

School Improvement Council Annual Report To Parents 2025-2026

What is an SIC?

An SIC is a broad-based body intended to advise the principal and school, and is focused on helping to achieve school improvement. SIC provide input and feedback to the principal and assists in the implementation of school improvement programs and activities. Our school improvement council meets the 3rd Thursday of each month at 3:00 pm.

About Us

Our school was established in 1954. We serve students in grades K-5. Our current enrollment is 464 students.

North Vista Elementary SIC Goals

- Ensure equal and equitable access to learning experiences.
- Support staff to provide a positive environment and materials for quality instruction.
- Maintain and create a sense of community within and outside the school building to include community members and business partners.

Mission

Our mission is to cultivate students of character by enhancing skills that encourage problem-solving, goal-setting, and learning for a lifetime.

Vision

All students are empowered to learn and achieve.
