Sweeny ISD Charge Procedures

Parents and guardians have several convenient ways to add money to their student's meal account. Payments may be made with cash or check at any school cafeteria or at the Child Nutrition Office, located in the Transportation Building. Students may also add money to their accounts while going through the cafeteria serving line.

For added convenience, parents and guardians can make online payments using a credit or debit card and monitor their student's meal account through **SchoolCafé** at www.schoolcafe.com/sweenyisd.

Students are allowed to charge a reimbursable breakfast and lunch to their meal account, even if the account has a negative balance, and they will receive a complete meal. However, students with a negative account balance are not permitted to charge à la carte items.

The Child Nutrition Office will notify parents or guardians of negative meal account balances by mail, phone call, or email (when available). Notifications will be sent weekly until the outstanding balance has been paid. The Child Nutrition Office and campus administration will work together to collect unpaid meal charges.

These procedures are applied consistently at all campuses within Sweeny Independent School District.
