

Spring Creek Elementary Student Drop-Off/Pick-Up

Highlights

- The west Drop-Off/Pick-Up lot and north side pull-in accommodate 30+ vehicles at a time.
- Right-Turn only exits at pick-up/drop-off, reducing wait time.
- Walking students exit the north side of the building or the playground exit, reducing West lot congestion.
- The East lot is available for parents assisting their children out of their car and to the entry doors. If entering the building, parents must utilize the front doors on the west side of the building. Please do not regularly drop-off/pick-up from the east lot.
- School employees will not monitor any use of the church parking lot. School employees will assist with student crossing in front of the West/East lots before and after school.
