

NEW HOPE PHOENIX PROGRAM HIGH SCHOOL

Getting Started:

- Parents/students have the option of in-person or virtual for the Phoenix program
- Face-to-face report time 8:45-11:45
- Credit recovery courses are only available to in-person Phoenix students
- You will receive a "welcome" email from your teachers after you enroll
- All courses are in Canvas, whether you are face-to-face or virtual
- You may work ahead of pacing guide if caught up in all courses
- Student laptops are issued by the home school
- Grades are viewed in Parent Portal- logins remain the same and transfer grades are entered when available
- For Virtual Students: Every Tuesday from 12:30-2:00 Phoenix teachers are available for a face-to-face drop-in orientation that lasts about 20 minutes.

(The information below is for both virtual and face-to-face students)

Drug Free Paulding Program

Drug Free Paulding is a separate agency partnered with the Phoenix program and Paulding County School District for students. Completion of this program may result in a reduction of expulsion. Program starts at the beginning of each month.
