

# Welcome to Our School Family

Dear Parents/Guardians,

Welcome to a great year at Liberty Early Childhood Center! We will now “continue” your child’s career as a lifelong learner. I use the word “continue” because your child has already been learning so much from you, as parents/guardians, in their short lifetime so far. The time I spend with your child will be very meaningful for him/her, but it will be a very small amount of time in comparison to the time you have with your child. So...I look forward to having a great partnership with you and your child. Preschool is an important milestone for you and your little one. I hope the background information provided below with help to ease with your child’s transition to school.

## **A Little About Me**

Each evening, I go home to my supportive husband, Scott, and youngest child, Calvin. Calvin is a busy 16 year old and is active in Tae Kwon Do and loves science and math. My oldest son, Xavier, is 22, works as a cook at Longhorn Steakhouse and is in the process of saving money to go to school in Florida.
