motrin (acetaminophen or ibuprofen).
- Vomiting
 - Stay home if vomiting has occurred 2 or more times in 24 hours. Recommend frequent handwashing.
 - Return when vomiting has ended overnight, and your child is able to hold down liquids and food.
- Diarrhea
 - Stay home if your child is unlikely to make it to the toilet in time (if potty trained), or any leaking could occur through clothing. Recommend frequent handwashing.
 - Return when improving.
- Sore throat
 - Stay home and seek medical attention for any difficulty breathing or swallowing, or continuous drooling. OK to attend with mild symptoms.
 - Return when improving. If an antibiotic is prescribed, take the first dose at least 12 hours before returning.
- Cold symptoms, such as cough, stuffy/runny nose, sneezing
 - Stay home and seek medical attention for severe symptoms, including a bad cough, difficulty breathing or trouble catching their breath, or wheezing when not controlled by medication. OK to attend with mild symptoms.
 - Return when improving. If your child will need medication after returning, contact the school site to let them know.
- Ear or eye irritation, including pink eye
 - Stay home and seek medical attention for difficulty seeing or hearing, an eye injury, or pain they cannot tolerate. OK to attend with mild symptoms. Recommend frequent hand washing.
 - Return when improving.
- Rash
 - Stay home and seek medical attention if rash is worsening, causing pain, has blisters, or is not healing. OK to attend with mild symptoms.
 - Return when improving or as guided by health care provider. In general, for conditions such as lice, impetigo, ringworms, your child may return as soon as they start appropriate treatment.

This list is based on information provided from the California Department of Public Health. This should not be considered a comprehensive list of symptoms. Always consult your healthcare provider for health concerns.

Current Health and Contact Information

Up-to-date health information, phone and cell numbers are essential in case your student becomes ill or injured at school or if there is a disaster. We strive to maintain confidentiality of all health records. Health information may be shared with appropriate staff as necessary.

911 Calls

In emergency situations, school staff may contact emergency medical services (911) based on professional judgment. A school emergency 911 call may incur paramedic or ambulance fees to the family. Accident or health insurance may mitigate these costs.

Health Screenings

Health screenings are provided according to State requirements and when students are referred to the nurse. Vision and hearing screening are done at State required grade levels and when concerns are noted. Vision and hearing screenings can be waived by parents with a written request. The parent/guardian will be notified if areas of concern are found. Parents/guardians are invited to notify the nurse if they have concerns.

Medi-Cal Program for Local Education Agencies

The school district participates in the California Medi-Cal Program for Local Education Agencies. This allows reimbursement to the district with federal Medi-Caid funds for select medically necessary services provided to eligible students at school. These services may include speech and language therapy, occupational/physical therapy, transportation, mental health, and specialized physical health care services. In accordance with the local educational agency rules and guidelines, eligible student health data may be forwarded to the school district's billing agency, in accordance with confidentiality laws and Health Insurance Portability and Accountability Act (HIPAA) compliance. Services currently provided to all students will not be changed by this program. Students will not be denied services they require to attend school, and parents will not be billed for services by the school district.

LIBRARY

Welcome to NMUSD's school libraries, where every book is a gateway to adventure! We invite you to join us in nurturing a love for reading. Please encourage your child to be responsible when borrowing books by doing two things: handling all books with care and returning books on time.

- We expect students to keep books free from drawing, coloring, or snacks.
- Please use bookmarks for saving spots and preserving pages.
- Keep track of all library books (at your house or in your backpack) so they don't get lost.
- Return books on time. Depending on grade level, students can borrow one to three books at a time. When students return books on time (typically within a week) everyone has a chance to enjoy great books.
- Should a book go missing or get damaged, talk to your school librarian. Your librarian will be there with a friendly smile and a solution.

NUTRITION

Newport-Mesa Unified School District takes part in the National School Lunch and Breakfast Programs. All students may receive a breakfast and/or lunch from the cafeteria at no cost. Visit the Nutrition Services website to view menus and nutrition information: <https://web.nmusd.us/departments/nutrition-services>.

For questions or concerns, please contact Nutrition Services at 714-424-5090.

