St. John Bosco High School Names Rafael Segura Head Lacrosse Coach

An accomplished coach and educator, Segura will lead the lacrosse program while teaching mathematics this fall.

St. John Bosco High School is pleased to announce the hiring of Rafael Segura as the school's new Head Lacrosse Coach and a member of the Mathematics Department.

Coach Segura joins Bosco with an impressive background in coaching, education, and student development. He earned both his bachelor's degree and Master of Arts in Sport Management from California State University, Long Beach, where he received the prestigious Bill Shumard Award for excellence in the graduate program.

Over the past several years, Segura has emerged as one of Southern California's rising lacrosse leaders. Most recently, he served as Associate Head Coach at Los Alamitos High School while also directing the Beach Cities Youth Lacrosse program. His coaching experience includes leading elite travel teams with SoCalExpress and West Coast Warriors/MINT Lacrosse, where he has helped develop athletes competing at the regional and national levels. In 2024, he represented Mexico on the international stage as a member of the Mexican National Lacrosse Team at the World Box Lacrosse Championships.

In addition to his coaching accomplishments, Segura brings a strong commitment to education. He has served as a substitute teacher in the Los Alamitos Unified School District, where he has taught across multiple grade levels and subject areas, and previously worked as an Academic Student Mentor at UCLA, supporting NCAA Division I student-athletes in developing the skills needed to succeed in the classroom. He will join the St. John Bosco faculty this fall as a mathematics teacher, helping students grow both academically and personally.

"We were looking for someone who could lead our lacrosse program while also making a meaningful impact in the classroom," said Athletic Director Vince Brown. "Rafael is an outstanding educator, mentor, and coach who understands that athletics and academics go hand in hand. His energy, character, and commitment to developing young men make him an excellent fit for our mission, and we're excited to welcome him to the Bosco family."

Coach Segura will officially begin his responsibilities at St. John Bosco with the start of the 2026-27 school year this August.
