

Shrewsbury Borough School District
2026-2027 Grades 6-8 Middle School Mathematics Placement
Appeal and Waiver Process

To qualify *for an appeal* a student **must**:

1. Have been a 6th grade advanced mathematics student if entering 7th grade
2. Have been a 7th grade advanced mathematics student if entering 8th grade

OR

3. Have a points accumulation for each of the following grade levels:
 - Grade 6: 60 points
 - Grade 7: 65 points
 - Grade 8: 75 points

If a student qualifies for an appeal to receive a waiver that student's parent must:

1. Email Mr. Cohen & Ms. Salway initiating that you would like to appeal your child's placement because he/she meets the point accumulation listed above.
2. Reach out to Ms. Crespo, Superintendent's secretary, to set up a meeting with Mr. Cohen, and Ms. Salway
