

APAAS Car Line Instructions

Please see the map on the next page as a reference. ALL VEHICLES MUST FOLLOW THIS ROUTE.

1. Approach the school on Camphor Street from the east (Transcontinental Dr.), turn right on Condon, then right on Atom, and right again into the parking lot.
2. DO NOT approach the school on Camphor Street from the west (David Dr.). Left turns on to Condon are prohibited during school zone hours.
3. Do not block driveways or intersections along the route while parked or once the line starts moving.
4. Drivers MUST remain in their vehicles at all times.
5. Please allow APAAS staff members to enter the line when needed. The carline lot also serves as the parking lot for staff and members may be arriving or leaving during car line.

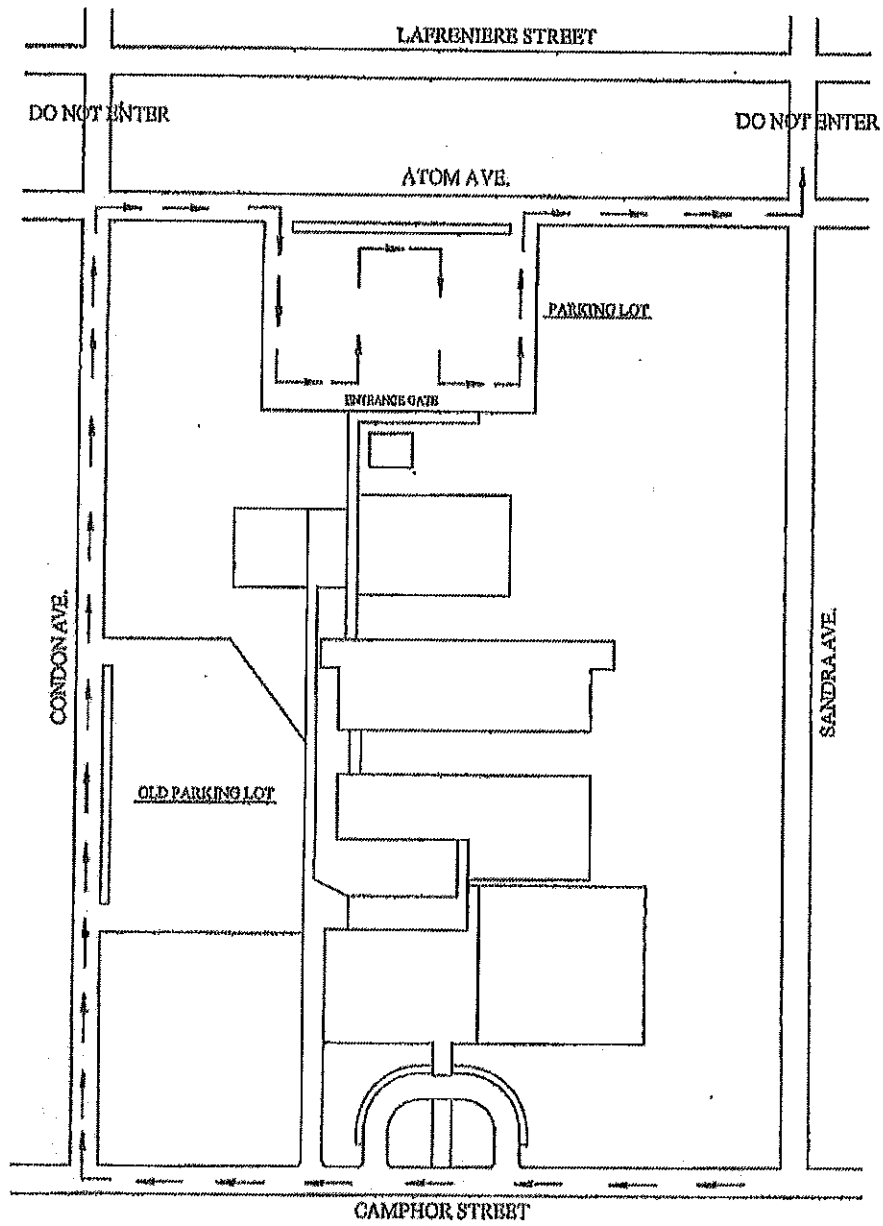

MORNING CAR LINE

- Morning drop off begins at 6:50 am and ends promptly at 7:20 am.
- The gate will remain closed in the mornings until 6:50 AM, at which time a faculty member will open it to allow cars to enter. DO NOT PULL INTO THE GATE until 6:50 am. If you are lined up in the parking lot before 6:50, you will be asked to pull back around.
- When you enter the parking lot, PLEASE have your child unbuckle and put on their backpack.
- Please have your car doors UNLOCKED and have your child on the PASSENGER side ready to get out when your car stops.
- Teachers and safety patrol are NOT allowed to take a child out of the car! If your child refuses to get out after a few minutes you will need to go to the front of the school and drop them off.
- As soon as you are stopped at a cone your child can exit the car.
- Do not go around the car in front of you unless directed to do so.
- If you arrive and the gate is closed, you will need to go to the front of school and walk your child in to the office.

AFTERNOON CAR LINE

- Afternoon carline begins at 2:10 pm and ends promptly at 2:35 pm.
- Please have your child's carline number visible for staff to see and keep it visible until your child is in your car.
- Help your child learn their carline number. Once they are assigned a number, it is theirs for the duration of their enrollment at Airline Park. Knowing numbers helps carline move quickly.
- Pull forward to the next available cone and wait for your child to be brought to your car.
- Teachers are on duty at cones to supervise children entering cars and monitor the safety of the students. If you need to speak to a teacher, please email to request a conference.
- If your child needs assistance to be buckled into a car seat or booster seat, please have them carefully sit in the seat while you exit the parking lot. Drivers should turn on to Sandra Ave. and pull to the side in order to safely buckle their child.
- Do not go around the car in front of you unless directed to do so.
- If you arrive and the gate is closed, you will need to go to the school office.

Above all, please be patient with everyone (staff, students, and other drivers) involved in the arrival and dismissal process.
