ARRIVAL AND DISMISSAL EXPECTATIONS

The law states that the school and parents share in the responsibility of a student's conduct to and from school. The same good behavior expected from students at school is expected from them as they travel back and forth to school.

Boulder Creek is a **closed campus,** and all foot traffic is channeled through the main (office) entrance during school hours to help us monitor the people entering/exiting campus. We ask for your cooperation with our routines, procedures and protocols to ensure the safety of our students as well as school property.

Please help us enforce these safety guidelines:

- The front office will be open between the hours of 7:00 a.m. - 4:00 p.m. on school days, except in the event of a school emergency.

- **Before school** and **after school** the gates on the east side of campus (at the back drop-off loop), on the front side of campus (between the Kindergarten playground and the cafeteria), and the front west side of campus (near the office) will be opened to allow for traffic flow with students and parents entering and leaving campus.
    - **Arrival *Regular* and *Minimum* Days**: The four above-mentioned gates will be open between 7:30 a.m. and 8:15 a.m. for students to enter the campus without coming through the office.
    - **Dismissal *Regular* Days**: These gates will be open from 1:45 p.m. - 2:20 p.m. during dismissal.
    - **Dismissal *Minimum* Days**: These gates will be open from 12:50 - 1:20.

- **ALL school visitors between the hours of 8:15 a.m. and 1:45 p.m. (8:15-12:50 on minimum days),** must **use the main entrance through the school office.** Visitors will be required to scan identification and receive a guest pass. This is to secure the campus and monitor those present at Boulder Creek.

- Please **do not hop fences or ask other adults or students to open gates** during the closed campus school hours.

Please note that the **bus loop gate WILL NOT** be unlocked for drop-off and pick-up. This gate will only be opened upon the arrival of the bus for the bus riders only. The gate will then be locked again. Do not use the bus loop for drop-off or pickup, as the gate will be locked and students will not be able to enter.

EXPAND parents should enter the EXPAND building, room 28, from the back parking lot.

Supervision for students does not begin until 7:30 a.m. For this reason, students may not arrive at school before 7:30. Students MUST report to the cafeteria, playground or for 6th-8th graders the junior high quad area upon arrival at school. A student may report to his/her classroom ONLY IF HIS/HER TEACHER HAS GRANTED PRE-ARRANGED, EARLY-MORNING ENTRY UNDER THE TEACHER'S SUPERVISION. If permission is given, classrooms can only be accessed through the exterior doors.

ARRIVAL AND DISMISSAL EXPECTATIONS (continued)

To ensure the safety of all children, students must be picked up at their dismissal times. The school does not provide supervision for students after 2:20 p.m. on regular days and 1:20 p.m. on minimum days. Every Monday is a minimum day. If students are not picked up by the aforementioned times, they will be escorted to the office. Parents will then be required to go to the office to check students out. Remember, this is to ensure your child's safety, so please be prompt when picking up your child.

- Students waiting for the bus after school must do so in the designated area.
- Students arriving late or leaving early must be checked in or out through the office.
- Students with Inter-District or Intra-District Agreements who are consistently tardy, absent, or not picked up on time may jeopardize their Inter-District or Intra-District Agreements.

ASSIGNED PARKING LOTS FOR DROP-OFF AND PICK-UP

This year, you will be **assigned to a specific parking lot for morning drop-off and afternoon pick-up**. It is extremely important that you stick to this because your child/children will be taken to this area after school. **If you have multiple BC children**, we do not want you to have to go from parking lot to parking lot, so **you will be picking all of your children up together in one location.** This **location is decided by the youngest child in the family**. Older children in the family will need to find their youngest sibling at the pick-up location that is assigned to that sibling's grade level. For example, Kindergarten will be picked up in the front parking lot, so all older siblings of Kindergartners will report to the dismissal location to find their Kindergarten sibling's class at the front of the school and wait for their parents there together. We will be out to help older siblings find their pick-up point. This should only take a day or two to get into the routine of where to go.

Parking Lot Assignments by Grade-Level:

- TK/K (and all older siblings) - Front Lot
- 1 and 2 (and all older siblings) - Back Lot
- 3 and 4 (and all older siblings) - Front Lot
- 5 (and all older siblings) - Back Lot
- 6-8 (and all older siblings) Front Lot

Please **do not arrive earlier than your <u>oldest</u> child's release time** (see above), as we want to be able to clear the parking lot quickly for each group. If you have multiple children who are released at both times, please find a parking space rather than waiting in the pick-up lane, as this will block the lane from moving as you wait for your older child. Thank you for your cooperation.

EXPAND AFTER-SCHOOL PROGRAM

EXPAND is an after-school program for Boulder Creek students. It is designed to provide fun activities, clubs, and homework help. Contact Boulder Creek's EXPAND After School Program at 530-224-4164.

LIBRARY

The library is open on school days from 7:50 a.m. to 2:30 p.m. Students are encouraged to use the library for the purpose of checking out reading books, taking Accelerated Reader tests, and/or conducting research. Students are expected to care for all library materials and return books in good condition. Parents are responsible for lost or damaged library materials and will be charged for replacement costs.

SCHOOL SAFETY

SCHOOL SAFETY PLAN: In accordance with EESD Board Policy, Boulder Creek School has a comprehensive School Safety Plan. The plan is reviewed annually with the School Site Council and practiced regularly to ensure the safety of all students and staff should an emergency arise. Our School Resource Officer and school administration work together to practice designated drills. Parents can support the safety of our students by instructing their children to obey the directions of their teachers, yard duty supervisors, office and support staff, bus drivers (if riding), and administrators. All visitors are required to sign in at the front office and obtain a visitor's pass.

ACADEMIC EXCELLENCE

HOMEWORK POLICY

The staff at Boulder Creek Elementary School believes homework plays an important role in the education of children. Nightly reading is critical for your child's academic success. Therefore, nightly reading should be assigned to each child. Homework should reinforce concepts that have already been introduced by the classroom teacher. Students should be able to successfully complete homework assignments with minimal help from adults. At times, projects may be included as homework. All students should have access to the necessary material to complete the project. If you need help with materials please contact your child's teacher.

Nightly Reading Guidelines		Additional Homework Guidelines	
Kindergarten	15 minutes per night	Kindergarten	10-15 minutes per night
First Grade	15–20 minutes per night	First Grade	10-20 minutes per night
Second Grade	15-20 minutes per night	Second Grade	15-25 minutes per night
Third Grade	20-30 minutes per night	Third Grade	20-30 minutes per night
Fourth Grade	30 minutes per night	Fourth Grade	25-40 minutes per night
Fifth Grade	30 minutes per night	Fifth Grade	30-45 minutes per night
Sixth Grade	30 minutes per night	Sixth Grade	35-50 minutes per night
Seventh Grade	30 minutes per night	Seventh Grade	40-55 minutes per night
Eighth Grade	30 minutes per night	Eighth Grade	45-60 minutes per night

Remember these are guidelines. Some children may need a bit more time to complete their homework. If homework becomes burdensome, please contact your child's teacher.

Teacher Responsibility

Teachers will follow Boulder Creek homework guidelines and will communicate class homework assignments to parents and students on a weekly or daily basis. Teachers will distribute an informational letter to parents explaining class expectations, grading, and homework policies. Teachers will inform parents about homework expectations throughout the school year, including during Back-to-School Night and in parent communications. If a student repeatedly fails to complete homework, parents/guardians will be notified. If parents have questions about homework, they can contact teachers via email, in writing or in person. Teachers will respond to parents' questions promptly. Homework will not be assigned as punishment. 6th-8th grade teachers will coordinate assignments as needed and will provide a progress report every three weeks. Parents of middle school students may access their child's grades online at: bouldercreek.eesd.net. Click on the PowerSchool Parent Portal Login. Use of this site requires a username and password that all parents created at the time of enrollment. Parents may call the school office for assistance if they have forgotten their login user name or password. Junior high teachers voluntarily maintain class websites, which can be accessed at: bouldercreek.eesd.net.

Guidelines for Parents

Parents can help students with homework by:

- ★ Attending Back-to-School Night
- ★ Showing interest in the student's school work
- ★ Checking to see if homework assignments are complete
- ★ Encouraging students to complete homework
- ★ Providing a regular time and quiet place for students to complete homework, and discussing concerns with the teacher if homework seems to be causing problems for the student
- ★ Staying connected with teachers by checking grades online (6th–8th grade), reviewing progress reports, attending conferences, and reading school communication.
- ★ Encourage positive patterns of food, exercise, and sleep

Guidelines for Students

Students will be most successful by:

- ★ Coming to school with the necessary supplies
- ★ Asking for clarification of assignments and for help when needed
- ★ Scheduling a regular time and quiet place to complete homework
- ★ Completing homework and handing it in when it is due
- ★ Doing his or her best on homework assignments
- ★ Taking home and using daily assignment calendars, textbooks, and supplies
- ★ Grades 4-8 thoroughly complete their daily planner
- ★ Sharing class and school assignments and expectations with parents.
- ★ Maintain a positive attitude and positive character traits.

RESOURCES

Your child's teacher and his/her peers are always great resources to help with homework. Many teachers use their own time to stay after school and help students with homework. Students can also build relationships with classmates to study and work together outside of class to complete projects and homework assignments. Grades 4-8 *may* have access to some form of homework club.

HOMEWORK REQUESTS DUE TO ABSENCES

Homework requests may be made if a student is absent from school. Please allow 24 hours for teachers to assemble the needed work and deliver it to the office. All assignments can be picked up in the office after 3 pm. The completed work should be returned to the teacher(s) when the student returns to school, unless other arrangements are made. Additionally, homework assignments can be accessed through the 6-8th grade teachers' websites.

REPORT CARDS

Report cards will be issued at the end of each trimester. For the first and second trimesters, parents will be given report cards during their conference time. If you are unable to attend your child's conference, report cards will be sent home, or parents may access them through the PowerSchool parent portal. The third trimester report card will either be sent home with students, or parents may access them through the parent portal at the end of the school year.

STUDENT RECOGNITION

During the year, students are recognized in the following ways:

- ★ Attendance
- ★ Golden Bear
- ★ TK-8th Grades Awards Assemblies
- ★ 'Caught You Being a Leader'
- ★ Leader in Me Assemblies
- ★ Positive Principal Call
- ★ Academics
- ★ Student Shout-Outs

ACADEMIC HONESTY

Boulder Creek students are expected to develop the highest standards of academic honesty. Most students conduct themselves with integrity and are disturbed when they observe others cheating. Cheating harms our community in many ways. Honest students are frustrated by the unfairness of undetected, and therefore unpunished, cheating. Students who are dishonest about their academic work also cheat themselves of a real education. They rob themselves, not only of important knowledge, but also of the experience of learning how to learn. In the workplace, students will learn that most professions have a code of ethics and standards to which they will be expected to adhere. At Boulder Creek, students are expected to practice the integrity they must demonstrate later in life. For all of these reasons, academic misconduct is considered a serious offense.

What is academic misconduct? Students are guilty of cheating when they present, as their own, work they did not do. Students are also guilty of cheating if they help someone else to cheat. One of the most common forms of cheating is plagiarism, which is using another's words or ideas without giving proper credit. Teachers discuss the topic of plagiarism, as well as examples, with their students as appropriate. The temptation to cheat can be eliminated by developing and practicing sound study habits, keeping up on class work as it is assigned, and by making good use of the help offered. Parents and students are strongly encouraged to communicate with the teacher if the student is encountering emotional and/or health problems that distract from studies and interfere with concentration.

TECHNOLOGY

All students receive instruction in appropriate digital citizenship. Students in grades 2-8 receive additional training in Internet safety and anti-cyberbullying. To prepare students to compete in a technological world, the district has implemented cutting-edge applications of technology to enhance in-depth learning and promote innovation. Each student has access to Chromebooks in the classroom. Every classroom also utilizes Clear Touch technology as a tool for teaching and learning. Students may use technology to collaborate on projects through shared applications. Although the district maintains strict firewalls, students should only access internet sites condoned by school staff.

STUDENT SUPPORT SERVICES AND PROGRAMS

STUDENT STUDY TEAM (SST): A Student Study Team (SST) is an efficient and effective way to bring together all resources in the best interest of helping students. The team is made up of a special education teacher, classroom teachers, the school psychologist and/or counselor, the parent, and the administrator. When appropriate, the student will also attend. Students may be referred to the SST Team by a teacher, parent, counselor, health clerk, administrator, or psychologist. When a student is referred, information is gathered concerning academics, discipline, behavior, and health. Students are most successful when there is a cooperative effort between parents and school personnel in a spirit of shared responsibility. The SST meets at the school or virtually to explore and problem-solve in order to help and support students having difficulties in class. The team is a problem-solving body that can help define the needs of the students and the school and help translate those needs into a plan of action.

SCHOOL COUNSELOR: A counselor is on site to provide additional support to students as needed. Parent permission must be obtained in order for students to receive counseling services. School counseling is designed to be a short-term reinforcement (not in-depth therapy) in order to provide students with tools to negotiate and cope with challenges they may be facing.

