DELAC: February 20, 2026 @ Richman & April 24, 2026 @ Parks

Notes for November 21, 2025:

Meeting started 9:12 am

- Shared monthly event of reading with a loved one
- Reviewed September's meeting minutes
- Reviewed school attendance and LCAP survey .Student attendance is important, it's the law and helps students learn and creates a good habit of getting up and going to school. Shared reward system for daily attendance per student and per classroom. Parents thanked the principal for sharing personal information that they can relate to . Add a message to NEWS FROM THE NEST to remind parents about the independent studies process.
- Explained process of California Dashboard data and chronic absenteeism, explained factors that affect attendance , suspension rates, English language arts, Mathematics, Science
59.9% socioeconomically disadvantaged and qualifies for title 1, 11% English learner, 0.5% FY.
- Reviewed ELPAC test, part of the criteria to reclassify, consists of 4 areas, top score is 4 and student is required to score a 4 to pass. Local scores, state testing can help reclassification
- Explained ELD bootcamp: 8 students are participating in the bootcamp and it is during the day, Mr.D pulls students and supports them.
- Say something app: students can report anonymously something that is happening, if students are being bullied or see something they are encouraged to say something. Encouraged parents to say something too if they see something.
- Discussed the bomb threat that the school received last week and shared the school safety plan: shared resources available the next day for students that needed it.
- Shared the big drill experience
- Community schools shared

Meeting adjourned at 10:03 am
