After School Programs General Information

After School Programs (ASP) support the mission of ʻIolani School by providing engaging classes and enlisting a team of trained teachers and staff. After School Programs offer enrichment classes for students in Grades K-12 in a wide variety of subjects including STEM, athletics, dance, art, SAT Prep, and Extended School Care (ESC) supervision.

- ASP classes include ESC supervision before and after classes. You do not need to register or pay for ESC on days you are scheduled for ASP.
- Students must attend the full school day in order to attend ASP or ESC.
- Students who are unable to be picked up during the designated Lower School dismissal times should register for ASP or ESC. Students must be supervised at all times and will not be allowed to wait unattended for their rides after school.

ASP are listed in this catalogue and **do not** include private music lessons, ʻIolani-sponsored club activities or sports, including but not limited to ʻIolani Dance Team, Swim Club, private tennis lessons, scouts, CSAL, school events, and school clubs.

Should ʻIolani School announce additional days off or early dismissal days, ASP will not be held, and you will be notified of schedule changes. Class pricing accounts for special schedules and school holidays.

Registration Information

Handbook Acknowledgment

Before registering, please carefully read through the After School Programs Handbook, found at www.iolani.org/asp.

How to Register

After School Programs registration must be completed online using the CampBrain portal found at 'Iolani's website (www.iolani.org/asp). Registrations will not be accepted by telephone, email, fax, or walk-in. Registrations received prior to your child's assigned date and time as well as incomplete registrations will not be accepted. Registration fills quickly and program spaces are limited, so we recommend registering at the opening time.

The course status will appear as "Registered" if the student's enrollment is confirmed.

Course Planning

The maximum class sizes range from 12 to 20 students. Classes tend to fill quickly during registration. If your child is placed on the waitlist, there is no guarantee of placement in the course. Waitlists are processed as space becomes available. The Special Programs Office will notify the parent/guardian if unable to accommodate the waitlist request up to the start date of the program.

Waitlist

The maximum class sizes range from 12 to 20 students. Classes tend to fill quickly during registration. If your child is placed on the waitlist, there is no guarantee of placement in the course. Waitlists are processed as space becomes available. The Special Programs Office will notify the parent/guardian if unable to accommodate the waitlist request up to the start date of the program.

Tuition and Fees

Tuition payment in full is due at the time of registration. You may pay by Visa, American Express, or Mastercard. All account balances (after school, drop-in, summer) must be paid in full at the time of new course registration. Any outstanding balances may impact eligibility for new course registration.

Initial class enrollment determines the allocation of teachers, classrooms, and ESC staffing required to adequately support the program, **so please be mindful of the registration and withdrawal policy and your student's extracurricular and off-campus activities when selecting classes.**

Withdrawal and Refund Policies

Students or parents who initiate course withdrawals after submitting their registration will be subject to a refund based on the date when the Special Programs Office receives written email notification from parents for the child's withdrawal.

Once the registration has been processed, the maximum amount of refund will be 50% of each course. The following schedule determines the amount of the refund:

- 50% refund until Thursday, August 6
- No refunds will be made after Friday, August 7

There are no refunds or prorated billing for course time missed.

The course fee applies regardless of how many days a child participates in the program. There will be no refunds for unused days.

Course Changes

Students or parents who initiate course changes (replacing one course for another, requesting time changes) after submitting their registration will be charged \$50 for each change requested. No course changes will take place after two meetings of the course.

Courses cannot be dropped or changed online via CampBrain.

Please email spo@iolani.org for any changes to the schedule. Include your child's full name and the changes you would like to make.

Canceled Courses

Courses may be canceled due to insufficient enrollment. If this occurs, parents will be notified via email and we will assist you in finding an alternative class, if available, for your child.

Late Registration

For After School Programs registrations outside the registration dates, please email spo@iolani.org; a late fee of \$100 will be charged if space is available.

Extended School Care

(For 'Iolani students only)

Extended School Care - ESC (formerly After School Care-ASC) provides a safe, supervised, and relaxed environment for 'Iolani students grades Kindergarten through 6, and includes homework/study time, indoor and outdoor activities. ESC is the “home base” for all grade levels after school, and offers homework time and outdoor play in a supervised setting. ESC may be selected for all or specific days of the week in the semester as needed.

