

Hello, my name is Mrs. Swick. I am so excited to be your child's teacher! This will be a year filled with learning, making new friends, and exploring the arts. This will be my 13th year teaching in Pinellas County, and I am so excited to be teaching 3rd grade at Perkins again!

Below are several important points to remember so that your child has a great 3rd Grade experience:

1. Breakfast and Lunch is **FREE** for all students.
2. Bring a backpack to school each day labeled with your child's name.
3. Water bottles or containers are recommended and need to be labeled with a name please.
4. If you wish, to donate dry snacks for the class it will be greatly appreciated! Snacks may be cereal, crackers, pretzels, goldfish, graham crackers, etc. *(Please avoid snacks with peanuts/peanut butter due to allergies).*
5. Attached you will find the recommended supply list- understand that most supplies will be shared as a class.

At 'Meet the Teacher' and Open House your child will bring home school forms that need your immediate attention. Please make time to fill out and return required forms in a timely manner.

Please feel free to contact me throughout the school year. I want to be your partner in supporting your child in any way. **Focus** is the easiest and fastest way to contact me, however, feel free to email me at any time as well at swicke@pcsb.org. I look forward to meeting you soon. It's going to be a great year!

All my best,
Mrs. Swick

Here is a list of supplies that they'll need throughout the year:

- ☐ 1 – **MOST IMPORTANT**-Pair of USB headphones (for student's personal laptop use at school)- Many of the students do not have working audio jacks and these headphones will be used daily, so USB is a must
- ☐ 1 - Refillable water bottle with secure/no-spill lid- we have filtered water in the classroom
- ☐ 2 - Packs #2 pencils* (wood please-no plastic coated)
- ☐ 2 - Black composition notebooks
- ☐ 1- 1" binder
- ☐ 1- 8 pack of black dry erase markers

Community supplies (please donate at least one of these for the class):

- ☐ Tissue Boxes*
- ☐ Clorox/Lysol Disinfecting Wipes*
- ☐ Hand Sanitizer*

Extra community items that will be helpful:

- ☐ Ziplock bags (sandwich or gallon size)*
- ☐ Dry snacks (Goldsfish, etc)*

There is no need to buy additional school supplies such as folders, pencil cases, etc. During the first week of school, I will provide them with a big eraser, folders and other supplies they need. My goal is to keep it streamlined and simple!

*We will be collecting supplies the entire first week of school. Any way that you can contribute to our classroom will be greatly appreciated! We will make sure every student has the necessary materials to ensure a successful year! (*items with an asterisk will be shared) Thank you!*
