6. Public Comment (2 min.)	Chair	<ul style="list-style-type: none"> • Patricia- worried about School of Tomorrow, worried about middle schools. There appears to be a district person going to middle schools and high schools and they might be targets for closure. Feels this is not the right way to move forward. The people on the committee do not have connection to the families. Our families are scared about immigration and will not attend the meetings. • Morris- There is not an 8th grade field trip plan yet. Promotion is May 26 at 2:45pm at San Jose Civic, students arrive at 2:00. There is a small group working on it. • Claire- Boosters, sweetheart cabaret, \$16K funds raised. Lots of performances upcoming. Money will be split between the PA classes.