Hours

ESC is offered from the end of the school day to 5:30 pm on full school days. No care is provided on holidays, vacations, early dismissal days, or other school days off (see Fall Program Dates).

Registration

After School Program (ASP) classes include ESC supervision before and after classes. You do not need to register or pay for ESC on days you are scheduled for ASP.

Daily Drop-In Service

Daily Drop-In Service is available for students in grades Kindergarten through 6, at a cost of \$19 per day. Drop-In Service provides ESC for students on an occasional basis. If you need Drop-In Service, please contact 808-943-2242 or esc@iolani.org by 12:00 p.m. on the day the service is needed. At the end of the month, Drop-In Fees incurred will be automatically charged to the credit card associated with the CampBrain student account.

Daily Operations

Students are expected to report to ESC immediately at the end of the school day and follow the directions of ESC staff. Teachers or staff will escort students to their ASP at the designated times. Snacks will not be provided, however, students are encouraged to bring a healthy snack from home.

Contact these programs directly for more information.

Tennis

Welcome to the 'Iolani tennis program where students of all ages and skill levels learn to play “the sport for a lifetime” in a fun and nurturing environment. The many benefits tennis provides include the physical and psychological development of the student where challenges engage the body and mind. Perseverance, problem solving, and learning to work with others are traits formed through the process. The 'Iolani tennis classes are part of a developmental pathway where students matriculate from one skill level to the next as they make progress.

Group class offerings range from Kindergarten through the Upper School where the size of the court, racket, and ball are age and skill appropriate. We have adopted the USTA “10 and under tennis” format where the play area and rackets start off small for younger students and progressively get larger as students age up. The tennis programs are created for grade level bands, and take into account the age and experience of each student. Each group will focus on technical fundamentals, patterns of play, and match play appropriate for the skill level. Classes are offered twice a week.

Students should wear athletic shoes and bring a water bottle and tennis racket, if available. Tennis rackets will be provided as needed. The following classes are based on grade level. There will be a maximum of 24 students per class. Please see individual course descriptions for more details.

- a. Red Ball Lessons (K-1)
- b. Orange Ball Lessons (2-3)
- c. Green Ball Lessons (4-6)
- d. Yellow Ball Lessons (7-9)

PRIVATE LESSONS

Private lessons are offered to those students who request one on one instruction. Fundamental stroke production, foot work, and point development are the three areas of training focused on in private training. The following are the time options and rates.

Time	Rate
60 minutes	\$65.00
45 minutes	\$50.00
30 minutes	\$35.00

CONTACT INFORMATION

For any questions related to small group or private lessons, please contact Henry Somerville, Director of Tennis, at hsomerville@iolani.org.

Private tennis lessons are not organized or scheduled by the Special Programs Office. Extended School Care supervision is not included with private tennis lessons and escorting is not provided. Please make arrangements to have your child escorted to private tennis lessons.

Learn to Swim

The after school Swim Program provides basic swim instruction to students grades K-6. Students are grouped according to ability during the first week of class and advance at their own rate. The main goals are to promote water safety and build stroke foundations. Children should bring their own towel, goggles, swimsuit, and sunblock. Additionally, they must be able to apply their own sunblock as well as change in and out of their own bathing suit.

Prep Swim lessons are held Mondays and Wednesdays for Kindergarten; Learn to Swim lessons are held Tuesdays and Thursdays for grades 1-6. Course fee INCLUDES TWO 25-minute lessons each week for the selected semester. Students grades K-6 may enroll in both fall and spring sessions. Enrollment in each class is limited.

'IOLANI SWIM CLUB

For advanced swimmers, please contact the 'Iolani Swim Club at 808-321-4109 or IolaniSwimClub.Info@gmail.com.

'Iolani Swim Club is not organized by the Special Programs Office. Extended School Care (ESC) supervision is not included for those in the 'Iolani Swim Club and escorting is not provided. Swim Club students will be escorted from the Lower School to the pool for practice, and must be picked up after practice.

