Dear Parent/Guardian,

Each year at this time of summer, our thoughts begin to turn from vacations toward the beginning of another school year. I hope that the past weeks have been relaxing and restful and that you are as enthusiastic about the upcoming year as I am. To assist you and your student in preparing for the first days of school, please find below some important information for you to review together. Please take some time to review and navigate this resource.

* We have posted the student handbook on the Roxbury.org website. You may access this information by opening the roxbury.org website, click on "high school," then scroll over the student life tab on the navy banner and click on the student handbook.

* Dress Code - Our updated dress code is intended to support the teaching and learning process. I ask for your assistance in this matter by ensuring that your student dresses according to the school policy. I have included a copy of the dress code with this correspondence.

*** Roxbury High School Cell Phone Policy for the 2026-2027 School Year**
To ensure an optimal learning environment for all students, Roxbury High School will implement its cell phone usage protocols for the 2026-2027 Academic School Year, in accordance with both district policy and New Jersey Public Law # 2025 c.195. All students will be asked to keep cell phones out of sight from 7:25 a.m. until 2:07 p.m. Students must keep cell phones in backpacks or lockers for the duration of the day. Failure to do so will result in a conduct violation via the student code of conduct of Roxbury High School.

* I would like to call your attention to our attendance regulations regarding the number of permissible unexcused absences allowed in a specific course: 14 absences in a full-year course, 12 absences in a three-quarter course, 7 absences in a half-year course, and 4 absences in a quarter course. In addition, medical notes will only be accepted within ten days of the student's absence.

* Once again, we will maintain our agreement with the Roxbury Police Department, and we will be receiving assistance with school security. Officer Paul Santos will continue to serve as the liaison between the Police Department and the school district, acting as our school resource officer.

* Back-to-School Night will occur during the first month of school. Please mark your calendar and join us on Thursday, September 3, 2026, at 6:30 p.m.

We extend a sincere invitation to collaborate with our leadership team, teachers, counselors, coaches, and advisors in your student's educational journey. Our collective aim is to inspire a lifelong passion for learning and guide each student toward becoming a contributing member of our community and a productive citizen. For our partnership to thrive, strong communication is essential. Please connect with your student's counselor or teacher regarding any concerns. Together, we're ready to make this a fantastic year for all Gaels!!

Respectfully,

William Crispino

Dear Grade 11 Parents and Students:

This year, we are continuing our process for digital submission of forms and documents that must be read and approved by parents and students. All of the required documents will be posted on the Genesis portal. Therefore, parents (and in some cases students) will read and submit the responses electronically.

Required documents found in Genesis include: Emergency Contact Form, Code of Conduct Form, Fan Code of Conduct Form, Media Consent Form, Anti-Bullying Rights Policy, and the Technology Acknowledgement Form. The forms will be available on August 14. The Free and Reduced Lunch Form can be found in the parent portal as well.

Information regarding school (student) accident insurance is posted on the RHS website under the Parent/General Resources tab. I would encourage parents to consider this low-cost option because the District does not carry student accident insurance. Underclassmen pictures will be taken on August 27, August 28, and August 31 during their physical education classes. For the upcoming school year, photo ordering for students in Grades 9-11 will transition from a pre-pay and school code system to a proof-based method, similar to our current process for seniors. Parents will receive individual student codes, enabling them to view images before making a purchase.

Once all forms have been submitted, reviewed, and approved, parents will be given access via Genesis to student schedules. Student schedules will be available on the parent portal after 3 pm on August 15 for those who have completed all required digital paperwork.

The first day of school for all students is Wednesday, August 26. Back-to-School Night will be held on Thursday, September 3, at 6:30 pm. Please mark your calendars. We hope that you find all the information on our website regarding the opening of school convenient for you and that you appreciate our efforts to reduce the cost of paper and postage. Always remember, every day is a great day to be a Gael.

Respectfully,

William Crispino
