Dear Friends of OC,

The 2021-2022 Annual Impact Report is our chance to recognize your contribution to Oakland Catholic High School. As partners, you have made an investment in the education and the formation of the young women entrusted to our care by providing them with a living experience of the Gospel at Oakland Catholic. The actions of all who adopt our mission ensures a bright future for our students and we are grateful because your contributions support the vision of our Board of Directors, Administration, Faculty, and Staff.

Staying true to our mission of ensuring that every young woman has the opportunity to experience an Oakland Catholic education, despite their financial circumstances, is made possible with the philanthropic support of our benefactors. Oakland Catholic High School is strengthened each day by this steadfast support that inspires others to take a more active role for the benefit of our students. In thanksgiving for the contributions offered on behalf of our students, we remember our benefactors in prayer during the school year. It is a privilege, and an honor, to steward your generous donations.

May God bless you in bountiful ways for the gifts you have shared so generously with Oakland Catholic High School.

With heartfelt gratitude,

Karen Marner

Our Mission

Established in 1989, Oakland Catholic High School continues to educate young women in the tradition of schools such as Our Lady of Mercy Academy, Sacred Heart High School, and St. Paul Cathedral High School. Part of a 150+ year legacy in the Diocese of Pittsburgh, our alumnae serve as leaders in their communities, around our nation, and the world. Oakland Catholic's mission is to provide a value-oriented, college-preparatory education rooted in the Catholic tradition. It seeks to establish an atmosphere that regards the teaching of the Church as a catalyst for a lifetime of action. The Oakland Catholic educational experience develops ethical, responsible, and competent leaders who are globally conscious. Aware of the dignity of the students in its care, Oakland Catholic fulfills its mission by developing the intellectual, spiritual and personal potential of each student.

With an average population of 500 students, we are large enough to furnish a variety of course offerings and unique programs, but small enough to provide individual attention. Our student population hails from 45 different school districts, 4 counties and countries, and is diverse in many ways: 2% international, 38% of color, 69% from the suburbs, and 36% non-Catholic. They share perspectives and bond as one school community. With a retention rate of 98%, Oakland Catholic High School provides a nurturing, caring environment where students are members of a dedicated school community committed to growth in Spirituality, Scholarship, and Service. We come together as a community, as one school—Oakland Catholic High School.

Oakland Catholic High School is a Christ-centered, college preparatory school for young women of diverse backgrounds. The Oakland Catholic community is committed to an environment that promotes spiritual formation, excellence in education, a wide range of activities and athletics, and service to others. Formed under the patronage of St. Joan of Arc, Oakland Catholic is dedicated to teaching young women to lead lives of faith, courage and commitment as they lay the foundation for their future as responsible and respected global leaders.

Our Philosophy

Oakland Catholic High School, a Roman Catholic school, dedicates itself to providing a value-oriented, college preparatory education for young women in an atmosphere that regards the Church's values as catalysts for action. We serve several constituencies: The Bishop and the Diocese of Pittsburgh, the students and parents, and the broader community. Aware of the dignity of students in our care, we fulfill our mission by developing their spiritual, intellectual, and personal potential. Spirituality, Scholarship and Service represent the focal points of our mission and philosophy.

"I love teaching at OC for a myriad of reasons, but primarily because the commitment of our entire community to nurturing multi-faceted growth in each student inspires me daily. As a faculty member and OC alumna parent, I'm exceedingly proud to be an OC Eagle."

OUR HERITAGE & HISTORY

Since its establishment in 1989, Oakland Catholic High School has been educating young women from the City of Pittsburgh, its suburbs, and beyond. Oakland Catholic draws upon the histories, foundation, and alumnae of former high schools including Our Lady of Mercy Academy, Sacred Heart High School, and St. Paul Cathedral High School to continue the over 150-year tradition of the Diocese of Pittsburgh to educate young women in an all-female setting. The richness of this tradition continues here today at Oakland Catholic High School.

"To me, Oakland Catholic signifies confidence. During our time here, I've felt confident in my daughter's education, confident in her future, confident in the exceptional young woman she's becoming. Most importantly, I've seen her confidence in herself grow exponentially."

"It was an honor to be included in this year's OC Career Symposium. I really enjoyed being back in the building to reminisce and share my journey with the OC students. I'm delighted to hear that I may have made even a small impact! OC truly played an immense role in my life—enabling me to develop my spiritual, intellectual, and personal potential. I'm more than happy to help in any capacity in the future, so keep me in mind!"

"OCHS has created a dynamic curriculum academically and provides exciting extra-curricular activities. Students receive a world-class education preparing them for an international stage. As news is no longer merely a localized focus, neither is the educational experience for each OC Eagle. St. Paul Cathedral High School prepared us for the world of then. Oakland Catholic High School prepares students for now and the future to be."