Performing Arts

After School Performing Arts classes provide students an opportunity to explore music and various dance forms such as ballet, gymnastics, hula and jazz. All dance students are expected to be prompt for class, dressed appropriately with hair pulled back neatly. Beginners may come in P.E. clothes on the first day of class. See individual course descriptions for more details and requirements. For questions regarding After School Dance Programs, email Cyrenne Okimura at okimura@iolani.org.

PERFORMANCE NOTE: The 2026-27 'Iolani After School Dance Program culminates in the Spring Dance Showcase on campus (May 2027). Students enrolled in the fall semester are encouraged to enroll in the spring semester of their respective dance course. A \$50 costume fee will be included in the spring semester course price. Classes include all levels of ballet, gymnastics, hip hop, hula, jazz, and theatrical dance.

'IOLANI DANCE TEAM

The 'Iolani Dance Team is not associated with After School Programs. Extended School Care is not included for 'Iolani Dance Team practices and escorting is not provided by ESC. Please make arrangements with IDT to have your child escorted to practice and events. Questions regarding the 'Iolani Dance Team may be emailed to Cyrenne Okimura at okimura@iolani.org.

MUSIC LESSONS

Private music lessons on campus are coordinated through the Performing Arts Department. To request a teacher for the first time, please submit a Lesson Inquiry Form on the [Performing Arts website](#). Your teacher will be in direct contact with you to set up your lesson times and payment. Lessons may begin the second week of school. Please contact the Performing Arts Department performingarts@iolani.org with any questions.

Prep Swim Gr. K

Mondays and Wednesdays (includes two lessons per week)

Prep Swim Kindergarten is designed to teach our youngest students to be water safe and help them build confidence in the water. Students work in small groups with a designated instructor. The program begins with water adjustment and essential water safety skills, with a focus on developing foundational awareness, comfort, and readiness. Water safety foundations are required prior to introducing the formal basic stroke techniques such as elementary freestyle, backstroke kick and arms technique.

Class fees include TWO lessons each week on Mondays and Wednesdays each semester. Students may enroll in both fall and spring sessions. Enrollment in each class is limited due to swim safety rules and pool space.

Students must be able to apply sunblock on their own as well as change in and out of their own bathing suit prior to class. Long hair should be tied back and hair accessories and other belongings should remain at ESC. Swimmers should come to the pool in their swimsuit and slippers, bringing only their towel and goggles.

For pickup, allow **at least 20 minutes** after the end of class time for students to exit the pool, shower, walk back to Lower School, change clothing, and gather their belongings before heading to Autoline.

TUESDAY

Amazing Athletes Gr. K

“Amazing Athletes” fun, active classes encourage kids to explore and develop a variety of athletic skills through the introduction of 10 different sports: basketball, football, volleyball, tennis, soccer, hockey, baseball, lacrosse and track & field. Coaches break the fundamentals of each sport-based skill down into simple steps based on each child’s age and ability. At Amazing Athletes, we use sports as a catalyst to meet the needs of the whole child through non-competitive, sports-based fitness classes designed to advance each child’s individual motor-skills and inspire future participation in physical activity. Amazing Athletes is the premier year-round developmental physical fitness program empowering children aged 2 ½ to 7 years old to reach developmental milestones at an individual pace. Class fee includes an Amazing Athletes t-shirt. Presented by Keiki Enrichment.

Set In Motion Parkour Gr. K-1

Welcome to the exciting world of parkour! This engaging course invites students to discover the joy of movement through purposeful play. Parkour teaches students how to navigate obstacles safely, creatively, and confidently using just the human body. With professional and supportive coaching, students will practice fundamental skills like balancing, jumping, rolling, climbing, and falling safely.

The body awareness, coordination, and agility developed in parkour seamlessly translate to and enhance performance in traditional sports. Beyond the physical benefits, our curriculum is designed to help children overcome fears, learn to assess risk, and grow their self-confidence through steady, healthy progression over the semester.

This program is perfect for energetic movers looking to build general agility or complement other sports, as well as for kids who need a fun, positive physical outlet but may not thrive in traditional team sports.

This class combines students from Grades K and 1. Presented by Set in Motion LLC.

