HELPFUL REMINDERS FOR PARENTS

Please label all personal supplies with your child's name.

These materials will need to be replenished throughout the year, especially pencils. We recommend purchasing an adequate supply and rationing them out to your child throughout the year.

Please keep in mind that headphones experience normal wear and tear and may need to be replaced as well.

Individual teachers may request a few additional classroom-specific items during the first week of school.

Tissues & Disinfecting Wipes are requested to help support the health and safety of all students and staff by keeping our classrooms clean and reducing the spread of germs. Thank you for helping us create a clean, healthy, and safe learning environment!

We look forward to partnering with you for a successful 2026-2027 school year.
Thank you for your support, and we can't wait to see you soon!
