Morris County Vocational School District

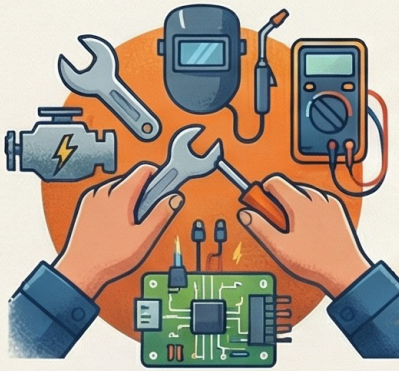

Inspire. Prepare. Succeed.

Your Personal Career GPS: Find Your Pathway with MCVSD Share-Time

Pathway 1: Skill Builders

A hands-on route to job-ready skills.

For students who learn best through immersive, practical, and career-focused training.

Outcome: Industry Credentials & Employment Readiness

Prepares students for apprenticeships, state licensure exams, and direct entry into the workforce.

Example Programs:

- Auto Tech
- Cosmetology
- Welding
- HVAC & Electrical Trades

Pathway 2: Curious Explorers

Explore high-growth career interests.

For students who want to discover their passions before committing to a postsecondary path.

Outcome: Informed Decisions About the Future

Gain practical exposure to emerging fields like healthcare, business, and automated manufacturing.

Example Programs:

- Business
- Robotics
- Healthcare (EMT, Dental/ Medical Assistant)

Pathway 3: Academic Accelerators

The express lane for earning college credits.

For academically motivated students ready for rigorous, college professor-led courses.

Outcome: College Credits or an Associate's Degree

Students accelerate their education and gain firsthand experience on a college campus.

Example Programs:

- Cybersecurity
- Engineering
- Allied Health
- Criminal Justice

MCVSD's Share-Time programs act as a bridge between high school and the professional world. Students gain career skills, industry credentials, or college credits while remaining enrolled in their home high school for graduation and student life.
