PARENT RIGHT TO KNOW

2026-2027

Dear Parent(s)/Legal Guardian(s):

In the Lee County Schools, we are very proud of our teachers, and feel they are ready for the coming school year and are prepared to give your child a high-quality education. Due to receiving federal funding for our schools, we are required to meet federal requirements of the Every Student Succeeds Act (ESSA Section 1112(e)(1)(A)). In compliance with the requirements of the ESSA, the Lee County School System would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and/ or paraprofessional(s). The following information may be requested:

- Whether the student's teacher—
  - has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
  - is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
  - is teaching in the field of discipline of the certification of the teacher.

- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Please rest assured that our staff is committed to helping your child reach his or her maximum academic potential throughout their school career. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled and delivering quality instruction to your child.

If you wish to request information concerning your child's teachers' qualifications, please contact your child's principal by phone or by email.

Thank you for your interest and involvement in your child's education.

Sincerely,

Kayla Day
