Chalmette, LA 70043

*The Mission of the St. Bernard Parish Public School System is to provide quality educational instruction, so our students are responsible, productive citizens and life-long learners.*

DID YOU KNOW

After Hurricane Katrina in 2005, district enrollment fell to zero. Twenty years later, St. Bernard Parish Public Schools has rebuilt and now serves more than **7,300 students**.

The Chalmette High Cultural Arts Center is one of the school system's busiest venues, featuring student performers from every school across the parish in dance, music, theatre, and more. This year alone, the theater welcomed more than **10,000 guests** to a wide variety of performances.

More than **15,000 computing devices** are in daily use across the district, including a Chromebook for every student.

LEARNING

St. Bernard Parish Public Schools

*Delivering instruction to power curiosity, growth, and lifelong learning*

DEAR FAMILIES,

As we close the 2025–2026 school year, it’s remarkable to reflect on how far our district has come. This year also marks the close of a significant chapter- 20 years since Hurricane Katrina reshaped our schools and community. Two decades of resilience, rebuilding, and growth have brought us to the thriving, innovative district we are today. Strong roots really do lead to bright futures.

From those early days of reopening doors and restoring hope, we have built a strong foundation for our students, families, and staff. Our campuses are more than buildings- they are communities where curiosity is sparked, creativity is encouraged, and every child has the chance to flourish. This year’s theme, Powered by Learning, reflects exactly that: we are a district energized by innovation, guided by knowledge, and committed to helping every student reach their potential.

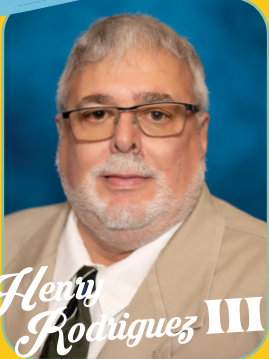

As summer begins, I encourage you to continue nurturing growth in your children- through reading, exploring, creating, and spending quality time together. From our school family to yours, we wish you a safe, joyful, and fulfilling summer, full of discovery and inspiration.

Doris Voitier