FRIDAY

Hui 'Imi Na'auao Knowledge Seekers Gr. K-1

Hui 'Imi Na'auao offers K-1st grade students to be “knowledge seekers” of Hawaiian culture and education. Students will develop a sense of identity by listening to mo'olelo (stories) about people and places. This connection deepens through hands-on engagement with the 'āina (land), where students learn the importance of land stewardship by interacting directly with the environment. To bridge these experiences, foundational 'ōlelo Hawai'i (language) is introduced, empowering young learners to use the language to describe the world around them. The students in Hui 'Imi Na'auao will have a blast participating in mele and games that make cultural discovery feel like an exciting adventure. Ultimately, this program ensures that our youngest seekers cultivate a lasting respect for their home while building a strong educational foundation in Hawaiian culture. This class combines students from Grades K and 1.

2:45 pm - 3:30 pm

LEGO® STEM Explorers Gr. K-1

Gears are turning, motors are revving, and imaginations are taking off! LEGO® STEM Explorers & Robotics is a hands-on adventure for emerging engineers and curious creators. Using thousands of LEGO bricks, gears, motors, and robotics components from LEGO Education's new Computer Science & AI Kit, students will explore engineering, mechanics, architecture, and early robotics through fun and engaging design and build challenges. From automated robotic vehicles and mechanized gear walkers to towering skyscrapers, each project is a creative STEM challenge that turns play into purpose. As students build creations that move, spin, climb, and race, they'll discover how gears, motors, programming, and basic sensors work together while strengthening creativity, teamwork, and problem-solving skills in a fun, supportive environment. No prior experience is needed, just big ideas and imagination! All materials are provided, and brand-new projects are featured each semester. This class combines students from Grades K and 1. Presented by Wrenn Okada Photography + Design.

Dive into a world where imagination meets innovation with our Junior Robotics program! Each week, students embark on a new adventure, constructing unique LEGO® models that evolve with them throughout the semester. With an array of LEGO® technic pieces—gears, beams, axles, and motors—children will learn the basics of robotic coding, that will give life to their creations by making them move, spin, light up, and even produce sounds! This immersive experience not only ignites curiosity but also builds confidence as young engineers tackle projects ranging from simple machines to vehicles and more complex structures, all while mastering the art of problem-solving and engineering. Hui 'Imi Na'auao Knowledge Seekers Gr. K-1

Hui 'Imi Na'auao offers K-1st grade students to be "knowledge seekers" of Hawaiian culture and education. Students will develop a sense of identity by listening to mo'olelo (stories) about people and places. This connection deepens through hands-on engagement with the 'āina (land), where students learn the importance of land stewardship by interacting directly with the environment. To bridge these experiences, foundational 'ōlelo Hawai'i (language) is introduced, empowering young learners to use the language to describe the world around them. The students in Hui 'Imi Na'auao will have a blast participating in mele and games that make cultural discovery feel like an exciting adventure. Ultimately, this program ensures that our youngest seekers cultivate a lasting respect for their home while building a strong educational foundation in Hawaiian culture. This class combines students from Grades K and 1.

Learn to Swim Gr. 2-3

Tuesdays and Thursdays

The after school Learn to Swim Program provides entry level stroke foundation and swim instruction, and includes TWO lessons per week. Students are grouped according to ability during the first week of class and advance at their own rate. The main goals are to promote water safety and build stroke foundations. Students begin with elementary freestyle and backstroke, then progress to the basics of breaststroke, and elementary butterfly, determined by regular evaluation and individual development and readiness.

Class fees include TWO lessons each week on Tuesdays and Thursdays each semester. Students may enroll in both fall and spring sessions. Enrollment in each class is limited due to swim safety rules and pool space.

Students must be able to apply sunblock on their own as well as change in and out of their own bathing suit prior to class. Long hair should be tied back. Swimmers should come to the pool in their swimsuit and slippers, bringing only their towel and goggles; all other belongings should remain at ESC.

For pickup, **allow at least 20 minutes** after the end of class time for students to exit the pool, shower, walk back to Lower School, change clothing, and gather their belongings before heading to Autoline.