Reference: Administrative Regulations [3550](#) and [5141.27](#)

Breakfast is served from 7:30am - 8:00am in the cafeteria.

Lunch Drop-Offs During the School Day

To support a positive and consistent lunch experience for all students, families who do not wish for their child to eat the school-provided lunch are encouraged to send lunches with their children at the start of the school day whenever possible.

Our school provides free breakfast and lunch to all students each day, and students are always welcome to bring a lunch from home. Because deliveries during the school day can interrupt instruction and create distractions during lunch periods, we ask that lunch drop-offs be limited to exceptional circumstances.

Please note that restaurant and fast-food deliveries are discouraged. Students who do not have a lunch from home will always have access to a nutritious school meal at no cost.

We appreciate your partnership in helping us maintain an orderly and positive learning environment for all students.

Student Birthday Policy

We love celebrating our students and making them feel special on their big day! To honor birthdays, we celebrate at Flag Deck. For health reasons, food allergies, and to maintain a focus on academics in the classroom, no food items or gift bags are to be brought into school to celebrate birthdays. In addition, birthday invitations are not permitted to be handed out by students during the school day.

PARENT AND FAMILY ENGAGEMENT

Parent Teacher Association (PTA)

PTA (Parent Teacher Association) is an active group of caring parents who volunteer to support our through a variety of arts and academic enrichment programs, school events, supplemental materials for classrooms, and much more. Please consider joining the PTA and becoming involved in our school. Your support makes a difference.

<https://rea.nmusd.us/community/pta-parent-teacher-association>

School Site Council

California law mandates a School Site Council (SSC) for every public school. Rea's SSC participates in goal setting for the school and oversees the direction of various state funding. SSC is composed of staff and parents. Elections are held each year.

<https://rea.nmusd.us/community/ssc-school-site-council>

English Learners Advisory Committee (ELAC)

The families of English Learners are provided with informative presentations and the opportunity to network at a series of ELAC meetings each year. A district-wide group, DELAC, also holds regular meetings and educational opportunities that are open to all parents.

Rea Elementary Parent and Family Engagement Policy

Rea Elementary School has developed a written Title I parent and family engagement policy with input from parents and family members. The policy describes the means for carrying out the following Title I parent and family engagement requirements [20 USC 6318 Section 1118(c),-(g) inclusive].

The school followed this process to develop the policy:

An annual meeting is held before Back-to-School Night to inform parents of the school's participation in the Title I program, and to explain the Title I requirements and the rights of parents.

The school distributes the policy to parents and family members of students during Back to School Night as well as online.

Involvement of Parents in the Title I Program

To involve and engage parents and family members in the Title I program at Rea Elementary School, the following practices have been established:

1. **Annual Meeting:** The school convenes an annual meeting, at a convenient time, to which all parents of participating children shall be invited to attend and encouraged to attend, to inform parents and family members of their school's participation in the Title I program and to explain the requirements, and the right of the parents to be involved. (20 USC 6318 (c)(1))

The activities the school will carry out to address this requirement include:

The Annual Title I parent meeting will take place on Back to School Night.

2. **Flexible Number of Meetings:** The school offers a flexible number of meetings, such as meetings in the morning or evening, and may provide, with Title I funds, transportation, child care, or home visits, as such services relate to parent involvement. (20 USC 6318 (c)(2))

The activities the school will carry out to address this requirement include:

Meetings and Parent Education sessions are held throughout the year both during school hours and in the evening. Types of meetings and workshops include: Latino Family Literacy and other Parent Education workshops, AVID Family Nights, Family Academic Mornings, PTA General Meetings, English Learners Advisory Committee meetings, and School Site Council Meetings. Child care is provided at selected meetings when there is not a parent-child activity (so that parents can fully participate in the parent workshop meeting).

3. **Planning, Review and Improvement with Parent/Family Input:** The school involves parents in an organized, ongoing, and timely way, in the planning, review, and improvement of the school's Title I program, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan. (20 USC 6318 (c)(3))

The activities the school will carry out to address this requirement include:

Parents are provided opportunity to give input on the NMUSD Local Control and Accountability Plan. A survey is sent to all parents each school year, and the results are shared with the School Site Council (SSC), ELAC, and other parent groups. The information from the survey is used as a tool to assist the SSC in the planning, review, and improvement of the school-parent compact and the parental involvement policy. Planning and input is gathered in conjunction with Community Schools Efforts.

