

Bentonville Schools Junior High Virtual Learning Program: Enrollment Process

Welcome! Bentonville Schools is dedicated to student success. We collaborate closely with our four junior high campuses to provide high-quality learning opportunities that meet the needs of all students. To begin the enrollment process for the Virtual Learning Program, please follow the steps outlined below.

Enrollment Steps

1. Contact your junior high administrator to discuss your interest in virtual learning.
2. The administrator will submit the request and necessary documentation to the Virtual School office.
3. Upon approval, the Virtual team will email the family an application and program contract.
4. Once forms are submitted, a meeting will be scheduled with the Virtual School counselor to review schedules and the learning platform.

Note: Please allow up to two weeks for processing. If you require an expedited review, please notify your onsite junior high administrator.
