Welcome to Rolling Hills!

Our multiple learning pathways at Rolling Hills are designed to provide positive academic and behavioral support, early identification of at-risk behavior, and enrichments/interventions that meet the needs of each individual student. Our teachers and support staff will help ensure that all students acquire the knowledge, skills, and behaviors needed to achieve their fullest potential and to be contributing members of the world around them.

At Rolling Hills, we have an active school community with volunteers that support all classrooms. Families are encouraged to become an active part of their child's education. This can be done by participating in the Parent-Teacher Association (PTA), Rolling Hills Foundation, School Site Council (SSC), English Learner Advisory Committee (ELAC) as well as classroom and school volunteers. We are thankful for your cooperation in being kind, safe, and responsible role models for all of our Rolling Hills students.

Please sign and return the last page of this packet and return to your child's teacher no later than Thursday, August 21, 2026.

Attendance

- **First bell for Grades TK-6 students to line up is at 8:55 AM.** Instruction begins at 9:00 AM, and students are expected to be on time and ready to learn every day.
- **The gates will close at 9:00 am daily.** Any child arriving after 9:00 am will need to check-in in the office to receive a tardy pass.
- Please report your child's absence through the attendance link on our school website or call the office. Attendance link: [Report an Absence](https://forms.gle/6Vey5RV8hrGmcPyY9)
<https://forms.gle/6Vey5RV8hrGmcPyY9>
- Any student arriving after school begins must report to the office to check-in and receive a tardy slip.
- Students will not be called out for early release during the last 10 minutes of the school day.
 - TK/Kindergarten dismissal is at 3:15 PM at the designated classroom pick-up location and
 - 1st-6th school dismissal is at 3:30 PM.
- Each Saturday School attended removes one absence from your child's attendance record. However, those absences are still subject to truancy.
- Perfect Attendance is rewarded monthly and on a trimester basis.
- Per district policy, all students must be picked up within 15 minutes of dismissal.
- Absence Reporting and Independent Study
- Please be sure that you are contacting the office to report your child's absence! There are three really easy ways to report:
 - 1. Call 714-447-7795 ext. 1
 - 2. Email: belinda_demille@myfsd.org
 - 3. Fill out the [absence reporting link](#)
- **Independent Study is now available for any absence, illness or vacation, starting on Day 1. There are two ways you can get your child on Independent Study:**
 - 1. If your child is sick and they have to miss the day, call the office and request independent study. We will get you set up right away! We cannot backdate Independent Study, so be sure to request it right away!
 - 2. If you know you have a future absence planned, coordinate with your child's teacher and the office two weeks in advance. We will set you up on Independent Study for the scheduled absence.
- We highly encourage you to take advantage of this option, as a completed Independent Study does not reflect absences on your child's record!

Parking Lot Expectations and Procedures

- The parking lot is for staff only and each space is assigned to a staff member. If you need to walk up to campus, please park on Rolling Hills Dr. or in the neighborhood, being mindful of our neighbors' driveways and bus lanes. **NEVER LEAVE YOUR CAR UNATTENDED IN THE PARKING LOT.**

- Please follow a 5 mph maximum in the parking lots.
- For safety, please use the crosswalks and sidewalks.
- Please remain in your vehicle and your car may NEVER be unattended while in the drive-through during pick-up and drop-off. If you are volunteering, you must park on the street. The roundabout is not available for parking.
- Arrival
 - When dropping students off in the morning, please pull your car forward as far as possible in the drive-through. Use the number markers as guides.
 - Students must enter and exit vehicles from the right-hand side.
 - Students should be ready to exit the vehicle with all their belongings and adults should remain in the vehicle.
 - Please follow a 5 mph maximum in the parking lots.
 - Do not pass other vehicles in the drop-off lane. Please wait for cars to pull forward.
- Dismissal
 - Students who are picked up after school by car will wait for their name(s) to be called in the designated location near the circle sidewalk tree. Once a name is called students will report to their assigned numbered station.
 - If your child is not at their number by the time the cars in front of you move, then please move to number one and a staff member will recall their name.
 - The playground aka “Tot Lot” at the front of the school is city property and is unsupervised. For safety purposes, students are **NOT TO** wait in this area to be picked up. Rolling Hills staff members do not supervise this area since it is a city park.
 - Stay behind the car in front of you. Do not pass other cars in the drive through lane. This causes confusion and delays.
 - Students that are picked up by foot may be met outside of the gate by the tot lot (Gate 3). Parents are not allowed to enter campus to pick up students at dismissal. This is for the safety of our students staying for after school programs.
- Be kind and respectful to staff members directing traffic.

Updated on 7/31/23

- Rolling Hills expects students to follow three rules: be **KIND**, be **SAFE**, be **RESPONSIBLE**. We use these expectations to teach how to behave in every area of our school campus. Students will rotate throughout our campus twice a year to practice and review "The Roadrunner Way." When students are observed following the "Roadrunner Way", our teachers and staff have been trained in PBIS and are using Roadrunner tickets, as well as many other strategies, to reinforce positive behavior. If your student has challenges with these expectations, they will be given opportunities to learn from and correct their behaviors. Repeated, unexpected behaviors may result in a minor or major discipline referral.
 - Roadrunners are given to students when they are observed behaving in "The Roadrunner Way" - Kind, Safe, and Responsible anywhere on campus. Students receive these and may be able to use them for prizes within the classroom. They may also place them in prize canisters for the Friday Reward Drawing.
 - Office Discipline Referrals: When a student is not displaying kind, safe, and responsible behaviors, they may receive a minor (Making Better Choices) or a major Office Discipline Referral (ODR). The purpose of these forms are to discuss appropriate behavior and to help reflect on how to correct undesired behaviors.
 - Minor Making Better Choices will be sent home for a parent signature and teacher contact may be made.
 - Major ODR's may be handled by administration and parents may be contacted as deemed appropriate.

- Each classroom has its own rules and behavior procedures, we are working together to create a consistent, school-wide culture under the expectations of being kind, safe, and responsible. Thanks to all Rolling Hills families for being a key part of the Rolling Hills “Roadrunner Way”!