4. **Information about the Title I Program:** The school provides parents of participating students with timely information about the Title I program. (20 USC 6318 (c)(4)(A))

The activities the school will carry out to address this requirement include:

Parents receive timely information about school curriculum, types of assessments, and district content and performance standards students are expected to meet by attending Back to School Night in the fall and Open House in the spring. The School-Parent Compact is sent home at Back to School Night and discussed at both the annual Title I meeting and at Back to School Night. Information about the Title I program is provided to parents at ELAC, PTA, and School Site Council meetings throughout the school year. At these meetings, assessment data, curriculum and budgets are discussed.

5. **Title I Parent Involvement funds** are used to purchase educational books and materials for parents, a description and explanation of the curriculum in use at the school, the forms of academic assessments used to

measure student progress, and the achievement levels of the challenging State academic standards. (20 USC 6318 (c)(4)(B))

The activities the school will carry out to address this requirement include:

Parent Involvement funds are utilized to purchase materials for the Latino Family Literacy Project as well as other parent-child events. The description and explanation of curriculum, assessments, and achievement levels is integrated into the wide range of parent meetings including parent workshops, Family Academic Mornings, ELAC meetings, and other meetings. The Goal Setting Meetings in September and Parent Conferences in March provides parents and teachers with specific strategies to support student success in State academic standards.

6. If requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any such suggestions as soon as practicably possible. (20 USC 6318 (c)(4)(C))

The activities the school will carry out to address this requirement include:

Parents are members of all groups that meet regularly to make decisions regarding the education of children at Rea School and parent/family input is solicited through both in-person meetings as well as online surveys. In addition, parents and teachers meet on a regular basis to make decisions and develop effective educational plans to meet the needs of each student. Additional meetings are planned by request of the parents or teachers.

7. Additional Parent/Family Input on Schoolwide Programs: If the schoolwide program plan is not satisfactory to the parents of participating children, submit any parent comments on the plan when the school makes the plan available to the local educational agency. (20 USC 6318 (c)(5))

The activities the school will carry out to address this requirement include:

Parents are active members of our School Site Council, ELAC, and PTA that meet periodically throughout the school year to review our Single Plan for Student Achievement, Title I parent involvement policy, and other schoolwide programs. Parents are surveyed each year, and the results of the survey are used to modify our school programs to better meet the needs of all students. Annual improvement goals are communicated in our Single Plan for Student Achievement (SPSA), as well as during parent education workshops and parent meetings (ELAC, School Site Council, Title I Annual meeting).

8. Building Capacity for Involvement

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and school district assisted with Title I, Part A funds, the school has established the following practices:

- a) Understanding the School System: The school provides parents with assistance in understanding such topics as the challenging State academic standards, State and local assessments, the requirements of Title I, Part A, and how to monitor a child's progress and work with educators to improve the achievement of their children. (20 USC 6318 (e)(1))

The activities the school will carry out to address this requirement include:

Our school provides parent training through Latino Family Literacy workshops, parent presentations during ELAC meetings, and other parent education workshops as scheduled. Through this parent training, Rea engages parents in developing responsibility for students' learning. We believe that educating each child requires a true partnership between the school and each family in our community. Parents receive an overview of the program in their child's classroom during Back-to-School Night. All families receive a copy of our parent/school/child compact, and all parties sign to indicate commitment to the high standards and expectation of achievement at Rea. Report cards are standards based and are discussed with parents during conferences and formal goal setting meetings that occur twice annually. Standardized test scores are mailed to parents at the beginning of each school year, and teachers discuss these results with the parents during conferences. In addition, teachers and parents communicate informally on many occasions throughout the year.

PBIS (POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORTS)

Positive Behavioral Interventions and Supports is an evidence-based, three-tiered system to improve and integrate data, systems, and practices affecting daily student outcomes. Tier 1 practices and systems establish a foundation of regular, proactive support while preventing contextually inappropriate behaviors. These universal supports are provided to all students, school-wide. The foundation of PBIS is based on students' understanding of expected behaviors in all areas of the school.