SOCIAL/EMOTIONAL (SEL) CURRICULUM: SEL curriculum is designed to reduce impulsive and aggressive behavior in children by increasing social competency skills. Students are taught to reduce impulsive, high-risk, and aggressive behaviors and increase their socio-emotional competence and other protective factors. Group discussion, modeling, coaching, and practice are used to increase students' social competence, risk assessment, decision-making ability, self-regulation, and positive goal setting. The program's lesson content varies by grade level and is organized into three skill-building units covering the following.

- Empathy – teaches children to identify and understand their own emotions and those of others.
- Impulse Control and Problem Solving – helps children choose positive goals, reduce impulsiveness, and evaluate consequences of their behavior in terms of safety, fairness, and impact on others.
- Anger Management – enables children to manage emotional reactions and engage in decision-making.

LOVE AND LOGIC (www.loveandlogic.com): Love and Logic, a philosophy espoused by Dr. Charles Fay, is a way of working with children that puts parents and teachers in a positive position of reasonable control, teaches children to be responsible, and prepares children to live in a world with many choices and consequences. Respect and dignity for self and others are emphasized. Classes are taught by individuals who have received training on Love and Logic.

PROGRESSIVE DISCIPLINE PLAN

CORE BELIEFS ABOUT DISCIPLINE

At Boulder Creek School, it is our goal to promote positive behavior, responsibility, and the joy of learning. Each child is an individual with their own personal, social, and educational needs. As a result, every disciplinary situation is unique in nature. Consequences for misbehavior provide the best learning value when matched to the student and situation. The odds for children learning from their mistakes increase dramatically when children see a reasonable connection between their behavior and the resulting consequences.

Social-emotional growth is best accomplished by a combined effort between home and school. Boulder Creek staff takes pride in the positive partnership with parents/guardians, as this has proven crucial to the success of our students. We look forward to the continued team approach, which makes Boulder Creek School one of the "Best in the North State".

POSITIVE STUDENT SUPPORT

At Boulder Creek, our first choice of discipline is always positive. We seek opportunities to use positive reinforcement such as Positive Praise, Golden Bears – Grades 1-5, Positive Principal Calls, Caught You Being a Leader Slips, Lunch with the Principal, and TK-8th Grade Recognition Assemblies, among others, to reinforce a positive culture on our campus.

BEHAVIOR EXPECTATIONS

Behavioral expectations are based upon positive character traits taught and reinforced regularly at school. All students should strive to exhibit, through their words and actions, a positive attitude, respect for all, and integrity. In addition, students should do the right thing and show efforts toward learning. Below are some examples of specific expected behaviors at school:

- ★ Respect the property of the school and others.
- ★ Name-calling, threatening, pushing, and fighting are not appropriate or acceptable responses to resolving problems and will not be tolerated.
- ★ Profanity and abusive language are not permitted.
- ★ Students are expected to be respectful to each other and the adults who work at Boulder Creek School.
- ★ Students will follow the directions given by the adults who work at Boulder Creek School.
- ★ Items that are distractions to the learning environment should be left at home (gum, toys, etc.).
- ★ Please leave all electronic and Bluetooth items at home. (*See more details in the special note below*).
- ★ Children may not trade or give away money or personal possessions during the school day. They also may not buy or sell items.
- ★ During school time, students must have a hall pass when reporting to the office, library, restroom or any other place on campus that is not the classroom or playground. Passes are available from teachers or yard duty aides.
- ★ No student is to be in a classroom unless an adult is present.
- ★ Food is to be eaten in designated areas only.
- ★ Use the correct behavior in designated areas: playground, cafeteria, library, walkways, bathrooms, and classrooms.
- ★ Main building hallways will be locked until 8:00 am. Students should enter class in the morning from the classroom's exterior door.
- ★ No energy drinks are allowed at school. Examples: Red Bull, Rock Star, Monster, sodas and coffee drinks.

Boulder Creek School-Wide Behavior Plan

Our goal is to develop respectful, responsible, and safe citizens who are ready to learn.

PROGRESSIVE DISCIPLINE GUIDELINES

Inappropriate behavior, not prevented through Boulder Creek's Positive Behavior Plan, falls into three levels of offenses. Each level is addressed either by the classroom teacher or the school administration.

LEVEL 1 choices are handled by the teacher in conjunction with the classroom management plan. Teacher documentation of behavior and action is highly suggested.

- Disruptive Behavior

- Back-talking/arguing
- Inappropriate gestures/language
- Open defiance
- Stealing
- Cheating/lying
- Throwing objects
- Inappropriate body contact
- Escalation of Level 1 choices

LEVEL 3 choices are automatic referrals to administration. Specific communication to administration and written documentation on referral must be completed by the teacher if the behavior occurred in the classroom. Other school staff must also refer students for level 3 offenses. Parent contact will be made by administration.

- Repeated disrespect for authority

Harassment and Bullying

Bullying is an aggressive behavior that involves a real or perceived imbalance of power between individuals with the intent to cause emotional or physical harm. Bullying can be physical, verbal, or social/relational and may involve a single severe act or repetition or potential repetition of a deliberate act. Bullying can create unnecessary and unwarranted anxiety that can affect student attendance, playing in the school yard or recreation areas, participating in or attending extra or co-curricular activities, or riding on the bus to and from school each day.

Racial, ethnic, religious, sexual, or disability harassment is any unwanted physical or verbal attention directed toward any person or persons that makes an individual feel inferior or uncomfortable. This attention may include racial, ethnic, religious, or sexual comments, name-calling, jokes, gestures, and/or graffiti.

- Students are strongly encouraged to take action if they observe it - "Don't put up with put downs."
- Students should report harassment or mistreatment by speaking to a teacher, counselor, or administrator, and students may do so confidentially.
- Students are asked to immediately report any inappropriate graffiti on desks, walls, or bathrooms so that it can be removed.
- Students who feel that they have been a victim of any form of harassment are asked to immediately report it to a teacher, counselor, or administrator.

PROGRESSIVE AND RESTORATIVE DISCIPLINE PLAN

Progressive and restorative discipline uses a continuum of interventions, supports, and consequences to address inappropriate student behaviors and builds on those strategies to develop positive behaviors. It also considers the previous discipline history of the student and all relevant factors, including mitigating factors. Behavioral infractions are sorted into three levels based on the severity of the infraction, and each violation of the code may have from one to three levels of consequences. In all cases, administrative discretion will be exercised. For students with special education needs, interventions, supports, and consequences are consistent with the student's strengths, needs, goals, and expectations that have been outlined in their Individual Education Plan.

PREVENTION STRATEGIES: Our progressive discipline plan includes prevention strategies designed to promote healthy relationships and appropriate behaviors. Programs such as *Leader in Me and Second Step* (social-emotional curriculum), *Love & Logic* (parenting and discipline practices), *Capturing Kids' Hearts* (a culture and climate program which focuses on relationship building), school-wide bullying prevention education, and PBIS (Positive Behavioral Interventions and Supports).

EARLY AND ONGOING INTERVENTION: The use of early and ongoing intervention strategies will help prevent unsafe or inappropriate behaviors. Early strategies provide students with appropriate support where required and result in an improved school climate. Such classroom strategies include contact with parents, detentions, verbal reminders, review of expectations, loss of a special classroom/school activity/privilege, and/or an additional work assignment that includes a learning component. Ongoing interventions may also be required for some students to help sustain and promote positive behaviors and to address underlying causes for the inappropriate behavior. Ongoing interventions may include teacher/administrator meetings with parents, volunteer service to the school community, peer mentoring, and/or a referral to counseling.

IN-SCHOOL OPTIONS: Specific alternatives used to address disruptive behavior may include suspension from class or school. However, there are also many alternatives to off-campus suspensions that dictate logical consequences and assist students as they work to improve their behavior. Alternatives serve to augment a suspension or as a stand-alone Level 1 or 2 consequence. These alternatives include community service tasks, counseling intervention, mentor services, SST (Student Study Team) referral, teacher/parent/administrator/student conference, parents' attendance at school with student, in-school supervised suspension, written or verbal apology to the victim, written reflections, restorative measures, law enforcement discussions with student/parents, conflict mediation, campus beautification, time-out, mentoring by an

older peer or adult, anger management or social skills education, referral to the School Attendance Review Board (SARB), or placement in an alternative educational setting when necessary.

EXTRACURRICULAR REQUIREMENTS

Boulder Creek offers a robust extra-curricular program with many clubs and after-school opportunities for student participation. Students are required to maintain the same eligibility requirements as outlined for our sports programs for any extracurricular activity. Each student must have a 2.0 grade point average with no failing grades at the start of any club or extracurricular activity. If a student struggles to maintain eligibility requirements during his/her participation in any of these activities, it will be at the discretion of the club/extra-curricular coordinator and administration whether that student will be allowed to continue.

SPORTS

These activities are a privilege, voluntary in nature, and not required. They are not part of the regular education program, rather, they are offered as an extension of the regular school day. The purpose of these teams is to teach skills, allow for playing time to practice these skills, and learn good sportsmanship and fair play, rising above adversity to persevere and finish. Also, the team members should have fun. Winning is nice, but it should not be the primary focus of elementary sports. Therefore, the expectations for the after-school sports program encompass the standard student behavior plan as outlined in this book. Please see the District Sports Handbook for additional information.

DANCES

Behavior expectations are identical to those of the regular school day. School rules and dress code apply during dances. Students will be allowed to attend dances if they meet the requirements outlined in the Boulder Creek Student-Athlete and Parent Handbook. Students must have a signed grade check/parent permission slip in hand in order to enter the dance.

Eligibility

Students must have a cumulative 2.0 Grade Point Average with no failing grades on their progress report. Discipline referrals will be reviewed by the administration, and participation in a dance will be determined by the school administration. Students need to have good citizenship in order to attend a dance. Suspension from school during that trimester will result in the student not being eligible to participate in the next scheduled dance. An eligibility list will be determined prior to the dance.

Guidelines

Students need to arrive at the dance within 30 minutes of the dance's starting time. The doors will be closed 30 minutes after the dance begins, and students may no longer enter the dance. For the safety of your child, students must stay inside the facility until the dance is over. Students will not be allowed to leave the dance without a parent/guardian checking them out at the door. An emergency telephone number must be provided by the parent/guardian, indicating where the parent/guardian can be reached during the hours of the dance. Students must have a note if they plan to leave the dance with anyone other than their parent/guardian. The note must be signed by the parent/guardian and have a telephone number where the parent can be reached. The note must indicate who will be picking up the child. Students must meet the discipline guidelines outlined in the Boulder Creek Athletic/Activity Handbook.

WEB (Where Everyone Belongs)

Boulder Creek has an active WEB program. Students entering grade 8 may apply for WEB in the spring to serve the following school year. WEB Representatives must abide by the same guidelines as athletes (See Athletic Guidelines).

PARENT AND COMMUNITY INVOLVEMENT

The Boulder Creek staff believes that providing a family-like environment strongly connected to our parent community is fundamental to the ongoing support and development of each student. With strong relationships intact, children have the freedom to discover and enjoy the process of reaching their fullest potential. It is with great commitment, hard work, and support from our entire school community that we nurture our vision for Boulder Creek students. Furthermore, research overwhelmingly supports the power of schools, families, and community groups working together to support student learning. Results show that children tend to do better in school, stay in school longer, and like school more when this partnership exists.

ENGLISH LANGUAGE ADVISORY COMMITTEE (ELAC): The English Language Advisory Committee is composed of parents and staff at Boulder Creek dedicated to supporting the success of English Language Learner students. The ELAC meets at various times throughout the school year; all parents are invited to attend from both English Learning families as well as English-Proficient families. ELAC meetings focus on issues of concern to EL families, as well as advising the school on English Learner needs and recommendations for improvement of the EL program. Parents are encouraged to get involved in their ELAC team.

PARENT VOLUNTEERS: Parents are always encouraged to participate in their child's education in a variety of ways. Opportunities range from assisting in the classrooms, correcting papers, preparing materials, assisting with fundraisers, to chaperoning field trips. Parent volunteers must always check in at the office and obtain a visitor's pass. Ask your child's teacher or inquire in the main office if you would like to help out at Boulder Creek School!

GOLDEN UMBRELLA FOSTER GRANDPARENT VOLUNTEERS: The Foster Grandparent Program offers seniors an opportunity to assist children or other senior citizens. Participants are screened, trained, and placed at a volunteer station. At Boulder Creek, there are typically at least two foster grandparents per year who serve 20 hours a week. They spend time with children, giving one-on-one attention to their "grandkids." Children receive the type of companionship, special help, and individual attention that a grandparent can give.

HOME-TO-SCHOOL COMMUNICATIONS

CHANGE OF ADDRESS, EMAIL, OR PHONE NUMBER Please keep all of your contact information up-to-date in the PowerSchool parent portal as soon as a change is made. If you need assistance with updating this information, please notify the office at 224-4140 immediately. We must keep accurate, up-to-date information on file in case of an emergency.

PARENT CONFERENCES Parent conferences are held at the end of the 1st trimester in November and again at the end of the 2nd trimester in March. Your child's teacher will send home information about scheduling a parent/teacher conference at the end of the first and second trimesters so you can meet to discuss your child's progress.

BEAR FACTS NEWSLETTER Boulder Creek will publish a school newsletter weekly. The newsletter will be available online, and it will be sent home via email. Please be sure and read the newsletter each week, as it contains important information, upcoming events, and a monthly calendar.

