

FHSCCA 26-27 Parking Privileges Regulations and Contract

Students who choose to drive to school are expected to follow all parking regulations. Parking on campus is a privilege, not a right. Failure to comply with these regulations may result in the suspension or revocation of parking privileges.

Parking Regulations

1. Students must park in school-approved parking areas only. Parking spaces will be numbered, and the parking permit must match the assigned numbered space. Vehicles parked in unnumbered or unauthorized spaces will be towed at the owner's expense.
2. Parking permits must be displayed at all times by hanging them from the inside rearview mirror so they are visible through the front windshield.
3. If a permit is lost or left at home, the Discipline Director's Office may issue a temporary parking permit. Temporary permits are valid for one (1) school day only.
4. Students are not permitted to return to their vehicles during the school day without administrative approval.
5. If a student's parking permit is suspended, a traffic cone will be placed in the student's designated parking space until the permit is reinstated.
6. Students may not loiter in the parking lot before or after school. Students must report directly to their designated area upon arrival and leave campus promptly after school. Sitting in vehicles is prohibited. Violations may result in suspension of parking privileges.
7. The School Resource Officer (SRO) may issue citations and assess fines for parking and moving violations committed on campus.
8. Parking violations are subject to a \$20 fine, payable to the main office. Payment is due within two (2) weeks. Failure to pay may result in:
 - o Loss of parking privileges.
 - o A hold being placed on the student's report card or diploma.
9. Students are expected to be in 1st Block by **7:20 a.m.** Unexcused tardies will result in the following consequences:

Number of Tardies	Consequence
1–4	No penalty
5–9	After-school detention
10	Suspension of parking privileges for 10 school days
11 or more	Parent conference and suspension of parking privileges for the remainder of the semester or 20 school days, whichever is longer

10. Vehicles will be towed at the owner's expense for any of the following:

- Parking in a numbered student parking space without a valid student parking permit displayed.

- Parking in an unnumbered parking space.
 - Parking anywhere on campus outside of a designated parking area.
 - Parking on campus without a valid faculty or student parking permit.
11. Once a student drives onto campus, he or she is considered "at school" and must check out through the front office before leaving campus. Violations may result in disciplinary action and loss of driving privileges.
 12. Students may not back into parking spaces.
 13. Vehicles may not display obscene or inappropriate stickers, decals, or other adornments.
 14. Students may not drive to Wiregrass classes without completion of the DE transportation agreement. Violations may result in suspension of the student's parking permit at the administration's discretion.
 15. Students who skip class and leave campus will have their parking privileges suspended. Additional disciplinary action may be taken at the administration's discretion.
 16. Parking is a privilege and may be revoked at any time for violations of these regulations. Parking permit fees are non-refundable.
 17. Parking permits cost: \$40 for the full school year. \$20 if purchased January or after.
 18. Students who accumulate more than **nine (9) unexcused absences** during a semester will lose parking privileges for the remainder of that semester.