Rea Elementary uses the Positive Behavior Interventions and Supports (PBIS) approach. This is a research-based approach to teach and reinforce positive behavior and improve school climate for students. We have a matrix of specific school wide behavioral expectations and a school wide system for recognizing and reinforcing positive behavior that was created collaboratively (staff, parents, students). The matrix is posted in all classrooms and parents will receive a copy at the beginning of the school year.

Rea Students follow positive behavioral expectations. The School-Wide and Classroom Behavioral Expectations are displayed throughout the campus as a reminder to students.

At Rea Elementary, students know to demonstrate the following positive behaviors at school:

Additional Behavior Supports:

In addition to these Tier 1 practices for all students, Tier 2 practices and systems are in place to support students who are at risk for developing more serious contextually inappropriate behaviors before those behaviors start. EDUCATIONAL RIGHTS & REQUIRED NOTICES

Dangerous Objects/Weapons

The Newport-Mesa Unified School District is committed to providing a safe school and working environment. Both California State Education Code and Newport Mesa Unified School District Board policy state that possession of a firearm, knife, explosive or other dangerous object of no reasonable use to students is grounds for expulsion.

Please be aware that all District schools will vigorously prosecute any student found to have a dangerous weapon or object in his/her possession while on school grounds or while attending an authorized school activity. Such prosecution will normally involve the applicable law enforcement agency and end with the student facing expulsion from the District.

Weapons and dangerous objects include, but are not limited to any firearm, stun gun, air gun, spring activated gun, toy guns (imitation firearms), slingshots, bludgeons, brass knuckles, any knife (including pocket knives and cutting blades), chains, clubs, stars, explosives, fireworks, etc. Also included are articles designed for other purposes but which could easily be used to inflict bodily harm and/or intimidate (examples are belts, files, compasses, Scissors, bats, etc.). The Federal Gun Free Schools Act requires that any student bringing a firearm to school is subject to one calendar year of expulsion and referral of the student to law enforcement.

Administrators or other delegated school officials will confiscate any article, when in their professional judgment such article may, in a given circumstance, be utilized as weapon or dangerous object.

When reasonable suspicion arises that use or possession of a pupil's property is illegal, illicit, disruptive, or a danger to the general welfare of pupils and staff, a search may be conducted of the pupil's person or personal property. Student lockers and desks are the property of the school and are subject to search.

Anyone who knows of a weapon on school grounds or at a school-sponsored or school-related activity is encouraged to immediately contact his/her teacher, the principal or any other available school employee.

For more information, please contact any assistant principal or principal of any school.

English Learner Supports/Reclassification

Language Acquisition Programs

NMUSD is required to provide a Structured English Immersion (SEI) program option for our English learner students. This is a language acquisition program for English learners in which nearly all classroom instruction is provided in English, but with curriculum and a presentation designed for pupils who are learning English. At minimum, students are offered English Language Development (ELD) and access to grade level academic subject matter content.

Newport-Mesa also offers two Dual Language Immersion (DLI) Programs: Mandarin Dual Immersion and Spanish Dual Immersion. For 2026-27, these programs begin in Kindergarten and continue to eleventh grade. To learn more about NMUSD dual immersion programs, please visit the [NMUSD Dual Immersion webpage](#).

Requesting a Language Acquisition Program

Language acquisition programs are educational programs designed to ensure English acquisition occurs as rapidly and effectively as possible and provide instruction to English learners based on the state-adopted academic content standards, including ELD standards.

Parents/Guardians may choose a language acquisition program that best suits their student. Schools in which the parents or legal guardians of 30 pupils or more per school or the parents or legal guardians of 20 pupils or more in any grade request a language acquisition program that is designed to provide language instruction shall be required to offer such a program to the extent possible.

Parents may provide input regarding language acquisition programs during the development of the Local Control Accountability Plan. If interested in a different program from those listed above, please contact the Director of Multilingual Programs at 949-515-6701 to ask about the process.