TEACHER NEWSLETTER and/or other COMMUNICATION Boulder Creek teachers will send a minimum of one teacher newsletter/communication per month.

EMAIL All teachers have email and check it daily. You can email them through the Boulder Creek webpage (bouldercreek.eesd.net).

POWERSCHOOL-Online grades (6th-8th) PowerSchool is an online program that enables students and parents to access grades, assignments, and attendance records. This tool provides another means for parents and the school to stay connected. Families may access PowerSchool and view information regarding their child at any time. Parents use their PowerSchool login to gain access. To log in, visit bouldercreek.eesd.net, then click on Quicklinks, then PowerSchool on the top right side of the screen.

TEACHER WEBSITES Our middle school teachers, as well as others, maintain teacher websites through Google Sites. These websites will have nightly homework, class reminders, due dates, field trip information, and access to online tools and grades. To access teacher websites, go to bouldercreek.eesd.net and click the "faculty/staff" tab, then "teacher websites," and a directory will be available.

PARENT SQUARE COMMUNICATION SYSTEM
As part of our communication system with parents, the Enterprise Elementary School District uses the Parent Square platform. Parent Square allows the superintendent, site administrators, teachers, and/or coaches to send information that is time-sensitive and relevant to the safety and education of students in our schools. During the school year, you will receive Parent Square school messages related to upcoming parent nights, academic events, and reminders such as early release days, as well as a weekly, Sunday night phone message about that week's upcoming events. If your phone number/email changes, please change your information in the parent portal in a timely manner.

SOCIAL MEDIA Boulder Creek updates its school Facebook page on a daily/weekly basis. You can find us @bouldercreekschool on Facebook. Click "Like" and "Follow" for up-to-date announcements and to see what interesting things are happening at school. We will respond to any direct messages to our Facebook page within 24 hours.

THE BOULDER CREEK MIDDLE SCHOOL PROGRAM

As a result of the continued requests and desires of students and parents, the Boulder Creek Middle School Program was established in 2008. Our middle school has continued to grow and evolve through the years as the needs of our students change. Our middle school staff places a sharp focus on the students themselves in order to cultivate confident, willing learners in the sixth, seventh, and eighth grades. Teachers are capitalizing on the curiosity and interests of our students by helping them master subjects by connecting the core content to current, real-world events so that students want to ask more questions, find the answers, read more, and write about what they've learned. Accomplishing this, Boulder Creek will ensure our students are equipped to graduate from high school and proceed to college or technical training. In addition to core academics, our middle school offers a wide variety of electives, clubs, sports, and extracurricular activities to enrich the all-around experience of our students.

ELECTIVE COURSES

Boulder Creek recognizes, honors, and seeks to help all students develop their innate gifts, talents, and abilities. Our elective program provides an opportunity for students to pursue individual activities and excel in areas that respond to their particular needs, strengths, and preferences. Students are offered a variety of elective options during each middle school grade-level elective block. Most of these courses are trimester offerings and will change three times during the year, while a few are year-long commitments. Students who need interventions may have academic support classes during this time. Students who earn Fs on trimester report cards forfeit electives and are enrolled in Graduation Class until their Fs are remediated. The following pages list classes that will be offered, but additional electives may also be offered this school year. ***Although elective classes serve 6th-8th grade students, preference will be given to 7th and 8th grade students when a class is impacted.*

Strategy and Card Games (6th/7th/8th) In this elective, students' games will rely on strategy, not luck, in determining the course of the game. This means that players' decision-making skills have a high significance in determining the outcome of the game. Students will participate in classic board games, card games, trivia, etc. as well as strategic game competitions.

S.E.E./A.S.L Sign Language (6th/7th/8th) This course introduces students to a very different style of foreign language learning in American Sign Language. Students are given a basic understanding of sign language and are challenged to use only signing throughout their time in class. You will not find a quieter classroom in all of Boulder Creek. Our program is uniquely crafted and unlike any other foreign language offered at the middle school level.

Study Skills (6th/7th/8th) This course focuses on techniques and learning strategies to improve students' study skills. Emphasis is on students developing organization, time management, and planning, test-taking strategies, active listening,

and work completion. In addition, students will have ongoing opportunities to apply these skills to their daily class work and receive feedback to enhance their study habits.

Art (6th/7th/8th) Students will study and apply the art of drawing using line, value, form, texture, space, gesture drawing, linear perspective, grid and upside-down drawing, portrait drawing, ink, Celtic knots, and color.

Choir and Show Choir (6th/7th/8th, year-long) No musical experience is required for this class, though participation in previous music classes is a strong advantage. We begin by spending the first trimester (August - October) in General Music, developing music literacy, including reading/performing of musical notation and rhythm, as well as developing technical vocal skills. We transition to Concert Choir in the second trimester (November- February), performing in the Winter Concert at the end of February. We finish the year as an ensemble cast for our annual Musical/Show Choir performance in late spring. This group also will serve in various performances at Boulder Creek and around the city throughout the school year, and may serve as a basis for smaller, more advanced groups to develop as musical ambassadors for Boulder Creek to our community. Enrollment in this class is required in order to participate in more advanced opportunities that may develop over the school year.

Recreational Games (6th/7th/8th) This elective will focus on increasing athletic skills, including: strategies of game play, rules of the game, game etiquette, and skills development in games. The games used in this class will be unique and will not be covered in the regular Physical Education class.

Teacher's Assistant (6th/7th/8th) The Teacher Assistant position provides students the opportunity to develop skills and behaviors essential for their development in our educational community. Teacher Assistants work under the direction and supervision of an assigned classroom teacher or librarian. Students will develop communication skills, develop the ability to work with others and independently, and develop bonds throughout our K-8 community. Students will be placed randomly into Teacher Assistant positions based on the number of requesting teachers.

Science, Technology, Engineering, Math (STEM) (6th/7th/8th) Students in STEM will use both their minds as well as their hands to problem solve. Designing, testing, and redesigning are important aspects of many 21st-century careers, and this class encourages students to think "outside the box."

- **STEM VEX CREATIVE ROBOTICS WITH COMPUTER SKILLS** - Building and Programming for autonomous operation and computer skills for slide show presentation (computer skills component 8th grade application)
- **STEM VEX ROBOTICS TEAM CHALLENGE** - Team challenge robotics
- **STEM ENGINEERING** - Planning, Drawing, and Building Projects

National Park Explorer (6th/7th/8th) In this elective, students will explore and virtually travel to some of the national parks in the United States. We will look at when they were discovered, the history, the wildlife, geographic locations, how they were designated, and what they look like today. Students will create presentations and dig deeper with peers as they unveil some of our Nation's best-kept secrets. Our goal is to inspire a love for the outdoors and exploration!

Graduation Class (6th/7th/8th) Graduation Class is oriented toward students who are working on fulfilling the middle school graduation requirements through remediation. Graduation Class is assigned to students who need to finish the required lessons to remediate a failed grade from the 2nd trimester of 6th grade through the end of 8th grade. Graduation class will be assigned by the teaching and administrative staff in lieu of elective classes.

Creative Drama (6th/7th/8th) Students will explore storytelling through drama, reading, and writing. They'll bring characters to life through script reading, improvisation, and creative writing exercises.

BC Newsroom (6th/7th/8th) The BC Newsroom Elective will keep middle school students current about what is going on at Boulder Creek! This elective will focus on the following activities:

1. The writing and delivering of daily announcements to middle school students.
2. Creating activity/event promotional posters for school events through graphic design.
3. Promotion of positive school culture - The Boulder Creek Way - via bulletin board design, social media, campus beautification, and the organization and planning of School Spirit Weeks.

Bear Buddies – (Teacher's Assistant) (6th/7th/8th, year-long) "Bear Buddies" is a specific leadership style class. One older buddy is assigned to one younger buddy for the year to help with academic or social support within the younger student's classroom. These kids form bonds and trust to benefit each other. Both younger and older buddies will be selected by teachers. Older buddies will receive ongoing training and social-emotional learning strategies when they are not with their buddies.

Strength and Conditioning (6th/7th/8th) Strength and Conditioning is the selection and development of dynamic/static exercises used to improve physical performance. Students at Boulder Creek will benefit from this class by learning the foundational skills of a successful strength and conditioning routine. In this elective, students will complete workouts involving circuits, strength movements, stretching, and improve their general athletic body awareness.

Literature in Film (6th/7th/8th) We will compare and contrast books and their film adaptations. We will analyze differences in the two media and discuss why there might be differences. We will also analyze and discuss characters, their decisions, and how those apply to students' lives and current society.

This handbook includes a summary of the required laws and references to Education Code (EC), United States Code (USC), Code of Federal Regulations (CFR), California Code of Regulations (CCR), and the Health and Safety Code (HSC) and Welfare and Institutions Code (WIC). For the purpose of this handbook, "parent" refers to parents and/or guardians.

Again, thank you for entrusting your children to our staff. We are honored to have this opportunity to educate your children, and we welcome your participation in your child's education.

EMERGENCY INFORMATION AND SCHOOL CLOSING INFORMATION

IN CASE OF EMERGENCY Parents/guardians are required to provide the school with current emergency contact information. Please notify the school immediately whenever any contact information changes. Required information includes current home address(es), telephone number(s), employer/business contact information, and the names, addresses, and telephone numbers of one or more adults authorized to care for your child in an emergency if a parent/guardian cannot be reached. Emergency contact information will be used only for emergency situations or other authorized school purposes.

In the event of an emergency, please do not call or come directly to the school unless directed to do so. Telephone lines must remain available for emergency personnel and critical communications, and roadways should remain clear for emergency vehicles. The District will communicate with families as quickly as possible using available communication methods, including the District's automated phone, text, and email notification system (ParentSquare), the District website, official social media accounts, and local news media, as appropriate. Families will receive instructions regarding the nature of the emergency, student safety, reunification procedures, if necessary, and when and where students may be picked up. If student reunification is required, students will only be released to individuals listed as authorized contacts in the District's student information system, and identification may be required before a student is released.

The Enterprise Elementary School District maintains comprehensive emergency preparedness and response plans and conducts regular emergency drills throughout the school year. Staff members receive training in emergency procedures appropriate to their responsibilities. Designated personnel are trained in first aid, CPR, and the use of emergency medical equipment, as appropriate. The safety and well-being of students is our highest priority.

During an emergency, students are expected to follow the directions of school staff. If students are riding a school bus, they should follow the instructions of the bus driver. If students are walking or riding a bicycle to or from school when an emergency occurs, they should continue safely toward their intended destination unless otherwise directed by emergency personnel or school officials.

SCHOOL SAFETY PLAN [EC§§32286, 32288] Each school reviews and updates its safety plan by March 1. The plan includes an earthquake emergency procedure system, safety drills, and a disaster policy for buildings with a capacity of 50 or more people. Each school reports on the status of its plan and includes a description of its key elements in its annual School Accountability Report Card.

SCHOOL CLOSINGS: If schools are closed or schedules are modified due to emergencies, inclement weather, or other unforeseen circumstances, the District will notify families as quickly as possible through the District's automated phone, text, and email notification system (ParentSquare), the District website, official social media accounts, and local news media.

For updates, please visit **www.eesd.net** and listen to KQMS Radio (AM 1670, FM 105.7, FM 104.9). Please listen specifically for announcements regarding the Enterprise Elementary School District, as the Redding School District and Enterprise High School are separate districts and may have different schedules or closure decisions.

If severe weather or another emergency develops after the school day has begun, schools will generally remain open for the remainder of the school day unless conditions warrant an early dismissal or other action. Families will be notified promptly if an early dismissal or student reunification becomes necessary.

Parents/guardians may pick up their child during weather-related emergencies if they determine it is necessary. If school bus transportation is suspended due to weather or unsafe road conditions, students will remain safely supervised at school until they are picked up by a parent/guardian or another authorized emergency contact.If you have questions about the District's emergency preparedness procedures, please contact your child's principal.

ATTENDANCE

MINIMUM AGE OF ADMISSION TO TRANSITIONAL KINDERGARTEN and KINDERGARTEN [EC§48000] Students who are 5 years of age on or before September 1 may enroll in kindergarten. Students who turn 4 years of age by September 1, have the opportunity to enroll in transitional kindergarten (TK). TK provides 4 year olds with a valuable opportunity for early learning in a high-quality school program with a curriculum that is age and developmentally appropriate. Children in TK are given time to further develop their social and emotional skills and gain readiness to actively engage in academics when they start kindergarten. TK is a free, full day program, including the opportunity for after school care like other grade levels. However, parents can still opt to enroll their 4 year old in a preschool program instead.

MINIMUM DAYS/STAFF DEVELOPMENT DAYS [EC§48980(c)] Minimum Days are indicated on the school year calendar provided and are generally on the first Monday of the month and during the week of parent conferences. At least one month's notice will be given if the minimum day schedule changes.

ABSENCES [EC§48200] Daily school attendance is compulsory for children aged 6-18. Please review the school calendar provided and plan activities and vacations during non-school days. No pupil whose attendance is excused shall have grades or academic credit lost if assignments and tests can be reasonably completed.

"Immediate family" means the parent or guardian, brother or sister, grandparent, or any other relative living in the household of the pupil.

