Dear Infinity Middle School Community,

We hope you and your family are enjoying a wonderful summer filled with rest, adventure, and time together. As we prepare to begin a new school year, I want to extend a warm welcome to both our returning families and those who are joining the Infinity Middle School community for the first time.

As I begin my third year as Principal of Infinity, I remain grateful for the opportunity to serve this incredible school community. Over the past two years, I have had the privilege of building relationships with students, families, and staff while learning what makes Infinity such a special place. Together, we have strengthened a culture centered on learning, belonging, high expectations, and meaningful connections.

As we look ahead to the new school year, our commitment remains clear: to ensure every student feels known, valued, challenged, and supported. We will continue to foster a community-centered culture where students are empowered to learn, grow, lead, and discover their passions. Through engaging learning experiences, strong relationships, and opportunities both inside and outside the classroom, we will work together to help every student prepare for their future.

One of the things I love most about middle school is witnessing the tremendous growth that occurs during these years. Students arrive each fall with unique talents, interests, and aspirations, and throughout the year they develop new skills, build confidence, form lasting friendships, and discover more about who they are. It is a privilege to be part of that journey.

On a personal note, my family and I remain proud members of the Cherry Creek School District community. My wife, Briana, serves as a middle school counselor in CCSD, and our daughters, Blaise and Sloane, continue to thrive in district schools. Their experiences remind me daily of the importance of creating schools where every student feels a sense of belonging and has opportunities to succeed.

Thank you for your continued partnership and trust. I am excited about the year ahead and all that we will accomplish together. We have great momentum, and I look forward to building on our successes as we continue to make Infinity Middle School a place where every student can learn, grow, and thrive.

Enjoy the remainder of your summer, and I look forward to welcoming our students back soon.

**Go Vipers!**

Warm regards,  
Dr. Dan Hanson  
Principal, Infinity Middle School
