Pay for School Meals Online

Dear Parents and Guardians of Students,

We hope that you and your family are enjoying a fun summer!

We'd like to introduce ourselves to you – Epicurean Group, the team behind the meals your students will enjoy at **The King's Academy**. Epicurean Group is dedicated to serving your students, school, and the community. We are a local company whose employees possess unparalleled experience in food service. We live our passion for providing fresh, honest, and local. Food prepared from scratch, every day and at every meal, featuring only the finest ingredients. We simply love what we do! We don't cut corners or do it the "easy way". We are a scratch kitchen, soups, dressings, and sauces are home-made—and every effort is made to use as much seasonal produce as possible, according to the Clean 15 and Dirty Dozen, a list of produce items published by the Environmental Working Group. With seasonal menus reflecting the most nutritious and delicious choices based on local growing patterns, we take great pains to do the best for our customers and the environment.

How to Set up your Account
