I understand that I may elect a new benefit plan option only during the designated Open Enrollment period with an effective date of October 1. I may not add additional benefits if not currently enrolled. For example, if I currently do not have dental coverage, I may not elect a plan change that includes dental coverage. Dependent terminations can ONLY be made during Open Enrollment. Dependent changes may occur outside of Open Enrollment if the retiree experiences a qualifying event. The retiree may make the following changes within 31 days of the qualifying event by completing a SISC Membership Change form and providing the required documentation. Please note changes outside of Open enrollment are subject to SISC approval. *Rates are subject to change.

Please note rates are subject to change until union negotiations are finalized