The state awards funding to school districts only for actual attendance; no longer do they fund for excused absences. However, truancy reports still rely on excused and unexcused absences. There are legal consequences if your child misses school excessively. Please call your child's school office to report an absence. A note and/or phone call from you must be received by the school within 72 hours to clear any excusable absences. Unexcused absences result in a recorded truancy. Per EC§48205, an elementary or secondary school pupil's absence shall be excused for the following reasons:

1. Due to illness, including an absence for the benefit of the pupil's mental or behavioral health. The state board shall update its illness verification regulations, as necessary, to account for including a pupil's absence for the benefit of the pupil's mental or behavioral health within the scope of this paragraph.
2. Due to quarantine under the direction of a county/city health officer.
3. For the purpose of having medical, dental, optometric, or chiropractic services rendered.
4. For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of the pupil's religion, attendance at a religious retreat, attendance at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization, when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board of the school district.
5. For the purpose of attending the funeral services or grieving the death of either a pupil's immediate family, or of a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be

considered the pupil's immediate family, so long as the absence is not more than five days per incident.

a. For any of the purposes described in clauses (i) to (iii), inclusive, if an immediate family member, or a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, has died, so long as the absence is not more than three days per incident

(i) To access services from a victim services organization or agency

(ii) To access grief support services

(iii) To participate in safety planning or to take other actions to increase the safety of the pupil or an immediate family member of the pupil, or a person that is determined by the pupil's parent or guardian to be in such close association with the pupil as to be considered the pupil's immediate family, including, but not limited to, temporary relocation.

6. For the purpose of spending time with a member of the pupil's immediate family who is an active duty member of the uniformed services as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from deployment to combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
7. Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent, including absences to care for a sick child for which the school shall not require a note from a doctor.
8. Middle and high school students may attend political or civic events for one day as an excused absence. [EC§48205,subd.(a)(12).
9. A student's participation in military entrance processing (MEPs).
10. For spending time with immediate family members who are active duty members of the military, and are leaving for or returning from deployment.

A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefore. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence. For purposes of this section, attendance at religious retreats shall not exceed one full school day per semester. Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments. "Immediate family," as used in this section, has the same meaning as that set forth in Section 45194, except that references therein to "employee" shall be deemed to be references to "pupil."

INDEPENDENT STUDY PROGRAM Independent Study is available so your child can keep up with his or her school work during absences. Short-term Independent Study can be utilized for 1 to 15 days. Please call the school office to make arrangements in advance.

TRUANCY [EC§§48260, 48260.5, 48261, 48262, 48263, 48263.5, 48263.6, 48264.5, 48291, 48293, 48320; PC270.1, 830.1; WIC601.3] The state-defined levels of truancy, and the associated penalties to students and parents, are:

- Habitual Truant: A student is truant after missing three days of school or 30-minute periods without a valid excuse.
- Truant: A student who is truant three or more times in a school year. An effort is made to meet with parents.
- Chronic Truant: A student who has missed 10 percent or more school days in a school year.
- Interventions: Students who are habitual truants or are disorderly may be referred to the School Attendance/Behavior Review Team (SART), Student Attendance Review Board (SARB), the district attorney's office, or the county probation department. These programs offer guidance for improving attendance or improving school behavior.
- Student Penalties for Truancy: The first instance will result in a letter to the parent/guardian to overcome attendance obstacles. The second instance an additional letter will be sent and parents/guardians will be requested to meet with site admin. The third may result in being referred to SARB or a district attorney program. The fourth places the student within the jurisdiction of the juvenile court, and the student may become a ward of the court.
- Parent Penalties for Truancy may include a fine or imprisonment.

The attendance clerk or designee making the referral of a student to SARB or the probation department will notify the

parent in writing and include the name and address of the SARB or probation department to which the matter has been referred and the reason for referral. The notice shall indicate that the student, parent, and referring person is required to meet with the SARB or the probation officer to consider a proper disposition of the referral.

SCHOOL ATTENDANCE REVIEW BOARD (SARB)
SARB is a multi-disciplinary team that meets to explore options that may have been overlooked or unknown in attempts by the school or parents to resolve behavior or attendance problems. The guidelines for SARB are set forth in Ed Code, and school districts must adhere to these guidelines.

ATTENDANCE SARB
Total unexcused absences may be any combination of full day unexcused and/or unexcused tardiness over 30 minutes. Unexcused tardiness over 30 minutes includes both coming to school late and leaving school early. An initial notification of truancy or excessive absences can be sent after 3 unexcused or 5 excused absences; a second notification is sent after 6 total unexcused absences or 10 total excused absences, at which time a SART meeting is scheduled; a third notification is sent after 9 total unexcused absences or 15 total excused absences. The third notification, sent to notify parents/guardians that they might be referred to the County SARB board. Parents and the student are required to attend the SARB meeting which generally takes 30 minutes, and at the conclusion, a SARB contract is fashioned, and a copy is provided to all parties. Should the contract be violated, *i.e.*, there are any more unexcused absences or excessive excused absences), the fourth notification letter is sent to the parent/guardian and the parent/guardian may be referred to the District Attorney's Office for prosecution.

BEHAVIOR SARB
An initial notification is sent at the discretion of the administrator when the student's misbehavior has become habitual and unresolved at the classroom level. A parent meeting will be scheduled and held regarding the behavior issue. A second notification is sent at the discretion of the administrator after the first letter/efforts fail to address the student's behavior problem. This letter serves to notify parents/guardians of the time, date, and location of the SARB hearing. The SARB Board will evaluate the student's school placement, and a contract may be fashioned at/after the hearing.

SARB OUTCOMES It is the desire of the District and the SARB Board that a solution to attendance and/or behavior issues can be identified and implemented. Parents/Guardians of students who continue to have poor attendance following the SARB hearing may be referred to the District's Attorney's Office for prosecution. Students on an IEP or 504 are subject to SARB as per ED Code.

SARB APPEALS Families may appeal a local SARB at the county level. Requests for an appeal must be submitted to the Shasta County SARB Office within 10 calendar days of the date of the original SARB hearing, and the appeal may not be based solely on one's dissatisfaction with the decision of the local SARB; appeals will be heard only if it appears that there was a breach of due process.

INTERDISTRICT AND INTRADISTRICT ENROLLMENT [EC§§35160.5, 46600-46611, 48204, 48206.3, 48300-48315, 48980] If you wish for your child to attend another school in our District, please complete an Intradistrict Transfer Form which is available at the school office. Our district also allows students to transfer to or from other districts (interdistrict). For more information on these transfers, enrollment options, and alternative schools, and their associated forms, please contact the district office at 530-224-4100.

CHILDREN OF MILITARY SERVICE MEMBERS - RESIDENCY [EC §§48204.3] A child shall be deemed to meet the residency requirements for school attendance in a school district, if the child is a student whose parent/guardian is transferred, or is pending transfer to a military installation within the state boundaries of the school district while on active military duty pursuant to an official military order, and the student's parent/guardian has provided proof of residence in the school district within 10 days after the published arrival date provided on official documentation. The District must accept applications by electronic means for enrollment, including enrollments in a specific school or program within the District, and course registration.

A student from an active duty military family who is transitioning between school grade levels must be allowed to continue in the school district of origin and in the same attendance area of his/her school of origin. If the student is transitioning to middle school or high school, and the school designated for matriculation is in another school district, the local educational agency must allow the student to continue to the school designated for matriculation in that school district. The new school must immediately enroll the student, even if the child has outstanding fees, fines, textbooks, or other items or moneys due to the school last attended or if the student is unable to produce clothing or records normally required for enrollment.

If the parent/guardian's military service ends during the school year, then the student is allowed to stay in his/her school of origin for the remainder of the school year if he/she is in grades 1-8, or through graduation if the student is in high school.

For transferring students with disabilities, the receiving school district shall, upon notice, promptly coordinate with the student's parents and previous school pursuant to Section 56325 to ensure the timely exchange of records and to reduce any delays in the student receiving comparable services or accommodations including, but not limited to, implementation of their individualized education program, individualized family service plan, or plan pursuant to Section 504 of the federal rehabilitation act of 1973 (29 U.S.C. Sec. 794), as applicable. While awaiting the student's official records from the former school, the receiving school district may use unofficial records provided by a parent or guardian as the basis for the design and provision of services. (EC§§48204.3(e), 56325(b)(3).

RESIDENCY: PROOF OF RESIDENCY VERIFICATION DOCUMENTATION [EC§48204.1] Evidence of residency may be established by documentation showing the name and address of the parent/guardian within the district, including, but not limited to, two of any of the following: (1) Property tax payment receipt (2) Rental Property contract, lease, or payment receipt (3) Utility service contract, statement, or payment receipt (4) Current pay stub issued by employer with employee's name and address on check (5) Correspondence from a government agency, which includes address (i.e., Social Security, Unemployment, Medi-Care, Medi-Cal, WIC) (5) If the student is an unaccompanied youth as defined in 42 USC 11434a, a declaration of residency executed by the student (6) If the student is resigning in the home of a caregiving adult within district boundaries, an affidavit executed by the caregiving adult in accordance with Family Code 6552.

RESIDENCY RETENTION FOR MIGRATORY CHILDREN [EC §§54441] Currently migratory children, who are enrolled in a school district due to a parent's or immediate family member's temporary or seasonal employment in an agricultural or fishing activity, as defined by Education Code section 54441, must be allowed to continue in their schools of origin, regardless of any change of residence during that school year, for the duration of their status as migratory children. When a student's status as a migratory child changes during the school year, the school district must: (1) allow TK-8th graders to continue in their schools of origin for the remainder of that school year; and (2) allow 9-12th graders to continue in their schools of origin through graduation. Migratory children and their parents/guardians must be informed of the impact that remaining in their schools of origin will have on their eligibility to receive migrant education services.

RESIDENCY RETENTION FOR THE STUDENTS OF DETAINED OR DEPORTED PARENTS [EC §§48204.4]
Students retain residency in a school district, regardless of the students' current residency, when both of the following requirements are met: (1) The student's parent or guardian has departed California against his or her will, and the student can provide official documentation evidencing the departure; and (2) The student moved outside of California as a result of his or her parent or guardian leaving the state against his or her will, and the student lived in California immediately before moving outside the state. The student must provide evidence of enrollment in a California public school immediately before moving outside the state.

Deported parents may designate another adult to attend school meetings and to serve as an emergency contact. No charges or fees of any kind, as allowed under Education Code section 48050, may be required for admission or attendance in these circumstances.

IMMIGRATION ENFORCEMENT - "KNOW YOUR RIGHTS" [EC §§234.7] All students have the right to a free public education, regardless of immigration status or religious beliefs. For more information, please see the resources developed by the California Attorney General at https://www.oag.ca.gov/immigrant/rights

ATTENDANCE WHERE CAREGIVER RESIDES [EC§§48204(d), 48980(h)] Your child may attend the school district of his/her caregiver's residence if your child lives with a caregiver, as defined by law. An affidavit, sworn under penalty of perjury, by the caregiving adult is required to determine that your child lives in the caregiver's home.

INDIVIDUALIZED INSTRUCTION/TEMPORARY DISABILITY (EC §§48206.3, 48207-48208) Individualized instruction either: (1) at home, provided by the school district in which the student resides; or (2) in a hospital or other residential health facility, excluding state hospitals, is available to students with temporary disabilities whose disability makes attendance in the regular day classes or alternative education program in which the student is enrolled impossible or inadvisable. Parents of students hospitalized or with a temporary disability should notify the school district where the student receives care if an individualized instruction program is desired.

"Temporary disability" means a physical, mental or emotional disability incurred while a student is enrolled in regular day classes or an alternative education program to which the student can reasonably be expected to return. "Temporary disability" does not include a disability that would qualify a student as a "student with exceptional needs" under Education Code section 56026.

A student with a temporary disability who is in a hospital or other residential health facility, excluding a state hospital, which is located outside of the school district in which the pupil's parent or guardian resides shall be deemed to have complied with the residency requirements for school attendance in the school district in which the hospital is located. Once the parent has notified the district in which the hospital is located of the student's presence in the qualifying hospital, the district has five working days to notify the parent if individualized instruction shall commence within five working days.

Individual instruction in a student's home must commence no later than five working days after a school district determines that the student shall receive this instruction.

When a student receiving individual instruction is well enough to return to school, she/he must be allowed to return to the school that she/he attended immediately before receiving individual instruction was initiated.

Students enrolled in individual instruction in a hospital or other residential health facility for a partial week, are entitled attend school in his/her school district of residence, or to receive individual instruction provided by the school district of residence in the student's home, on days in which he or she is not receiving individual instruction in a hospital or other residential health facility, if she/he is well enough to do so.

Absences from the student's regular school program due to the student's temporary disability are excused until the student is able to return to the regular school program. (Ed Code §§ 48206.3(b)(2), 48207, 48207.3, 48207.5, 48208, and 48240(c).)

