

Lyons Creek Middle School

Specialized Programs

Principal, Mrs. Leena Itty

We provide a supportive and inclusive learning environment where every student can learn, grow, and thrive.

Varying Exceptionalities (VE) Program

Confidence. Independence. Success.

The VE Program supports students with diverse learning needs who benefit from increased levels of academic, behavioral, and social-emotional support. Students receive instruction aligned to Florida Standards in a structured, supportive environment designed to promote growth, independence, and success. Dually certified teachers, paraprofessional support, and specialized services help students develop the skills needed to thrive both in and beyond the classroom.

Program Highlights

- ❖ Dually certified General Education and ESE teachers
- ❖ Small, supportive learning environment
- ❖ Rigorous standards-based instruction
- ❖ Increased staff support and classroom assistance
- ❖ Individualized instructional strategies and accommodations
- ❖ Structured transitions and adult supervision throughout the school day
- ❖ Development of independence, self-advocacy, and social skills
- ❖ Opportunities to participate in elective courses with peers

Specific Varied Exceptionalities SVE

Individualized. Supportive. Empowering.

Our SVE program provides individualized instruction for students with severe and profound disabilities aligned to Access Points Standards. Certified ESE teacher(s) and support staff help students develop academic, communication, social-emotional, independent living, and life skills in a supportive learning environment.

Program Highlights

- ❖ Small group classes (10–12 students)
- ❖ Continuous paraprofessional support
- ❖ Differentiated and individualized learning plans
- ❖ Positive Behavior Interventions and Supports
- ❖ Life skills development opportunities
- ❖ Customized accommodations and supports

Through individualized support, meaningful relationships, and high expectations, every student is empowered to achieve success.
