

Bryan Station Middle School- Supply List for 6th-grade Students

Introducing the BSMS Binder System: School-Wide Organization for Success

To support students in building strong organizational habits, we are excited to expand our **school-wide organizational system** for the upcoming academic year.

We are asking that families pay a **\$10 school supply fee** so that we may provide each student with a 2 ½-3 inch three ring **"BSMS Binder."** This binder will serve as a central hub for all of their school materials. Inside the BSMS Binder, students will keep their...

- **BSMS Planner Notebook** (included with fee)
- **Color-coded folders** for each subject to help students quickly locate and organize classwork (included with fee)
- A **supplies pouch** clipped into the binder for easy access to essential supplies (included with fee)
- *Loose-leaf notebook paper (supplied by student)*

Our goal is for the **BSMS Binder to be a "one-stop shop"**—helping students come to class prepared, stay organized throughout the day and take responsibility for their learning materials. We appreciate your support as we continue this initiative and look forward to seeing the positive impact it will have on our students' success!

Please see the additional supplies we are requesting for our core classes on the next pages.
