Terms and Conditions of Use of the Pacific Ridge School Transportation Services

Fees for bus service will be collected in one of two ways with payments made payable to Pacific Ridge School: as a one-time payment or monthly. Families choosing to pay monthly will initiate transportation services by submitting a non-refundable deposit equal to the last two months of service (20%) and then pay 10% of the full fee each month thereafter under the following payment schedule:

<u>Payment Date</u>	<u>Round Trip</u>	<u>One-Way</u>
August (Deposit) -	\$662.00	\$424.00
September -	\$331.00	\$212.00
October -	\$331.00	\$212.00
November -	\$331.00	\$212.00
December -	\$331.00	\$212.00
January -	\$331.00	\$212.00
February -	\$331.00	\$212.00
March -	\$331.00	\$212.00
April -	<u>\$331.00</u>	<u>\$212.00</u>
Total Payments	\$3,310.00	\$2,120.00

Payments will be invoiced on the 1st of every month and are due on the 15th payable to Pacific Ridge School.

1. Fees for transportation services are incurred and will be charged on a monthly or other basis, as indicated above, regardless of actual use or number of school days in a month. In the event of a returned check, a fee of \$30.00 may be assessed.
The Financially Responsible Parent or Guardian ("FRP") is responsible for payment of all charges incurred until Pacific Ridge School receives notice in writing that the FRP desires to terminate such service. After receipt of notification, FRP shall be responsible for fees covering the two full months of service following the date of termination. If FRP voluntarily terminates service and then requests to recommence service later in the same school year, Pacific Ridge School shall have the right to require payment of the full years' service charge, including months not utilized.
2. Any subscription to the bus service to commence on or after October 1 (if available) will be charged a non-refundable deposit equal to the last two months of service, together with the payment described above for the month in which service commences.
3. In the event Pacific Ridge School determines that there is insufficient interest in transportation services, Pacific Ridge School reserves the right, with 60-days' notice and in its sole discretion, to suspend or terminate transportation services. If transportation services are suspended or terminated, fees will be prorated accordingly.
4. Pacific Ridge School and Student Transportation of America reserve the right to suspend or terminate at any time the transport of any student whose behavior during transport, whether on or off the vehicle, in the sole discretion of Pacific Ridge School or Student Transportation of America, is deemed to constitute a risk to the safety or well-being of others or to the safe operation of the vehicle.
5. Pacific Ridge School and Student Transportation of America have determined the route and schedule for the 2026/2027 school year. If Student Transportation of America determines that more or less time is needed to complete the route, FRPs will be notified of any change(s) in the schedule at least one week in advance.
