Welcome to CPI Nonviolent Crisis Intervention Certification Training. You will need to complete all online training modules (typically 2-2.5 hours) prior to the first day of training. If you do not complete it prior to the in person training you will be dropped from the class. As this training does require some physical activity, please communicate with your training prior to the in person session regarding physical activity limitations or concerns. It is recommended that you bring water to all in person trainings. In person trainings will take place over 2 session, on consecutive Wednesdays, from 12:00 pm - 3:15. You must complete all modules including online and in person to be certified. If you have questions please contact ***Joel Miner (minerj@mdusd.org)*** *or* ***Yesenia Lechuga (lechugay@mdusd.org).***