NOTICE OF ALTERNATIVE SCHOOLS [EC§58501] State law authorizes all school districts to provide for alternative schools. The Education Code defines alternative school as a school or separate class group within a school which is operated in a manner designed to: (a) Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy. (b) Recognize that the best learning takes place when the student learns because of his desire to learn. (c) Maintain a learning situation maximizing student self-motivation and encouraging the student in his own time to follow his own interests. These interests may be conceived by him totally and independently or may result in whole or in part from a presentation by his teachers of choices of learning projects. (d) Maximize the opportunity for teachers, parents, and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous, permanent process. (e) Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including but not limited to the community in which the school is located. In the event any parent, pupil, or teacher is interested in further information concerning alternative schools, the county superintendent of schools, the administrative office of this district, and the principal's office in each attendance unit have copies of the law available for your information. This law particularly authorizes interested persons to request the governing board of the district to establish alternative school programs in each district.

FOSTER CHILDREN; NOTICE OF EDUCATIONAL RIGHTS: Education Code section 48853.5

(a) This section applies to a foster child. "Foster child" means any of the following:

(1) A child who has been removed from their home pursuant to Section 309 of the Welfare and Institutions Code.
(2) A child who is the subject of a petition filed under Section 300 or 602 of the Welfare and Institutions Code, whether or not the child has been removed from their home.
(3) A dependent child of the court of an Indian tribe, consortium of tribes, or tribal organization who is the subject of a petition filed in the tribal court pursuant to the tribal court's jurisdiction in accordance with the tribe's law.
(4) A child who is the subject of a voluntary placement agreement, as defined in subdivision (p) of Section 11400 of the Welfare and Institutions Code.

(b) The department, in consultation with the California Foster Youth Education Task Force, shall develop a standardized notice of the educational rights of foster children, as specified in Sections 48850 to this section, inclusive, and Sections 48911, 48915.5, 49069.5, 49076, 51225.1, and 51225.2. The notice shall include complaint process information, as applicable. The department shall make the notice available to educational liaisons for foster children for dissemination by posting the notice on its internet website. Any version of this notice prepared for use by foster children shall also include, to the greatest extent practicable, the rights established pursuant to Section 16001.9 of the Welfare and Institutions Code. In developing the notice that includes the rights in Section 16001.9 of the Welfare and Institutions Code, the department shall consult with the Office of the State Foster Care Ombudsperson.

(c) Each local educational agency shall designate a staff person as the educational liaison for foster children. In a school district that operates a foster children services program pursuant to Chapter 11.3 (commencing with Section 42920) of Part 24 of Division 3, the educational liaison shall be affiliated with the local foster children services program. The educational liaison shall do both of the following:
(1) Ensure and facilitate the proper educational placement, enrollment in school, and checkout from school of foster children.
(2) Assist foster children when transferring from one school to another school or from one school district to another school district in ensuring proper transfer of credits, records, and grades.

(d) A foster child's educational rights holder, attorney, and county social worker and an Indian child's, as defined in Section 224.1 of the Welfare and Institutions Code, tribal social worker and, if applicable, county social worker shall have the same rights a parent or guardian of a child has to receive a suspension notice, expulsion notice, manifestation determination notice, involuntary transfer notice, and other documents and related information.

(e) This section does not grant authority to the educational liaison that supersedes the authority granted under state and federal law to a parent or legal guardian retaining educational rights, a responsible adult appointed by the court to represent the child pursuant to Section 361 or 726 of the Welfare and Institutions Code, a surrogate parent, or a foster parent exercising the authority granted under Section 56055. The role of the educational liaison is advisory with respect to placement decisions and determination of the school of origin.

(f) (1) At the initial detention or placement, or any subsequent change in placement of a foster child, the local educational agency serving the foster child shall allow the foster child to continue the foster child's education in the school of origin for the duration of the jurisdiction of the court.

(2) If the jurisdiction of the court is terminated before the end of an academic year, the local educational agency shall allow a former foster child who is in kindergarten or any of grades 1 to 8, inclusive, to continue the former foster child's education in the school of origin through the duration of the academic school year.
(3) (A) If the jurisdiction of the court is terminated while a foster child is in high school, the local educational agency shall allow the former foster child to continue the former foster child's education in the school of origin through graduation.
(B) For purposes of this paragraph, a school district is not required to provide transportation to a former foster child who has an individualized education program that does not require transportation as a related service and who changes residence but remains in the former foster child's school of origin pursuant to this paragraph, unless the individualized education program team determines that transportation is a necessary related service.
(4) To ensure that the foster child has the benefit of matriculating with the foster child's peers in accordance with the established feeder patterns of school districts, if the foster child is transitioning between school grade levels, the local educational agency shall allow the foster child to continue in the school district of origin in the same attendance area, or, if the foster child is transitioning to a middle school or high school, and the school designated for matriculation is in another school district, to the school designated for matriculation in that school district.
(5) (A) Paragraphs (2), (3), and (4) do not require a school district to provide transportation services to allow a foster child to attend a school or school district, unless there is an agreement with a local child welfare agency that the school district assumes part or all of the transportation costs in accordance with Section 6312(c)(5) of Title 20 of the United

States Code, or unless otherwise required under federal law. This paragraph does not prohibit a school district from, at its discretion, providing transportation services to allow a foster child to attend a school or school district.

(B) In accordance with Section 6312(c)(5) of Title 20 of the United States Code, local educational agencies shall collaborate with local child welfare agencies to develop and implement clear written procedures to address the transportation needs of foster youth to maintain them in their school of origin, when it is in the best interest of the foster youth.

(6) The educational liaison, in consultation with, and with the agreement of, the foster child and the person holding the right to make educational decisions for the foster child, may recommend, in accordance with the foster child's best interests, that the foster child's right to attend the school of origin be waived and the foster child be enrolled in a public school that pupils living in the attendance area in which the foster child resides are eligible to attend.

(7) Before making a recommendation to move a foster child from the foster child's school of origin, the educational liaison shall provide the foster child and the person holding the right to make educational decisions for the foster child with a written explanation stating the basis for the recommendation and how the recommendation serves the foster child's best interests.

(8) (A) If the educational liaison, in consultation with the foster child and the person holding the right to make educational decisions for the foster child, agrees that the best interests of the foster child would best be served by the foster child's transfer to a school other than the school of origin, the foster child shall immediately be enrolled in the new school.

(B) The new school shall immediately enroll the foster child even if the foster child has outstanding fees, fines, textbooks, or other items or moneys due to the school last attended or is unable to produce clothing or records normally required for enrollment, such as previous academic records, medical records, including, but not limited to, records or other proof of immunization history pursuant to Chapter 1 (commencing with Section 120325) of Part 2 of Division 105 of the Health and Safety Code, proof of residency, other documentation, or school uniforms.

(C) Within two business days of the foster child's request for enrollment, the educational liaison for the new school shall contact the school last attended by the foster child to obtain all academic and other records. The last school attended by the foster child shall provide all required records to the new school regardless of any outstanding fees, fines, textbooks, or other items or moneys owed to the school last attended. The educational liaison for the school last attended shall provide all records to the new school within two business days of receiving the request.

(9) If a dispute arises regarding the request of a foster child to remain in the school of origin, the foster child has the right to remain in the school of origin pending resolution of the dispute. The dispute shall be resolved in accordance with the existing dispute resolution process available to a pupil served by the local educational agency.

(10) The local educational agency and the county placing agency are encouraged to collaborate to ensure maximum use of available federal moneys, explore public-private partnerships, and access any other funding sources to promote the well-being of foster children through educational stability.

(11) It is the intent of the Legislature that this subdivision shall not supersede or exceed other laws governing special education services for eligible foster children.

(g) For purposes of this section, "school of origin" means the school that the foster child attended when permanently housed or the school in which the foster child was last enrolled. If the school the foster child attended when permanently housed is different from the school in which the foster child was last enrolled, or if there is some other school that the foster child attended with which the foster child is connected and that the foster child attended within the immediately preceding 15 months, the educational liaison, in consultation with, and with the agreement of, the foster child and the person holding the right to make educational decisions for the foster child, shall determine, in the best interests of the foster child, the school that shall be deemed the school of origin.

(h) This section does not supersede other law governing the educational placements in juvenile court schools, as described in Section 48645.1, by the juvenile court under Section 602 of the Welfare and Institutions Code.

(i) (1) A complaint of noncompliance with the requirements of this section may be filed with the local educational agency under the Uniform Complaint Procedures set forth in Chapter 5.1 (commencing with Section 4600) of Division 1 of Title 5 of the California Code of Regulations.

(2) A complainant not satisfied with the decision of a local educational agency may appeal the decision to the department pursuant to Chapter 5.1 (commencing with Section 4600) of Division 1 of Title 5 of the California Code of Regulations and shall receive a written decision regarding the appeal within 60 days of the department's receipt of the appeal.

(3) If a local educational agency finds merit in a complaint, or if the Superintendent finds merit in an appeal, the local educational agency shall provide a remedy to the affected pupil.
(4) Information regarding the requirements of this section shall be included in the annual notification distributed to, among others, pupils, parents or guardians of pupils, employees, and other interested parties pursuant to Section 4622 of Title 5 of the California Code of Regulations.

CAREER COUNSELING [EC§221.5] When students are provided career counseling and course selection opportunities, all students are provided equal services. Parents may participate in counseling sessions.

LIMITED ENGLISH PROFICIENT STUDENTS [EC§§52163, 52164.1, 52164.3, 52173, T5 11303, USC Title 20 6312] Notification will be given to parents of limited English proficient students regarding limited English proficiency programs including the reasons for the identification of the student as limited English-proficient, the need for placement in a language instruction educational program, the student's level of English proficiency, how the level was assessed, the status of the student's academic achievement, the methods of instruction used in the programs available, how the recommended program will meet the student's needs, program performance, parent options to remove a student from a program and/or to decline initial enrollment, and expected rate of transition into classrooms not tailored for limited English-proficient students.

ENGLISH LANGUAGE DEVELOPMENT EDUCATION [EC§305-310] State law requires that when parents/guardians of 30 or more students at a school or 20 or more students in any grade level at a school request a particular language acquisition program, the District shall offer that program at the school site to the extent possible. In the structured English immersion program, nearly all classroom instruction shall be provided in English, but with the curriculum and presentation designed for students who are learning English.

PHYSICAL EDUCATION AND SPORTS [EC§49475, 60800] The District recognizes the positive benefits of physical activity on student health and academic achievement and provides all students the opportunity to be physically active on a regular basis through physical education (PE) instruction. The PE program provides a minimum of 200 minutes of PE every 10 days for students in 1st - 5th grades. Students in 6th grade and up receive the equivalent of one class period per day of PE instruction. Students with disabilities are provided instruction in PE in accordance with their individualized education program or Section 504 accommodation plan. PE instruction is delivered by appropriately credentialed teachers who may be assisted by instructional aides, paraprofessionals, and/or volunteers. Students in grades 5 and 7 are given a standardized physical fitness test as required by EC§60800. In addition to PE classes, a variety of sports activities are offered at each school. Parents and students are encouraged to review the information on concussions and head injuries included in the HEALTH section of this handbook

SEXUAL HEALTH INSTRUCTION 7th & 8th Grade - California Healthy Youth Act [EC 51930-51939]

The purpose of the CHYA is as follows:

- To provide students with the knowledge and skills related to recognizing, building, and maintaining healthy relationships that are based on mutual affection and free from violence, coercion and intimidation. This includes teaching decision-making and communication skills and helping students understand the value of and prepare for committed relationships, such as marriage. It also includes information about unhealthy behaviors and risks to their health, such as sexual harassment, sexual assault, intimate partner violence, and sex trafficking. (EC §§ 51930(b); 51933(f), (g), (h); 51934(a)(10)
- To provide pupils with the knowledge and skills necessary to protect their sexual and reproductive health from HIV and other sexually transmitted infections and from unintended pregnancy;
- To promote understanding of sexuality as a normal part of human development;
- To ensure pupils receive integrated, comprehensive, accurate, and unbiased sexual health and HIV prevention instruction.

The law requires that this content be taught once in middle school and once in high school. It is the policy of the

Enterprise Elementary School District that this instruction will not extend beyond these required grades. The curriculum is divided so that anti-trafficking is generally taught in 7th grade, and sexual health and HIV prevention are taught in 8th grade.

This information may be presented by school personnel and/or an outside organization or guest speaker in individual classrooms, combined classes, or assemblies and will align with and support the purposes of the California Healthy Youth Act and not be in conflict with them. (EC § 51933 (c) Abstinence from sexual activity and injection drug use shall be taught within the context of comprehensive sexual health and HIV prevention education (*EC* 51934[3]); however, abstinence-only education is not permitted in California public schools.

The Enterprise Elementary School District respects the rights of parents to make decisions about how they supervise their children's education on this subject matter. Parents/guardians shall be notified in writing at least 14 days before students are offered any instruction in which human reproductive organs and their functions, processes, or diseases are described, illustrated, or discussed. This notification shall inform parents/guardians that they may request in writing that their child not attend the class. No student shall attend such instruction if the school receives this request prior to the start of the class. (Education Code 51550, 51820) At the parent/guardian's request, any student may be excused from any part of sexual health instruction. (Education Code 51240). All materials used for the above instruction shall be available for inspection by parents/guardians at reasonable times and places prior to the onset of instruction. The above notification shall inform parents/guardians of their right to inspect these materials. (Education Code 51550, 51820)

FIFTH GRADE HEALTH & DEVELOPMENT: Districts must notify parents if students are provided classes in which human reproductive organs and their functions and processes are described, illustrated, or discussed. Parents may submit a written request to their child's school office if they want their child to be excused from such classes. If written notice to exclude a child is not received prior to the start date of the class, the child will be allowed to attend the class. The materials in this area of instruction are available to parents for previewing. Parents will be notified prior to the parent preview night of the date, time and location. District nurses are available by telephone (530-224- 4100) to discuss the content or answer any questions.

