GRAYSON TECHNICAL EDUCATION PROGRAM
AT GRAYSON HIGH SCHOOL

Student Parking Rules and Regulations
2026-2027

Parking permits allow Grayson Tech students to park in designated parking spots in the student parking lot only. Any student vehicle parked in any area of the school campus that is not specified for student parking will be illegally parked and subject to fines.

Students must read and adhere to the following rules/regulations to maintain the privilege of driving on campus:

1. **Only one parking permit per student. The parking permit may not be transferred to another vehicle. New vehicles or any changes of vehicles must be registered with the Front Office staff immediately (see #3). Students who give, sell, or trade their parking pass to another student will have their permit revoked and subject to disciplinary consequences.**
2. **LOST parking permits may be replaced one time ONLY! Parking permit replacement fee is $10.00 for the school year.**
3. ***The permit should be applied on the inside of the driver's side windshield in the upper corner***. **Cars not appropriately displaying a valid permit will be ticketed/fined**. If you have a parking permit, but you drive a different vehicle on campus, you must notify the Front Office staff immediately upon arrival for a one-day temporary pass. Failure to do so will result in a ticket/fine. No exceptions.
4. **Speed, loud noise (radios, mufflers, revving engines), laying drag, dangerous driving/passing will result in loss of parking privileges and no refund will be given. Students are reminded that ALL school rules and GCPS student code of conduct are in effect in the parking before, during, and after school.**
5. Once on campus, students should report directly to class. Hanging out in the parking lot is prohibited.
6. Smoking and vaping in cars on school property are not allowed per GCPS Discipline Code of Conduct.
7. **Passing buses that are loading or unloading, will result in permanent loss of parking.**
8. **Moving or damaging traffic control equipment will result in suspension of parking. Time of suspension will be determined by administration.**
9. **School Attendance (per semester):**
   - **4 AWOL Referrals – loss of parking permit for the remainder of the semester**
   - **10 Tardies – 2-week suspension of parking permit.**
   - **12 Tardies – 1 month suspension of parking permit.**
   - **15 Tardies – Parking privilege will be revoked for the remainder of the semester.**
10. **Students may not check themselves out regardless of if they drive to school.**
11. If a student receives a PARKING TICKET, fines must be paid on MyPaymentsPlus or driving privileges to Grayson Tech will be revoked. Upon the 3rd parking violation, the car will be ticketed with a notice of towing at the next offense. Once a vehicle is ticketed for the 4th parking violation, the vehicle will be towed. Fines incurred first semester must be paid in full prior to second semester or parking will be revoked**. The parking fee is non-refundable for revoked permits.**
12. Students are reminded that all vehicles brought on campus are subject to search when reasonable suspicion exists that items are in the vehicle that violate GCPS Student Conduct Code. These items include, but are not limited to, weapons, cigarettes, vapes, lighters, drugs, and stolen property.
13. **Refunds will not be granted for revocation of permit due to parking violations and/or disciplinary actions.**

REMEMBER: DRIVING IS A PRIVILEGE THAT CAN AND WILL BE REVOKED IF THE ABOVE RULES AND REGULATIONS ARE NOT FOLLOWED.

I have read and understand all the foregoing information, rules, and regulations. I pledge to abide by all parking rules and regulations as set forth by Grayson Technical Education Program. I understand that failure to obey parking and traffic rules will result in parking fines, vehicle towed, and suspension/forfeiture of parking privileges. Refunds will not be granted for loss of parking privileges.
