Core Course	Prerequisites
Honors English 6	Strong reading and writing skills are required. MAP assessment data, teacher recommendation, and an A average in 5th grade reading and Language Arts are all considered.
Honors History 6	Strong reading and writing skills are required, along with teacher recommendation and an A average in 5th grade Social Studies and 5th grade Reading.
Pre-Algebra (Honors) *Preparation for High School level course (Algebra 1)*	MAP assessment data, placement test for new students, teacher recommendation, and A average in 5th grade math are required. This is an **advanced course** that requires independent studies.
Life Science (Honors) *Preparation for High School level course (Physical Science)*	Strong reading and writing skills are required, along with an A average in previous science coursework, and teacher recommendation. This course pairs with Honors Pre-Algebra and is an **advanced course** that requires independent studies.

Honors Courses are awarded an additional partial point, which goes towards their weighted GPA. Honors Courses are higher-level, and higher critical thinking, problem-solving, independent learning, and homework time should be expected in these courses. Due to the accelerated pace and rigor of these classes, students should demonstrate a level of maturity.

Elective Course	Prerequisites
Spanish I and II	Two years of a foreign language are required for graduation. This is a **high school** course that counts toward the graduation GPA.
Art Elective	Art Portfolio: Three to five art drawings of any art medium needs to be submitted directly to Mrs. Caballero by May 1st unless the student is currently enrolled in the art program. aldys.caballero@floridachristian.org.
PE	PE OPT OUT WAIVER: Physical education is required in grades 6, 7, and 8. A parent/guardian may request a waiver for their student to opt out of the requirement. This option should be utilized at the parent's request only. The student's parent indicates in writing to the school that the student is participating in physical activities such as a club sport, league, dance company, martial art, or FCS MS sports outside the school day, which are equal to or in excess of the mandated requirement. If completing the outside physical activity through an FCS sport, the student will need to be an active participant of a sport season.
