NEWBURYPORT PUBLIC SCHOOLS

Optional Chromebook Insurance

As part of the 1:1 Chromebook program at the Rupert A. Nock Middle School, each family is strongly encouraged to purchase accidental damage and mechanical failure insurance prior to the deployment of a Chromebook to your child. The insurance policy will be in effect for one entire school year. The Newburyport Public Schools will be the sole provider of this insurance. Under this insurance policy, Chromebooks are protected against accidental damage including drops and spills, or mechanical damage, up to \$250 in damages. If a device or part is found to be defective, it will be replaced at no cost, so please report any abnormalities to building administration ASAP. This insurance policy does not cover theft or loss of the device's charger, or damages caused by intentional misuse and abuse. Families will be charged the cost of replacement if the damage is determined to be caused by intentional misuse and abuse. If the device is stolen you will need to file a claim with your home or auto insurance carrier and reimburse the Newburyport Public Schools for a replacement device.

The payment of **\$25.00** for insurance coverage can be made out to **City of Newburyport**.

PLEASE SUBMIT PAYMENT WITH THIS FORM. PAYMENT MUST BE MADE IN ORDER TO ACTIVATE INSURANCE COVERAGE.
