BEYOND SCHOOL WALLS

WANT A CAREER MENTOR?

Enrolling Students NOW for the 2026-2027 School Year!

What you'll do:

A group of 5 to 15 students in grades 9-12 will meet with their career mentor monthly to explore different career opportunities, learn professional skills, develop career and life goals while interacting with adults and peers in a professional real-world work setting.

GROUP SKILL BUILDING

Program Structure:

- Once a month for approximately 1.5 to 2 hours (11am-1pm) during the school year, you'll visit a business partner site (Quad, West Bend Insurance, Alto Shaam, and more!)
- Following the group presentation, you will meet with a dedicated career mentor to explore the workplace environment, develop job readiness skills, and explore career interests.
- Mentors and Mentees will grow and learn together, while mentees get a behind the scenes look into day-to-day operations while at the business.
- You'll have lunch together while building a friendship with your mentor and reflecting on SMART goals.
- You may be offered a summer internship, apprenticeship or stipend upon completion of the program.