HEALTH INSTRUCTION-CONFLICTS WITH RELIGIOUS TRAINING AND BELIEFS [EC§51240] Upon written request of a parent, students shall be excused from the part of any school instruction in health if it conflicts with the religious training and beliefs of a parent.

INSTRUCTION/INFORMATION ON SEXUAL HARASSMENT The Superintendent or designee ensures that district students receive age-appropriate instruction and information on sexual harassment including what acts and behavior constitute sexual harassment, and the fact that sexual harassment could occur between people of the same gender, a clear message that students do not have to endure sexual harassment, encouragement to report observed instancessexual harassment, even where the victim of the harassment has not complained, and information about the person(s) to whom a report of sexual harassment should be made. Any student who feels that s/he is being or has been subjected to sexual harassment shall immediately contact his/her teacher or any other employee. A school employee to whom a complaint is made shall report it to the principal or designee within 24 hours of receiving the complaint. Any school employee who observes any incident of sexual harassment involving a student shall report this observation to the principal or designee, whether or not the victim files a complaint. In any case of sexual harassment involving the principal or any other district employee to whom the complaint would ordinarily be made, the employee who receives the student's report or who observes the incident shall report to the Office of the Superintendent or designee. The Superintendent, principal, or designee to whom a complaint of sexual harassment is reported shall immediately investigate the complaint in accordance with administrative regulation. If the investigator finds that sexual harassment occurred, s/he shall take prompt, appropriate action to end the harassment and address its effects on the victim. The Superintendent, principal, or designee shall also advise the victim of any other remedies that may be available. Where required, the matter may be referred to law enforcement authorities.

ANNUAL STANDARDIZED TESTING AND REPORTING Each year, the District administers standardized testing. This testing includes: 3rd-8th and 11th grade testing in Language Arts and Math; 5th, 8th and 11th grade testing in

Science. The testing window is approximately 15 instructional days. Each year, parents and guardians will be notified regarding their student's participation in the CAASPP assessment system. A parent/guardian may submit to the school annually a written request to excuse his/her child from any/all parts of any test. District employees may discuss the testing program with parents/guardians, and may offer information on the availability of exemptions under EC 60615. However, the District and its employees shall not solicit or encourage any written exemption request on behalf of any student or group of students. (5 CCR 852). Within 20 days of receiving the results of the standardized achievement tests, parent/guardians will be notified of the results of the tests, the purpose of the tests, and the individual score and intended use. If you have any questions, contact the site Principal.

READING DIFFICULTY RISK SCREENER (SB 114)
Beginning in 2025-26, California law (SB 114) requires school districts to screen all K–2 students for reading difficulties in order to ensure early support and intervention. Parents will be notified prior to screening and may opt out in writing. Newly enrolled students will be screened within 20 school days if prior results are not available. Parents/guardians will receive results within 45 days of the assessment, including how the school will provide support if a student is identified as "At-Risk." Support may include small group instruction, tutoring, progress monitoring, or further assessment.

EESD is dedicated to early identification, equitable access to interventions, high-quality instruction, and a collaborative approach to literacy development. All staff share responsibility in supporting students' reading success.

EMPLOYEE CODE OF CONDUCT - INTERACTION WITH STUDENTS [EC §§44050] The educator strives to help each student realize his/her potential as a worthy and effective member of society. The educator therefore works to stimulate the spirit of inquiry, the acquisition of knowledge and understanding, and the thoughtful formulation of worthy goals. In fulfillment of the obligation to the student, the educator:

1. Shall not unreasonably restrain the student from independent action in the pursuit of learning
2. Shall not unreasonably deny the student access to varying points of view
3. Shall not deliberately suppress or distort subject matter relevant to the student's progress
4. Shall make reasonable effort to protect the student from conditions harmful to learning or to health and safety
5. Shall not intentionally expose the student to embarrassment or disparagement
6. Shall not on the basis of race, color, creed, gender, national origin, marital status, political or religious beliefs, family, social, or cultural background, or sexual orientation, unfairly:
    a. Exclude any student from participation in any program
    b. Deny benefits to any student
    c. Grant any advantage to any student
7. Shall not use professional relationships with students for private advantage
8. Shall not disclose information in the course of professional service unless disclosure serves a compelling professional purpose or is required by law.

STUDENT USE OF TECHNOLOGY

RESPONSIBLE USE AGREEMENT AND RELEASE OF DISTRICT FROM LIABILITY (STUDENTS)
The Enterprise Elementary School District authorizes students to use technology owned or otherwise provided by the district as necessary for instructional purposes. The use of district technology is a privilege permitted at the district's discretion and is subject to the conditions and restrictions set forth in applicable Board policies, administrative regulations, and this Responsible Use Agreement. The district reserves the right to suspend access at any time, without notice, for any reason.

The district expects all students to use technology responsibly in order to avoid potential problems and liability. The district may place reasonable restrictions on the sites, material, and/or information that students may access through the system.

Each student who is authorized to use district technology shall have on file at his/her school acknowledgement of receipt of this Enterprise Elementary School District Acceptable Use Agreement and Release of District from Liability, signed by his/her parent/guardian (and student, where applicable) as an indication that they have read and understand the agreement.

District technology includes, but is not limited to, computers, Chromebooks, the district's computer network including servers and wireless computer networking technology (Wi-Fi), the Internet, email, USB drives, wireless access points (routers), tablet computers, smartphones and smart devices, telephones, cellular telephones, personal digital assistants, pagers, MP3 players, wearable technology, any wireless communication device including emergency radios, and/or future technological innovations, whether accessed on or off site or through district-owned or personally-owned equipment or devices.

STUDENT OBLIGATIONS AND RESPONSIBILITIES Students are expected to use district technology safely, responsibly, and for educational purposes only. The district reserves the right to monitor all online communications for improper use. The student in whose name district technology is issued is responsible for its proper use at all times. Students shall not share their assigned online services account information, passwords, or other information used for identification and authorization purposes, and shall use the system only under the account to which they have been assigned.

Students are prohibited from using district technology for improper purposes, including, but not limited to, use of district technology to:

- encourage the use of drugs, alcohol, or tobacco, nor shall they promote unethical practices or any activity prohibited by law or district policy.
- access, post, submit, publish, or display harmful or inappropriate matter that is libelous, threatening,obscene, disruptive, or sexually explicit, or that could be construed as harassment or disparagement of others based on their

race/ethnicity, national origin, sex, gender, sexual orientation, age, disability, religion,or political beliefs. A special exception for access may be made for hate literature if both the teacher and the parent/guardian provide approval prior to the start of the project and the purpose of such access is to conduct research.

- email using district technology unless it is for educational assignments as directed by the teacher to communicate with adults and other students regarding their learning activities. Students are expected to keep messages brief and use appropriate language and shall not read mail or files intended for other users; they shall not attempt to interfere with other users' ability to send or
- receive electronic mail, nor shall they attempt to read, delete, copy, modify, or forge other users' mail. School staff, administrators, and parents have access to student email for monitoring purposes. No expectation of Internet/e- mail privacy is afforded students.
- disclose, use, disseminate, or post personal contact information about themselves or other people. Personal contact information includes the student's name, address, telephone number, social security number, school address, or other individually identifiable information.
- agree to meet with someone they have met online without their parent's or legal guardian's approval and participation.
- attempt to gain unauthorized access to the district system or to any other computer system through the district system, or go beyond their authorized access. This includes attempting to log in through another person's account or access another person's account or access another person's files. These actions are illegal, even if only for the purposes of "browsing."
- intentionally upload, download, or create computer viruses and/or maliciously attempt to harm or destroy district equipment or materials or manipulate the data of any other user, including so-called "hacking." These actions are illegal. Vandalism will result in discipline and/or legal action and the cancellation of user privileges.
- infringe on copyright, license, trademark, patent, or other intellectual property rights without the expressed consent of the creator. This includes the use of copyrighted materials for use in school assignments, trading with others, or any publication.
- plagiarize works that they find on the Internet or from someone they know. Plagiarism is taking the ideas or writings of others and presenting them as if they were original to the student.
- alter any system settings, system network configurations, or Internet browser settings, which include the installation of add-ons and toolbars or download, install, or copy computer software programs or other computer files. This includes copying audio or video CDs or DVDs, or other copyrighted material to the computer or network resources.
- engage in any illegal act, such as arranging for a drug sale or the purchase of alcohol, engaging in criminal gang activity, threatening the safety of another person, etc.
- threaten, intimidate, harass, bully, or ridicule other students or staff.

PRIVACY Since the use of district technology is intended for educational purposes, students shall not have any expectation of privacy in any use of district technology. The district reserves the right to monitor and record all use of district technology, including, but not limited to, access to the Internet or social media, communications sent or received from district technology, or other uses. Such monitoring/recording may occur at any time without prior notice for any legal purposes including, but not limited to, record retention and distribution and/or investigation of improper, illegal, or prohibited activity. Students should be aware that, in most instances, their use of district technology (such as web searches and emails) cannot be erased or deleted. All passwords created for or used on any district technology are the sole property of the district. The creation or use of a password by a student on district technology does not create a reasonable expectation of privacy.

PERSONALLY-OWNED DEVICES A student who uses a personally-owned device to access district technology, shall abide by all applicable Board policies, administrative regulations, and this Acceptable Use Agreement. Any such use of a personally-owned device may subject the contents of the device and any communications sent or received on the device to disclosure pursuant to a lawful subpoena or public records request.

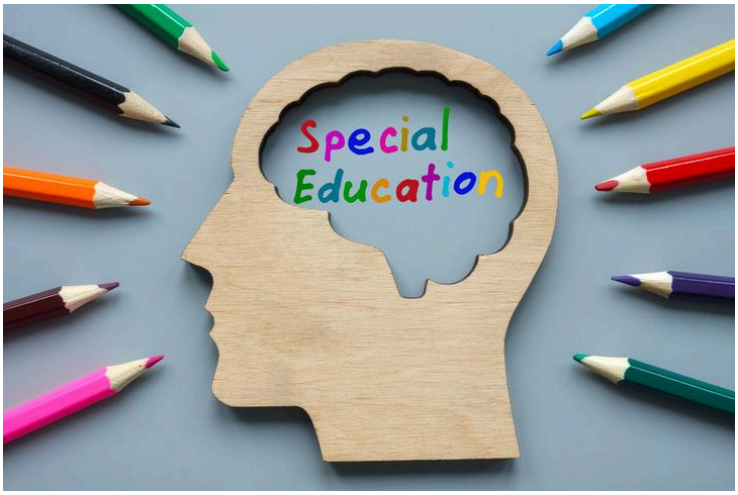

REPORTING A student who becomes aware of any security problem (such as any compromise of the confidentiality of any login or account information) or misuse of district technology, shall immediately report such information to the teacher or other district personnel. A student who receives any message that is inappropriate or makes them feel

uncomfortable will promptly disclose the message to their teacher or other school employee.

CONSEQUENCES FOR VIOLATION Violations of the law, Board policy, or this agreement may result in revocation of a student's access to district technology and/or discipline, up to and including suspension or expulsion. In addition, violations of the law, Board policy, or this agreement may be reported to law enforcement agencies as appropriate.

PARENT/GUARDIAN ACKNOWLEDGEMENT Parent/guardian signature on the acknowledgement gives permission for his/her child to use district technology and/or to access the school's computer network and the Internet, and acknowledges that parent/guardian has read, understands, and agrees that his/her child shall comply with the terms of the Responsible Use Agreement. Parent/guardian further acknowledges that, despite the district's best efforts, it is impossible for the school to restrict access to all offensive and controversial materials. Parent/guardian agrees to release from liability, indemnify, and hold harmless the school, district, and district personnel against all claims, damages, and costs that may result from his/her child's use of district technology or the failure of any technology protection measures used by the district. Further, parent/guardian accepts full responsibility for supervision of his/her child's use of his/her access account if and when such access does not take place in the school setting.

IMPERSONATION ON THE INTERNET [PC§528.5] Pretending to be a real person other than yourself on the Internet or through other electronic methods to harm, intimidate, threaten or defraud is punishable by a $1,000 fine or imprisonment for up to one year.

SPECIAL EDUCATION SERVICES

SPECIAL EDUCATION (IDEA) State and federal law requires that a free appropriate public education (FAPE) in the least restrictive environment be offered to qualified pupils with disabilities ages 3 through 21 years. More information concerning student eligibility, parental rights and procedural safeguards is available upon request.

SPECIAL EDUCATION; CHILD FIND SYSTEM [EC§§56300, 56301] Any parent suspecting that a child has exceptional needs may request an assessment for eligibility for special education services through the school principal. Policy and procedures shall include written notification to all parents of their rights. Additionally, the District has an affirmative and ongoing obligation for identifying, locating and evaluating all children with disabilities residing within its jurisdiction who may be in need of special education and related services. 34 CFR 300.11 (a)(1)(i). Prior to conducting an assessment in all areas of suspected disability, the District will obtain written consent from the student's parent or guardian in accordance with the law.

