WSISD TO IMPLEMENT CLEAR BACKPACK POLICY IN GRADES 6 THROUGH 12

To enhance campus safety, support faster entry into school events and buildings, and help staff quickly identify prohibited items while maintaining a welcoming atmosphere for students, WSISD will implement a clear backpack policy in grades 6 through 12 beginning with the 2026-27 school year. Please visit the link for [Frequently Asked Questions](#) and additional information.

We understand changes like this can require adjustments, but this proactive measure is an additional way that we can help create a secure learning environment for our students. By working together as a school community, we can continue to provide safe, focused, and supportive campuses where every student can learn and thrive.

2026-27 OPTIONAL DEVICE PROTECTION PROGRAM AVAILABLE FOR STUDENT LAPTOPS

Starting with the 2026-27 school year, White Settlement ISD will provide students in grades 3 through 12 with a Dell Laptop for educational purposes for free. An Optional Device Protection Program may be purchased upon completion of new student enrollment/returning student verification.

For grades 3 through 6, the laptops remain in the classroom. In grades 7 through 12, students may take home the device. All laptops and chargers must be returned at the end of the year in the same condition in which they were issued.

The Optional Non-Refundable Device Protection Program Fee will cover accidental damage for the first incident and discounts for subsequent incidents of accidental damage. If the OPTIONAL Non-Refundable Device Protection Program is not purchased, the student will be responsible for the repair or replacement fees. [Click the link](#) for fees and additional information.

Program Details

Parents/guardians and students must acknowledge and consent to the WSISD Technology Handbook as well as the WSISD Student Handbook through digital signature in Gradebook/Skyward, prior to participating in the program. This is a regular part of the registration process in Skyward.

Parents/guardians are encouraged to review this agreement with their student(s) prior to registration, as parental consent covers student consent. Once registration is complete, parents/guardians may access and submit the [Google Form](#) to participate in the 2026-27 Optional Device Protection Program. Deadline to participate is Aug. 28.

If a family opts in, families will receive an email notification with an invoice and payment instructions. Payment is required to be fully covered and should be made by Sept. 11 to remain enrolled.
