NORTH ALLEGHENY SCHOOL DISTRICT

Each year, North Allegheny honors the legacy of the U.S. military and our nation's veterans with assemblies across the district. One of the marquee events takes place at Marshall Middle School, where local veterans are invited on stage as the Marshall Voices choir delivers a stirring tribute of military songs.

Pictured: The North Allegheny Junior Air Force ROTC presents the American flag on stage. During the ceremony, the cadets present a moving POW/MIA tribute, setting an empty dinner table and blowing out a single candle to honor those who never returned home.

Building on the Legacy

JANUARY 2027

Through generous community fundraising, the North Allegheny Foundation provides thousands of dollars in grants each year to empower students across the district. These contributions fund cutting-edge, hands-on STEM opportunities that enrich learning in both our elementary and secondary classrooms.

NORTH ALLEGHENY SCHOOL DISTRICT

North Allegheny's seven elementary schools, under the guidance of their physical education teachers, participate in the annual Jump for the Hills fundraiser benefiting North Hills Community Outreach. Over a two-month period, students raise funds for the local nonprofit, culminating in a day dedicated to jump rope activities. The initiative concludes with a schoolwide event at McKnight Elementary School, where a basketball game between staff and parents helps generate the final contributions toward the overall total. Last year, North Allegheny raised more than $70,000 in support of NHCO.

Each year, North Allegheny Senior High School presents fall and spring musical productions showcasing the talents of its student performers. In this scene from *Disney's Frozen: The Broadway Musical*, North Allegheny senior Ethan Bice, portraying Olaf, is flanked by junior Bria Fischer and sophomore Rose Nelson, and an ensemble of umbrella-toting dancers. North Allegheny Intermediate High School also presents a fall and spring performance, while students from the district's three middle schools collaborate on a combined junior production each fall.