SPECIAL EDUCATION COMPLAINTS [5 CCR§3080] State regulations require the district to establish procedures to deal with complaints regarding special education. If you believe that the district is in violation of federal or state law governing the identification or placement of a special education student, or similar issues, you may file a written complaint with the district. State regulations require the district to forward your complaint to the State Superintendent of Public Instruction. Procedures are available from your school principal.

SECTION 504/DISABLED PUPILS [Rehabilitation Act of 1973§504] Federal law requires districts to annually notify disabled pupils and their parents of the district's non-discriminatory policy and duty under Section 504 of the Rehabilitation Act.

HEALTH SERVICES

The district employs credentialed, registered nurses who evaluate students' health needs (including vision, hearing, dental, growth and development, etc.). District nurses provide direct health services to students and staff, and serve as a resource for health care referrals to various community programs. Health-related concerns should be directed to the district nurses. The district also employs both health and student services clerks who provide first aid care, assist students with medication, and maintain health records under the direction of the district nurses. Your child may be exempt from physical examination if you file a written statement with the school principal stating that you will not consent to routine physical exam of your child. However, whenever there is good reason to believe the child is suffering from a recognized contagious disease, the child may be excluded from school attendance.

IF YOUR CHILD IS ILL [EC§49451]A child may be sent home if s/he is believed to be suffering from a contagious or infectious disease. Students will be sent home if they have a temperature of 100.4 degrees or higher and must remain home until the fever goes away over night without the use of fever-reducing medications such as acetaminophen (Tylenol) or ibuprofen (Advil) and is still gone in the morning. Students with vomiting/diarrhea will be sent home and must stay home until they are symptom-free overnight without the use of symptom-reducing medications and can hold down food/liquids in the morning, or with a physician release. Students who develop an infection requiring antibiotics may not return to school until after being on the medication for 24 hours or if a student has a written release from a physician. If you keep your child home from school due to symptoms of a contagious disease, please notify the school office as soon as possible.

FLUORIDE APPLICATION Pursuant to HSC§104830-104865, your child may receive the topical application of fluoride, including fluoride varnish, or other decay-inhibiting agent to the teeth during the school year. If offered, parents must consent to the treatment on behalf of a minor child. This District does not provide fluoride applications. Consult your dentist for more information.

IMMUNIZATIONS [HSC §§120370(a)(2), 120372(a), 120325, 120335, 120440; EC§§48216, 49403] Your child must be immunized against certain diseases before being admitted to school, unless exempted for medical reasons. As of January 1, 2021, the District will only accept medical exemptions that are submitted on the California Department of Public Health's standardized, statewide medical exemption certification form, California Immunization Registry (CAIR). (Health

and Safety Code §§120370(a)(2) and 120372(a).)

Parents must provide documentation that their child has been fully immunized against diphtheria, pertussis (whooping cough), tetanus, poliomyelitis, measles, mumps, rubella, and varicella (chickenpox) (students must be immunized for varicella or provide a CAIR-Medical Exemption stating child has had the disease), or the child may not be admitted to school. In addition, all students entering 7th grade must provide proof of the Tdap booster immunization. The required immunizations are available from the County Health Department, a physician, or may be administered by a healthcare practitioner acting under the direction of a physician. If an outbreak of a communicable disease occurs at a school, any non-immunized student will be excluded for his/her own safety until such a time as directed by health officials or district administration. Parents or guardians may refuse to allow the sharing of personal information related to their child's immunization records by notifying the County Health Department listed in this section.

MEDICATION [EC§49423] Any student who must take prescribed medication at school and who desires assistance of school personnel must annually submit a written statement of instructions from the physician and a parental request for assistance in administering the medication. Students may carry and self-administer prescription auto-injectable epinephrine and/or inhaled asthma medication upon the school's receipt of specified written confirmation and authorization from the student's parent and physician or surgeon. The parent/guardian shall provide for his/her child any and all specialized medical equipment and/or supplies required for their child as it relates to a specialized health condition or administration of medication(s). The District shall only provide specialized equipment that is used at school and that is needed to implement a student's IEP or Section 504 Plan.

ANTI-SEIZURE MEDICATION: [EC§49468.3] Parents/Guardians, if your student is diagnosed with seizures, a seizure disorder, or epilepsy, and has been prescribed an emergency anti-seizure medication, you may request that your student's school have one or more of its employees receive voluntary training in the administration of the medication in the event that your child suffers a seizure when a school nurse is not available. Upon receipt of your request, the school district will notify the parent that your child may qualify for an individualized education program or a Section 504 plan. Parents must provide a seizure action plan pursuant to Ed. Code section 49468.3 before an emergency anti-seizure medication or therapy treatment may be administered.

CONTINUING MEDICATION REGIMEN [EC§49480] Parents of any student on a continuing medication regimen for a non-episodic condition shall inform the school nurse or other designated certificated school employee of the medication(s) being taken, the current dosage, and the name of the supervising physician. With the consent of the parent, the school nurse may communicate with the physician and may counsel with school personnel regarding the possible effects of the drug on the child's physical, intellectual, and social behavior, as well as possible behavioral signs and symptoms of adverse side effects, omission, or overdose.

VISION AND HEARING APPRAISAL [EC§49455] The district is required to appraise each student's hearing and vision upon initial enrollment and every third year thereafter until the student completes the 8th grade. The appraisals shall include tests for hearing deficiencies, visual acuity and color vision; however, color vision shall be appraised once and only on male students. The evaluations may be waived upon presentation of a certificate from a physician, surgeon, physician's assistant, or optometrist setting out the results of a determination of the student's vision, including visual acuity and color vision.

GUIDELINES FOR MANAGEMENT OF LIFE-THREATENING ALLERGIES [EC§49403, 49414, 49423, 49423.5,4923.6., CCR 8:5193] Anaphylactic reactions, most often caused by exposure to substances to which a student is allergic, can be life-threatening. The sources of these allergens are typically food, medicines, insects and latex. When a student has a life-threatening allergy, it is the responsibility of the parent or guardian to inform the school staff of the student's allergic condition. The student's physician will establish specific treatment procedures and provide these to the school. School staff will be made aware of these procedures and be knowledgeable about the location of necessary medications and their administration. Staff members are trained to recognize the reactions, follow the written procedures, and be aware of the District's guidelines regarding life-threatening allergies. District staff will work with parents/guardians on an individual basis to accommodate the needs of the student with allergies/potential anaphylactic reactions. The goal for these students is to diminish the risk of accidental exposure to their specific allergens.

GUIDELINES FOR USE OF EMERGENCY EPINEPHRINE DELIVERY DEVICES/ MANAGEMENT OF UNDIAGNOSED ANAPHYLAXIS [EC§49414; SB 1266] Current law requires schools to provide emergency epinephrine for individuals who may be experiencing anaphylaxis. Anaphylaxis is a severe allergic reaction which can occur after exposure to an unknown food, an insect sting or even (rare) after exercise. School nurses or trained personnel may use epinephrine delivery devices to provide emergency medical aid to persons suffering, or reasonably believed to be suffering, from an anaphylactic reaction. Contact health services for more information.

HEAT RELATED ILLNESSES:
Exposure to abnormal or prolonged amounts of heat and humidity without relief or adequate fluid intake can cause various types of heat-related illness. Children and teens adjust more slowly than adults do to changes in environmental heat. They also produce more heat with activity than adults, and sweat less. Sweating is one of the body's normal cooling mechanisms. Children and teens often do not think to rest when having fun and may not drink enough fluids when playing, exercising, or participating in sports.

Guidelines to prevent heat related illnesses:

- Drink plenty of fluids during vigorous or outdoor activities (including sunbathing), especially on hot days. Drinks of choice include water and sports drinks; avoid fluids with caffeine, such as tea, coffee, and cola, as these can lead to dehydration.
- Make sure your child dresses in light colored, lightweight, tightly-woven, loose-fitting clothing on hot days.
- Schedule vigorous activity and sports for cooler times of the day. Take rest periods in shady or cool areas.
- Make sure your child is protected from the sun and wears a hat and sunglasses. Use a sunscreen that is at least SPF (sun protection factor) 15.
- Increase time spent outdoors gradually to get your child's body used to the heat.
- Teach children to take frequent drink breaks and "wet down" or mist themselves with a spray bottle to avoid becoming overheated.
- Try to spend as much time indoors as possible on very hot and humid days.
- Teach your child to warm-up and cool-down before and after exercising.
- If your child has a medical condition or is taking medicine, consult his or her doctor for further advice for preventing heat-related illnesses.

There are three types of heat-related illnesses: heat cramps, heat exhaustion, and heat stroke.

Condition	Symptoms	Treatment
Heat Cramps are the mildest form of heat illness that occur during or after intense exercise and sweating in high heat.	• Painful cramps, especially in the legs • Flushed, moist skin	• Move to a cool place and rest. Do not continue to participate in the activity. • Remove excess clothing and place cool cloths on skin; fan skin. • Give cool sports drinks containing salt and sugar. • Stretch cramped muscles slowly and gently.

Heat Exhaustion is more severe than heat cramps and results from a loss of water and salt in the body. If left untreated, it can progress to heat stroke	• Muscle cramps • Pale, moist skin • Usually has a fever over 100.4 • Nausea • Vomiting • Diarrhea • Headache • Fatigue • Weakness • Anxiety, and faint feeling	• Move to a cool place and rest. • Remove excess clothing and place cool cloths on skin; fan skin. • Give cool sports drinks containing salt and sugar. • If no improvement or unable to take fluids, take your child to an emergency department immediately. IV (intravenous) fluids may be needed.
Heat Stroke, the most serious form of heat illness, occurs when the body's heat regulating system is overwhelmed by excessive heat. It is a life-threatening emergency and requires immediate medical attention.	• Warm, dry skin • high fever, usually over 104° F (or 40° C) • Rapid heart rate • Loss of appetite • Nausea • Vomiting • Headache • Fatigue • Confusion • Agitation • Lethargy • Stupor • Seizures, coma, and death are possible	• Move to a cool place and rest. • Call 911 or your local emergency medical service. Heat stroke is a life-threatening medical emergency and needs to be treated by a doctor. • Remove excess clothing and drench skin with cool water; fan skin. • Place ice bags on the armpits and groin areas. • Offer cool fluids if alert and able to drink.

CONCUSSION [EC§49470-49475] A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by a bump, blow, or jolt to the head or body that causes the head and brain to move quickly back and forth. Even what seems to be a mild bump or blow to the head can be serious. Signs and symptoms of a concussion can show up right after the injury or may not appear or be noticed until days or weeks after the initial injury. In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. Signs and symptoms include: headache, nausea or vomiting, dizziness, balance difficulties, double or blurred vision, sensitivity to light and/or noise, feeling sluggish, hazy, foggy or groggy, difficulty concentrating, confusion or memory difficulties, or not "feeling right."

School districts that offer an athletic program must provide families of intended athletes written information on concussion and head injury (EC 49470-49475). Coaches must remove an athlete suspected of a concussion or head injury from a game or practice until cleared medically to return to play/practice. Written notification of clearance, signed by a healthcare professional must be submitted to the coach and copied to the athletic program director. A gradual schedule of return spanning no less than seven days will be implemented. The athlete should remain under the supervision of the licensed health care provider and continue to be monitored by the coaching staff. The athlete should notify the coaching staff and the health care provider if any ongoing or newly developing signs and symptoms of concussion or head injury are identified.

If a coach/supervising individual identifies, or an athlete reports one or more symptoms of concussion after a bump, blow, or jolt to the head or body, s/he should be removed from practice/play for the remainder of the day. Do not judge the severity of the injury. Once removed the athlete should promptly receive medical evaluation by a licensed health care provider, even if the student does not immediately describe or show physical symptoms. If they exhibit any of the following danger signs: loss of consciousness, appear dazed or confused, present with difficulty with balance, memory, or has behavioral changes, has unequal pupil size, is drowsy, or cannot be awakened, has a headache that gets worse, complains of

weakness, numbness, is vomiting or is nauseous, or has slurred speech or seizures, they should receive immediate medical attention. Rest is the key to recovering from a concussion or head injury. The athlete should rest; avoid exercise and activities that involve a lot of concentration.Remember, concussions affect people differently. While most athletes recover quickly and fully, some will have symptoms that last for days, weeks, or even months. Remain observant.

Athletes and Parents/Guardians: Repeated concussions can increase the time it takes to recover. In rare cases, repeated concussions in young athletes can result in brain swelling or permanent damage to the brain. They can even be fatal. If you notice any signs and symptoms listed above following a blow, bump, or jolt to your head or body during a game or practice, notify your coach immediately.

TYPE 1 DIABETES INFORMATION [EC§49452.6] Type 1 diabetes usually develops in children and young adults but can occur at any age. According to the U.S. Centers for Disease Control and Prevention (CDC), cases of type 1 diabetes in youth increased nationally from 187,000 in 2018 to 244,000 in 2019, representing an increase of 25 per 10,000 youths to 35 per 10,000 youths, respectively. The peak age of diagnosis of type 1 diabetes is 13-14 years, but diagnosis can also occur much earlier or later in life.

