

After School Program & Summer Camp Behavior Rules and Expectations

While attending After School Program and/or Summer Camp, the following are not permitted:

- Teasing, Taunting or verbal harassment of others
- Hitting, kicking, biting or any physical abuse towards a teacher or another child
- Any behavior/action where a child could harm themselves
- Running away, eloping or hiding from staff members
- Destroying or attempting to destroy the property of another child, a staff member or the school
- Any behavior that would force a teacher to use physical restraint
- Any behavior that would seriously disrupt the organization or sense of order of the program
- Any behavior intended to break down the system of mutual respect
- Not listening to a teacher, refusing to follow a teacher's instructions or willful defiance of a staff member

If a child violates these expectations, parents will be informed and the following may occur:

- A child may be put on a "behavior contract" if they continually violate an expectation
 - The purpose of the contract is to help the child to understand what is expected of them and what steps will be taken if the behavior continues
 - We believe this understanding will help your child to be responsible for their behavior and actions
- If regular violations of the rules continue or a violation is egregious enough, the following consequences may occur:
 - First Violation - a one-day suspension or longer may be given
 - Second Violation - a two-day or longer suspension may be given
 - Dismissal from the program
- Parents will be advised of their child's behavior on a regular basis

By signing below, I acknowledge the Behavior Rules and Expectations of the Apple Blossom After School Program and Summer Camp.
