I understand that the only time I may elect a new benefit plan option is during the district's designated Open Enrollment period with an effective date of October 1. Spouse/Domestic partner and children additions and terminations can ONLY be made during Open Enrollment. Benefit plan and dependent changes may occur outside of Open Enrollment if the employee experiences a qualifying event (i.e. marriage, divorce, birth, adoption or loss of coverage). The employee may make the following changes within 31 days of the qualifying event by completing a SISC Membership change form and providing the required documentation. Please note changes outside of Open enrollment are subject to SISC approval. *Rates are subject to change.

^Monthly Rate is a composite rate (one rate for all contract types: single, two-party, family). Rate includes dental and vision premiums.