Parents of English learners have a right to decline or opt their children out of the school district's language acquisition program or opt out of particular English learner service(s) within a language acquisition program. However, districts remain obligated to provide the student meaningful instruction until the student is reclassified, inform the parent when progress is not made, and offer the parent programs and services to consider at that time.

Language Assessment

Every spring (February - May), English learner students take a test called the Summative English Language Proficiency Assessments for California (ELPAC). This test is part of the California assessment system and is aligned with California's English Language Development Standards. These standards make sure English learners have a high-quality program that will enable them to attain proficiency in English—developing the necessary skills and confidence in listening, speaking, reading, and writing— so they can be successful in the classroom.

The ELPAC measures the English language proficiency skills that students need to succeed in school. Your student's score report shows an overall score/performance level, consisting of oral language skills (speaking, listening) and written language skills (reading, writing).

The [NMUSD ELPAC webpage](#) has the following materials to help parents understand the ELPAC. These materials include:

- Sample Summative ELPAC Student Score Report
- ELPAC Parent Guide
- ELPAC Starting Smarter Resources

Reclassification (Exit) Criteria

How can my student qualify to reclassify as Fluent English Proficient (FEP)? The goal of language acquisition programs is for students to become proficient in English as rapidly and effectively as possible and to meet state academic achievement measures. The district's reclassification criteria are listed below:

	District Reclassification Criteria
English Language Proficiency Assessment	ELPAC: Overall Performance Level 4
Comparison of Performance in Basic Skills	SBAC Achievement Level of 4 (Standard Exceeded) or 3 (Standard Met) or mid-2 (Standard Nearly Met) <u>or</u> SBAC Lexile Level <u>or</u> STAR Lexile Level <u>or</u> DIBELS Composite Score
Teacher Evaluation	Teacher recommendation, based on report card grades
Parent Consultation	Parents/guardians have the opportunity to be involved in the reclassification process and provide an opinion through consultation with school staff

Homeless Liaison/McKinney Vento

Homeless Liaison

Homeless pupils have certain rights under California and United States law. For information concerning these rights, please contact the District's liaison for homeless children and youths, Christy Flores, who may be contacted at 714-424-7553 or cflores@nmusd.us.

McKinney-Vento Homeless Education Assistance Act

The McKinney-Vento Homeless Assistance Act is a federal legislation that ensures the educational rights and protections of children and youth experiencing homelessness. It requires all local educational agencies (LEAs) to ensure that homeless students have access to the same free, appropriate public education, including public preschools, as provided to other children and youth.

Does your living situation meet the definition of homelessness?

The McKinney-Vento Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. You may be considered homeless if you are:

Temporarily staying with other people, often called "doubled up", because you cannot afford to live alone. This can include sharing another person's house, such as a friend or relative, because you lost your housing or don't have another safe place to go.

- Staying in emergency housing, like emergency or transitional shelters. This can include domestic violence shelters, trailers provided by FEMA (Federal Emergency Management Agency), housing paid for by programs such as Rapid Re-Housing, transitional living facilities, etc.
- Staying in a hotel/motel, cars, parks or any public or private places not designed for humans to live in. This can include camping grounds, cars, or any place outside/not meant for human habitation (abandoned buildings, bus or train station).
- Staying in substandard housing or housing with inadequate space for the number of occupants.

Additional Definition:

If you are not living with your parent or guardian, you may be considered an Unaccompanied Youth.

Unsure if you are eligible? Contact the district McKinney-Vento liaison to see what services and supports may be available.

For more information, including rights and services, visit the McKinney-Vento Homeless Education Program website at www.nmusd.us/homeless or contact the district's McKinney-Vento liaison Christy Flores at cflores@nmusd.us or 714-424-7553.

Immigration Status of Pupils

Your Child has the Right to a Free Public Education

All children have a right to equal access to free public education, regardless of their or their parents'/ guardians' immigration status.

All children in California:

- Have the right to a free public education.
- Must be enrolled in school if they are between 6 and 18 years old, unless otherwise exempt.
- Have the right to attend safe, secure, and peaceful schools.
- Have a right to be in a public school learning environment free from discrimination, harassment, bullying, violence, and intimidation.
- Have equal opportunity to participate in any program or activity offered by the school without discrimination.

