

WHY DOES IT MATTER?

Research shows that going to college has many benefits. These include more employment opportunities, higher paying positions, and the building of skills such as leadership and communication.

By providing students with services, GEAR UP Wyoming gives each student the support they need to be successful. This assistance starts in middle school with building educational skills so students can succeed in school and begin thinking about post-graduation goals. These skills help students throughout high school and eventually help them in enrolling and succeeding in college once they graduate.

GEAR UP
WYOMING

The path to possible.

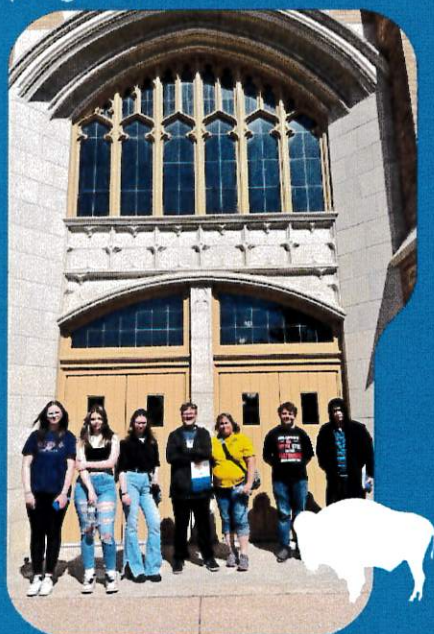

GEAR UP Wyoming is funded through a grant from the U.S. Department of Education totaling \$4,019,000 annually, with an additional \$4,019,000 annually provided by in-kind and scholarship contributions.

Everything you need to know about GEAR UP WYOMING

ABOUT GEAR UP WYOMING

Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) provides FREE academic services to income-eligible 7-12th graders and college freshmen enrolled in our program. GEAR UP works to increase the number of low-income students who graduate high school and enter into a college or trade school program.

GU WY focuses on three goals: Improving academic success, increase academic awareness within our students and their families, and increase student awareness of career pathways after high school.

TIMELINE OF A GEAR UP WY STUDENT

This list summarizes all of GUWY's services. There may be some differences between sites. Speak with a GU WY staff member to learn what services are offered at your school!
