

What do I need for High School Back to School Registration?

Registration Check Off List

- View General Information in the [August Freddy's Footnotes](https://onalaskahighschool.onalaskaschools.com/about-us/freddy-footnotes) – Start of School Basics, Student Service and Athletic Information. <https://onalaskahighschool.onalaskaschools.com/about-us/freddy-footnotes>
During the school year, we keep the [OHS QUICK REFERENCES](https://onalaskahighschool.onalaskaschools.com/about-us/quick-references) page for your general use for future questions and general help. <https://onalaskahighschool.onalaskaschools.com/about-us/quick-references>
- Returning Student Update and Permission Waiver – The School District Office emailed information out to families on June 30, 2026 to begin this process. If you have not completed this as of yet, please do so now. An outline is included in this mailing on page 6 or on our website at: <https://www.onalaskaschools.com/families/back-to-school> - Click the Student Information Update tab. If you are new to the District, you do **not** have to complete this process, but are encouraged to set up an account for future use for your child's grades and attendance information. If you are having troubles with this or do not have access to a computer and would like to have someone assist you at OHS during registration, please contact the main office at 608-783-4561 or reach out to sishelp@onalaskaschools.com for assistance.
- School Fees
 - **General Fee \$6.00 – All students**
 - Optional Fees
 - Chromebook Insurance – optional \$25 covers repair or replacement of Chromebook
 - Seniors ONLY – optional \$40 Parking Permit (Google Form Required)
 - Seniors ONLY – optional \$40 Baby Ad for Yearbook (September 24 Deadline)

Freshman Information

We invite you to attend the orientation session for parents of freshman students on Tuesday, August 11 at 6:30 PM in the OHS PAC. The session is led by our school administrators and a panel of juniors and seniors. Even though we have a separate orientation event for freshmen students on Wednesday, August 19, we also encourage freshmen to attend the Parent Night meeting if possible. Much of the information will be similar but it helps to reduce anxiety and increase understanding of schedules, procedures and resources. We also encourage your child to do a walk through of the building before August 24 to become familiarized with classroom locations.

- All School Registration – Tuesday, August 11 from 8:30 AM – 7:00 PM – No appointment necessary. Students' schedules will be available at Registration.
- Freshman & Parent Information Meeting – Tuesday, August 11 --- 6:30 PM in the PAC
- LINK Freshman Orientation (Students Only) – Wednesday, August 19 --- 8:00 – 11:00 AM

Freshman Parents are encouraged to look through the larger Freddy's Footnotes to see schedule times, map of the building, office procedures, student service information, etc. [August Freddy's Footnotes](https://resources.finalsite.net/images/v1784726565/onalaskak12wius/ei9h5xuxk4qxfet6jxth/AUGUST2026.pdf) -

Back-to-School Update – New System - Skyward

We are thrilled to share that our district has officially transitioned to Skyward as our new student and family information system, and after many months of hard work behind the scenes, we're ready for you to get into your accounts! Please note: All families with students enrolled in one of our schools will already have a Skyward account. Part of our transition to a new information system included migrating student and family data. **That said, it's still very important that you login to Skyward and verify that all of your information is correct and up-to-date.** To do that, follow these steps:

Step 1: Login to Skyward Family Access

1. Visit [Skyward Family Access](#)
2. Click "**Forgot Your Username or Password?**"
3. Enter the email address associated with your PowerSchool account.
4. Check your email for a password reset link from Skyward, follow the prompts, and log in.

Step 2: Review your information by completing the "Returning Student Registration" form

Once logged in, make sure you are on the "Family Access" page which will look like the example on the next page. If you are not and are instead starting on the "New Student Enrollment" form (which you **do not** need to do), navigate to the top of the page near the home button and click the down arrow (see example) and click on "Family Access." Once on the Family Access page, you will see a number of tiles. Find and open the "**Returning Student Registration**" tile to review your family and student information. Please make any necessary updates and once completed, submit the form. That's it! You are done!

