Each school in the Fannin County School System is a **Title I school**.

Being a Title I school means we receive additional federal funding. This funding is based on the number of students with economic needs at our school. This extra money is used to improve education for all students and to support programs that help children achieve their best. A key part of being a Title I school is working closely with families, so we must involve parents in planning and share information about student progress and school programs.

Please join us for a **Title I information session** at your school's **open house** on **July 31, 1:00-5:00**.

The Fannin County School System does not discriminate on the basis of race, color, national origin, sex, age, religion, creed, or disability in admission to its programs, services, and activities, in access to them, in treatment of individuals, or in any aspect of operations. This also includes but is not limited to additions, modifications, or alterations to the physical plan of any school facility.