Information Required for School Enrollment

Schools must accept a variety of documents from the student's parent or guardian to demonstrate proof of child's age or residency and schools are not required to keep a copy of the document used as proof of a child's age.

Information about citizenship/immigration status is never needed for school enrollment. A Social Security number is never needed for school enrollment.

Confidentiality of Personal Information

Federal and state laws protect student education records and personal information. These laws generally require that schools get written consent from parents or guardians before releasing student information, unless the release of information is for educational purposes, is already public, or is in response to a court order or subpoena.

Some schools collect and provide publicly basic student “directory information.” If so, the school district must provide parents/guardians with written notice of the directory information policy, and provide the option to refuse release of your child’s information.

Family Safety Plans if You Are Detained or Deported

You can update your child’s emergency contact information, including secondary contacts, to identify a trusted adult guardian who can care for your child if you are detained or deported.

You can complete a Caregiver’s Authorization Affidavit or a Petition for Appointment of Temporary Guardian of the Person to give a trusted adult the authority to make educational and medical decisions for your child.

Right to File a Complaint

Your child has the right to report a hate crime or file a complaint to the school district if he or she is discriminated against, harassed, intimidated or bullied because of their actual or perceived nationality, ethnicity, or immigration status.

For more information on resources for responding to immigration enforcement activities at California schools, or to file a complaint, please contact:

Civility Policy

It is the intent of the Board of Education to provide an orderly and safe learning environment in which students and adults feel comfortable, share the responsibility for maintaining a positive school climate, and take pride in their school, its achievements, and its environment.

This policy promotes mutual respect, civility, and orderly conduct among members of the school community including all employees, parents/guardians, students, and the public at all schools, district facilities, and at athletic and extracurricular events. This policy is not intended to deprive any person of his/her right to freedom of expression that is protected from governmental restriction on school grounds and district facilities/activities. Uncivil conduct does not include the expression of controversial or differing viewpoints.

The basic purpose of this policy is three-fold:

1. To promote a work and learning environment that is safe, productive, and nurturing for all staff and students, and to encourage the free flow of ideas without fear or intimidation
2. To provide our students with appropriate models for respectful problem-solving and conflict resolution
3. To reduce the potential triggers for violent conduct, such as fear, anger, frustration, and alienation, especially by making problem-solving procedures and alternatives to violence readily accessible to both students and adults

For purposes of this policy, uncivil conduct includes the following:

1. Directing vulgar, obscene, threatening, or profane gestures or verbal and/or written communications at another person.
2. Taunting, jeering, inciting others to taunt or jeer at a person.
3. Yelling at another person during a meeting or conference.
4. Repeatedly interrupting another person who is speaking at an appropriate time and place.
5. Imposing personal demands at times or in settings where they conflict with another's assigned duties, supervision responsibilities, and established practices.
6. Using racial/ethnic, religious, religion, gender, color, sexual, sexuality, or disability epithets.
7. Gesturing in a manner that would put a reasonable person in fear for his/her personal safety.
8. Invading the personal space of a person after being directed to move away.
9. Physically blocking a person's entrance to or exit from a room or location.
10. Remaining in a classroom or school area after a teacher or administrator in authority has directed one to leave.
11. Conduct which is likely to interfere with the peaceful conduct of the activities of the campus or facility.

Persons who perceive they have been subjected to uncivil conduct will be urged to resolve their concerns through simple, direct, or assisted communication with the person(s) at the source of the concern. When this is not possible or appropriate, any person who needs help identifying and/or using appropriate problem-solving procedures may seek assistance from the school administrator. Persons are encouraged to work out issues of concern promptly, and preferably, no later than two days after an incident has occurred. No retaliation will be permitted against persons for working in good faith under this policy and its related administrative regulation to resolve concerns.

This policy seeks to promote a school and workplace culture of respect and civility. Severe or persistent acts of uncivil conduct may, however, violate other school rules, such as the district's policies against harassment and sexual harassment or specific conduct codes. Violation of such policies may result in discipline, removal from district facilities and events, adverse employment action, or criminal charges as applicable. Nothing in this policy is intended to interfere with the ability of school officials to maintain order and discipline in the schools or to enforce school rules and applicable laws.