Type 1 diabetes affects insulin production:

- As a normal function, the body turns the carbohydrates in food into glucose (blood sugar), the basic fuel for the body's cells.
- The pancreas makes insulin, a hormone that moves glucose from the blood into the cells.
- In type 1 diabetes, the body's pancreas stops making insulin, and blood glucose levels rise.
- Over time, glucose can reach dangerously high levels in the blood, which is called hyperglycemia.
- Untreated hyperglycemia can result in diabetic ketoacidosis (DKA), which is a life-threatening complication of diabetes.

Risk Factors Associated with Type 1 Diabetes: It is recommended that students displaying warning signs associated with type 1 diabetes, which are described below, should be screened (tested) for the disease by their healthcare provider.

Risk Factors: Researchers do not completely understand why some people develop type 1 diabetes and others do not; however, having a family history of type 1 diabetes can increase the likelihood of developing type 1 diabetes. Other factors may play a role in developing type 1 diabetes, including environmental triggers such as viruses. Type 1 diabetes is not caused by diet or lifestyle choices.

Warning Signs and Symptoms Associated with Type 1 Diabetes and Diabetic Ketoacidosis -Warning signs and symptoms of type 1 diabetes in children develop quickly, in a few weeks or months, and can be severe. If your child displays the warning signs below, contact your child's primary health care provider or pediatrician for a consultation to determine if screening your child for type 1 diabetes is appropriate:

- Increased thirst
- Increased urination, including bed-wetting after toilet training
- Increased hunger, even after eating
- Unexplained weight loss
- Feeling very tired
- Blurred vision
- Very dry skin
- Slow healing of sores or cuts
- Moodiness, restlessness, irritability, or behavior changes

DKA is a complication of untreated type 1 diabetes. DKA is a medical emergency. Symptoms include:

- Fruity breath
- Dry/flushed skin
- Nausea
- Vomiting

- Stomach pains
- Trouble breathing
- Confusion

Types of Diabetes Screening Tests That Are Available:

- Glycated hemoglobin (A1C) test. A blood test measures the average blood sugar level over two to three months. An A1C level of 6.5 percent or higher on two separate tests indicates diabetes.
- Random (non-fasting) blood sugar test. A blood sample is taken any time without fasting. A random blood sugar level of 200 milligrams per deciliter (mg/dL) or higher suggests diabetes.
- Fasting blood sugar test. A blood sample is taken after an overnight fast. A level of 126 mg/dL or higher on two separate tests indicates diabetes.
- Oral glucose tolerance test. A test measuring the fasting blood sugar level after an overnight fast with periodic testing for the next several hours after drinking a sugary liquid. A reading of more than 200 mg/dL after two hours indicates diabetes.

Type 1 Diabetes Treatments: There are no known ways to prevent type 1 diabetes. Once type 1 diabetes develops, medication is the only treatment. If your child is diagnosed with type 1 diabetes, their health care provider will be able to help develop a treatment plan. Your child's health care provider may refer your child to an endocrinologist, a doctor specializing in the endocrine system and its disorders, such as diabetes.

Contact your student's school nurse, school administrator, or health care provider if you have questions.

TYPE 2 DIABETES INFORMATION [EC§49452.7] Type 2 diabetes is the most common form of diabetes in adults, and until a few years ago, type 2 diabetes was rare in children, but it is becoming more common, especially for overweight teens. According to the US Centers for Disease Control and Prevention (CDC), one in three American children born after 2000 will develop type 2 diabetes in his or her lifetime. Type 2 diabetes affects the way the body is able to use sugar (glucose) for energy. The body turns the carbohydrates in food into glucose, the basic fuel for the body's cells. The pancreas makes insulin, a hormone that moves glucose from the blood to the cells. But in type 2 diabetes, the body's cells resist the effects of insulin, and blood glucose levels rise. Over time, glucose reaches dangerously high levels in the blood, which is called hyperglycemia. Hyperglycemia can lead to health problems like heart disease, blindness, and kidney failure.

RISK FACTORS ASSOCIATED WITH TYPE 2 DIABETES It is recommended that students displaying or experiencing the following risk factors and/or warning signs associated with an increased risk of type 2 diabetes be screened for the disease:

- The single greatest risk factor for type 2 diabetes in children is excess weight. In the US, almost one out of every five children is overweight. The chances are more than double that an overweight child will develop diabetes.
- Many affected children and youth have at least one parent with diabetes or have a significant family history of the disease. .
- Being inactive further reduces the body's ability to respond to insulin.
- Native Americans, African Americans, Hispanics/Latinos, or Asian/Pacific Islanders are more prone than other ethnic groups to develop type 2 diabetes.
- Young people in puberty are more likely to develop type 2 diabetes than younger children, probably because of normal rises in hormone levels that can cause insulin resistance during this stage of rapid growth and physical development.

WARNING SIGNS AND SYMPTOMS ASSOCIATED WITH TYPE 2 DIABETES Warning signs and symptoms of type 2 diabetes in children develop slowly, and initially there may be no symptoms. However, not everyone with insulin resistance or type 2 diabetes develops these warning signs, and not everyone who has these symptoms necessarily has type 2 diabetes.

- Increased hunger, even after eating
- Unexplained weight loss
- Increased thirst, dry mouth, and frequent urination
- Feeling very tired
- Blurred vision

- Slow healing of sores or cuts
- Dark velvety or ridged patches of skin, especially on the back of the neck or under the arms
- Irregular periods, no periods, and/or excess facial and body hair growth in girls
- High blood pressure or abnormal blood fats levels

TYPE 2 DIABETES PREVENTION METHODS AND TREATMENTS HEALTHY lifestyle choices can help prevent and treat type 2 diabetes. Even with a family history of diabetes, eating healthy foods in the correct amounts and exercising regularly can help children achieve or maintain a normal weight and normal blood glucose levels. Visit a doctor who can a) determine if a child is overweight based on the child's age, weight, and height; and b) request blood glucose tests to see if the child has diabetes or prediabetes.

- Eat healthy foods. Make wise food choices. Eat foods low in fat and calories.
- Get more physical activity. Increase physical activity to at least 60 minutes every day.
- If diet and exercise are not enough to control the disease, it may be necessary to treat type 2 diabetes with medication.

TYPES OF DIABETES SCREENING TESTS THAT ARE AVAILABLE

- Glycated hemoglobin (A1C): A blood test measures the average blood sugar level over two or three months. An A1C level of 6.5 percent or higher on two separate tests indicates diabetes.
- Random (non-fasting) blood sugar: A blood sample is taken at a random time. A random blood sugar level of 200 milligrams per deciliter (mg/dL) or higher suggests diabetes. This test must be confirmed with a fasting blood glucose test.
- Fasting blood sugar: A blood sample is taken after an overnight fast. A fasting blood sugar level less than 100 mg/dL is normal. A level of 100 to 125 mg/dL is considered pre-diabetes. A level of 126 mg/dL or higher on two separate tests indicates diabetes.
- Oral glucose tolerance: A test measuring the fasting blood sugar level after an overnight fast with periodic testing for the next several hours after drinking a sugary liquid. A reading of more than 200 mg/dL after two hours indicates diabetes.

Type 2 diabetes in children is a preventable/treatable disease and the guidance provided here is intended to raise awareness about this disease. Contact your student's school nurse, school administrator, or health care provider if you have questions.

Two levels of benefits are available. A detailed brochure/application is available at your child's school office. A no-cost, free prescription drug card is also available at your child's school office. School districts are required to ensure that all members of school athletic teams have accidental injury insurance that covers medical and hospital expenses. However, this requirement is met by the offering of insurance or other health benefits that cover medical and hospital expenses. Information about no-cost or low- cost local, state, or federally-sponsored health insurance programs may be obtained by calling Healthy Families/Medi-Cal for Families at 888-747-1222.

The district's drug, alcohol, and tobacco education and prevention programs address the legal, social, and health consequences of drug, alcohol, and tobacco use and provide students with effective techniques to resist peer pressure to use illicit drugs, alcohol, or tobacco. Parents may contact the school for additional information The district does not support or endorse specific programs or agencies, but provides the information to assist parents and students.

CONFIDENTIAL MEDICAL SERVICES [EC§46010.1] The state requires that school districts may excuse students in grades 7 through 12 from school for the purpose of obtaining confidential medical services without the consent of the pupil's parent or guardian. DATA SHARING : The California College Guidance Initiative (CCGI) works with California school districts to make applying for college and student financial aid a more streamlined experience for students. The CCGI currently receives enrollment data for all public school students in grades 6-12 from the California Department of Education (CDE). For more information about the CCGI, visit their website at www.californiacolleges.edu/#/.

Student transcript information may be shared with the CCGI in order to do both of the following:

A. Provide students and their families with direct access to online tools and resources for college and career planning.
    a. Enable a student to transmit information shared with the CCGI to both of the following:
        i. Institutions of higher education for purposes of admissions and academic placement.

RELEASE OF PUPIL DIRECTORY INFORMATION [EC§49073, 20 USC§1232] The district makes student directory information available in accordance with state and federal laws. This means that each student's name, birthdate, address, telephone number, email address, major course of study, participation in officially recognized school activities, dates of attendance degrees and awards received, and most recent previous public or private school attendance may be released in accordance with board policy. Height and weight of athletes may be made available. Directory information does not include citizenship status, immigration status, place of birth, or national origin. Appropriate directory information may be provided to any agency or person except private, profit-making organizations (other than employers, potential employers, or the news media). You have the right to inspect a survey or other instrument to be administered or distributed to your child that either collects personal information for marketing or sale or requests information about beliefs and practices and any instructional material to be used as part of your child's educational curriculum. Please contact your child's school if you wish to inspect such a survey or other instrument. TRANSPORTATION AND SCHOOL BUS SAFETY

BUS TRANSPORTATION The District provides home-to-school transportation for eligible students whenever staffing and operational conditions permit. Eligibility is based on Board Policy as follows: Students in grades TK-3 must reside more than 3/4 mile from school; students in grades 4-5 must reside more than 1 mile from school; and students in grades 6-8 must reside more than 1.5 miles from school. Driver shortages or other operational needs may require the District to modify, consolidate, suspend, or eliminate bus routes. Families will be notified of any significant changes as soon as practicable.

Transportation to and from athletic events and other after-school activities is the responsibility of the parent/guardian.

Our stops are approved for safe boarding and drop off for our students. When arriving at the bus stop, park on the same side of the street as the bus stop location, eliminating the danger to children crossing the street. Make sure students are at the bus stop at least 5 minutes before scheduled pickup times. Transporting kindergarten students requires special attention and care, so we take precautions to help ensure safe arrival and drop off. If no parent is at the bus stop at the drop off time, your kindergarten student will be returned to the school. Please accompany young children to the bus stop and meet them upon their return. Children who walk to the bus stop are to use sidewalks or the shoulder of the road. Do not allow your children to play/damage other people's property. Children are to wait for the bus in a safe place, well off the roadway, in a single file line, until the bus is stopped and the bus driver has opened the door. Children are to enter the bus in an orderly manner, no pushing or shoving, quickly find a seat, and remain seated while the bus is in motion. Students should be reminded to check-in at home after they exit the school bus.

The primary responsibility of the driver is to operate the bus in a safe manner, so each student must assume responsibility for his/her conduct while on the bus. Parents are liable for all misbehavior of their children at the neighborhood bus stop. Students at the bus stop or on the bus are subject to the discipline policies of the school for their behavior.

PLEASE REVIEW THESE BUS RULES WITH YOUR CHILD.

Pupils must stay in their assigned seats for the duration of the bus ride and appropriately wear a seatbelt if the bus is so equipped.

1. Fighting, pushing, throwing objects, or other unruly conduct will not be allowed.
2. All parts of the body are to be kept inside the bus.
3. Pets, glass, or other dangerous objects, which in the judgment of the bus driver pose a danger, may not be transported on the bus.
4. No eating or drinking on the bus is allowed during daily runs between home and school.
5. No loud or distracting radios or other electronic devices will be allowed on the bus.
6. All student projects, crafts, and other personal property ("show and tell" objects, toys, etc.) shall be safely secured in backpacks, and shall not be played with during transportation.
7. Students who do not normally ride the bus will not be permitted to ride, even with parent/guardian request, unless there is sufficient seating capacity for the regular riders.
8. Students will not be allowed to get off the bus at a stop other than their own without a written request from his/her parent or guardian. Neither bus drivers nor parents may alter the designated school bus stops. ALL written requests must be submitted to the school office who will then convey the information to the Transportation Department. Drivers will not accept requests.
9. Most students are courteous and thoughtful bus riders. The following procedures will be instituted for inappropriate behavior:

   VERBAL WARNING: The bus driver will inform the student that this is an official warning.
   1ST BUS CONDUCT REPORT: Initial warning of improper behavior. Student may be denied bus privileges.
   2ND BUS CONDUCT REPORT: Student will be denied bus privileges for a minimum of one school day.
   3RD BUS CONDUCT REPORT: Student will be denied bus privileges for a minimum of five school days and a conference with the parent/s/guardian/s, student principal or designee, and transportation staff member is required.
   4TH BUS CONDUCT REPORT: Student will be denied bus privileges for a minimum of ten school days, up to a maximum of the remainder of the school year.
