Opportunity Culture (OC)

Blackshear is excited to continue implementing the Opportunity Culture (OC) Model for its seventh year. This innovative approach allows us to extend the impact of our highly effective teachers by empowering them to lead teaching teams that support and serve more students.

Our goal is to provide every child with an excellent education and ensure that all students have the opportunity to succeed. In 1st-5th grades, each grade level is supported by a Multi-Classroom Leader (MCL)—an experienced, master teacher who works closely with classroom teachers to strengthen instruction, support student learning, and promote academic growth for every student.

Through the OC Model, we are committed to creating a collaborative learning environment where both teachers and students thrive.

Blackshear House System Four Houses ✨ One Mission

We are excited to continue our House System this school year! Developed by the Ron Clark Academy (RCA), this program has a proven track record of fostering a positive school culture that is embraced by students, staff, and families alike. Our goal is to create an environment where students take ownership of their learning and behavior while working together toward shared goals.

Last year, we launched our House System with eight houses. This year, we will transition to four houses, creating even stronger connections and opportunities for collaboration among students. Throughout the year, students will participate in house-specific events, celebrations, and activities that promote teamwork, leadership, and school spirit.

Students will have opportunities to earn points for their houses by demonstrating excellence in academics, character, leadership, school spirit, and kindness toward others. While earning points is not the primary focus of the program, the friendly competition inspires students to encourage, celebrate, and support one another as they work toward common goals. At the end of the school year, the house with the highest point total will be recognized as the Blackshear House Champions! We are confident that the RCA House System will continue to have a positive impact on our school community. We look forward to another exciting year of building relationships, celebrating success, and creating a culture where every student can thrive.

Message from the Principal

Dear Families,

Welcome back! I hope you all had a restful, joyful break filled with special moments. Our entire team is excited to kick off this new school year, and we look forward to a season of learning with your children.

This year, we are thrilled to continue our House System, which is designed to boost student engagement, foster character development, and encourage a positive, resilient mindset. Our inspiring school theme for the year is: "Four Houses, One Mission!" Every student will be placed into one of our four houses by October.

Thank you for your partnership and support. Together, let's make this school year truly amazing!