Important notes:

- If you don't remember the email address associated with your PowerSchool account, try the email address that this newsletter was sent to. It's likely the same!
- If you have more than one child in our district, you will need to scroll down to see the individual tiles for each of your students, rather than the "View All Students" section at the top. You will need to complete this form **for each of your students**.
- Information about your child's teachers and schedules will not be live until later this summer.
- If you are experiencing issues with your Skyward account, please reach out to sishelp@onalaskaschools.com.

New Communication Tool – ParentSquare

Along with Skyward, we are adopting [ParentSquare](#) to unify all district and school communications in one place. We are especially excited for this change as this will be the one communication tool needed if you are a district family - regardless of your student's classroom, building, or activity.

On top of consolidation, a few of the most noteworthy benefits to ParentSquare include:

- **Customized delivery:** Still want the traditional email updates? You can do that. Do you want to add text updates? You can do that. Interested in having all of your school communications in a dedicated app instead of through email or text? You can do that, too. Through ParentSquare, you now have the ability to choose how you receive updates from our schools and district.
- **Notification settings:** Happy with the frequency of messages from your teachers, buildings, and district in the past? Great! You can keep receiving updates as they're sent! Have children at all three levels, involved in numerous activities, and feel like you're getting tons of emails every day that are hard to keep up with? ParentSquare gives you the ability to consolidate all messaging into a single nightly digest to help reduce clutter.
- **One-Stop-Shop:** Through the ParentSquare app, you will be able to access calendars, classroom updates, and have the ability to communicate with teachers and staff working directly with your students in one central location. No more jumping to different emails or apps!
- **Don't want another app? No problem:** You will not need to download the ParentSquare app in order to continue receiving communications from our district or schools. If you choose not to, you will still receive emails and/or text alerts just as you have in the past. Downloading the app and registering simply gives you access to a few more advanced features within ParentSquare.

Next Steps & Contact Information

All contact details in ParentSquare are automatically linked to your Skyward account, which acts as another reminder to please complete the "Returning Student Registration" form to ensure your information is accurate. We don't want you missing any important announcements or alerts.

Click here to view our [District Parent Square Resource](#) page.

New Payment System:

More consolidation! Historically, our district has had two separate softwares for school payments: One for meals and another for other school-related fees. As part of this summer's transition, we are excited to share that we will be moving to one system for **all** school payments - including meals, activity fees, Chromebook fees, and more. These will now run through the software called [RevTrak](#).

You will need to create an account with RevTrak at some point before the start of school. If you'd like to do this now, make sure you're on the "Family Access" page and click on the "Fees & Fee Payments" or "Food Service" tile. You should see a "Make a Payment" link in the top right of the page. Clicking on this will take you to RevTrak's portal where you can register.

About Supplies....

Freshman parents often ask what school supplies are needed. Please find a list below for students in the core-subject areas.

English – folder, post it notes (2x2 or 3x3), and a highlighter

Math – folder, notebook or a binder with loose-leaf paper as well as a calculator - the math department recommends a TI-30XIIS or similar model. If the student plans to eventually take Pre-Calculus, AP Calculus or AP Stats, a TI 83 or TI 84 is useful to provide access to a graphing calculator outside of class time. Some families choose to purchase the graphing calculator now while others wait until the more advanced coursework. NOTE - the more expensive graphing calculator is not needed for Algebra, Geometry, or Algebra II.

Science – A ½-inch binder with loose leaf paper.

Social Studies – folder, notebook, or a binder with loose leaf paper.

PE – The school does not issue uniforms for PE. Students will need to bring shorts, t-shirt and gym shoes from home.

Principles of Leadership – A 1-inch binder.

Students should also have an assortment of pens, pencils and dry-erase markers (2-3 - these are often used for individual white board learning activities). Some students have found it useful to purchase two 3-subject notebooks and use one notebook for morning classes and the other notebook for afternoon classes.

It's almost **PHOTO DAY!**

Picture ID's are required for everyone

Before Photo Day

Your school portrait date can be found at vipis.com.
